FROM THE BOARD ROOM

Today we face Boreham Wood who are looking to bounce back to the National League at the 1st attempt.

Over this season our better performances have come against the better sides so hopefully the boys will continue that today. Tuesdays defeat was tough to take, mistakes at this level are more often or not punished and we were well and truly punished.

The County Cup final is due to take place on the 25th of this month at Hamworthy United with a 7:30 kick off.

Also in cup action this week our Under 23's who face Hamble here on Wednesday night for a place in the final.

Please keep sticking with the team we appreciate it's tough, but sticking together is really important for all of us.

MATCHDAY HOSPITALITY

FROM THE DUG OUT

I would like to wish Boreham Wood's players, staff and officials a warm welcome to Weymouth.

I was disappointed in our performance in the first half against Weston-Super-Mare on Tuesday night but unfortunately we are, at this moment in time, struggling with lots of injuries but we have to be competitive until the end of the season and look forward and hopefully have a couple of players back in the next few weeks but we are still very much down to the bare bones.

I'm looking forward to the game and I'm hoping the fans are going to get behind the players until the end of the season.

FROM THE SA

PETE NASH

Good afternoon everyone. I would like to offer a warm Weymouth welcome to officials, staff and players of Boreham Wood, hope they enjoy their brief stay at The Bob Lucas Stadium and wish them safe travels. After Tuesday nights disappointing result, we face another tough test this afternoon as our visitors continue their push for a quick return to the National League. Those who know me will appreciate I'm very much a glass half full person, but even I can see the lady of a certain stature is almost fully warmed up and ready to sing. But we can only deal with what is in front of us, so we need to keep working hard and supporting the lads to get a finish as high as we possibly can in the remaining games and the amount of points left.

Saturday 22 March is non league day, and the fixture compilers have seen fit to have us on the road once again. Traditionally on non league day, which I believe falls on an international break weekend, the idea is to encourage football fans of top flight teams to support their local non league team. As we have been away for so many years in a row, we miss out on this great opportunity to showcase Weymouth FC. To that end, we are looking at alternative dates on which we could offer incentives, promotions and fan experiences to encourage those who would normally go elsewhere to come along and enjoy an afternoon at the Bob Lucas Stadium. So please watch out for further news on this as we flesh out the details.

We have been able to donate another £4000 to the Football Club from our fundraising efforts. Thank you to everyone who helps us and in particular, those who patronise the club shop. We still have an extensive range of products for you to chose from with plenty of bargains thrown in and some great novelty items for younger fans. So please pop in and have a browse.

Please enjoy the game today and remember to cheer the lads on regardless. As ever, thanks for reading. Best wishes to you all and thank you for your continued support.

GREAT PLACES TO PLAY

FROM THE TERRACES

THOMAS TAYLOR

Good afternoon and a warm welcome to all the players, officials, and supporters from Boreham Wood who have made the trip down from Hertfordshire this afternoon. We hope you enjoy your afternoon here at the Bob Lucas Stadium and have a safe trip home.

We have 8 cup finals left of the season to try and pull off a miracle that looks almost impossible with the run in of fixtures we have. Having walked to the ground on Tuesday I was quietly optimistic of extending our recent unbeaten run. My wonderful friend Taylor Nobles who resides in Birmingham, Alabama in the United States (who supports us from across the pond) was also quietly optimistic about getting a positive result. However, it became abundantly evident in the first half hour it was going to be a long evening. The game was almost a repeat of the disaster against Bath City. All we can do is just try and end the season on some sort of a high as most of us are sadly resigned to the inevitable.

Our opponents this afternoon on the other hand are right in the mix for an immediate return to the National League. Their shock relegation from the National League last season came after being play off semi-finalists the season before beating current National League leaders Barnet in the quarterfinals. With also recent memorable successes in the FA Cup including their famous win over Bournemouth in the 2021-22 season. My prediction is that if they don't win the title they will be one of the favourites to win the play offs. Although the play off race this season is any one's guess. Showing why the National League South is one of the most competitive leagues in the world.

Our last encounter was our FA Trophy 4th round tie at home where I thought the final score somewhat flattered our opponents. Hopefully we can put Tuesday night behind us and try and end the season on a positive note.

Let's get behind Warren and the boys!

C'mon you Terras

KEEP AN EYE ON

Cameron COXE

A product of Cardiff City's youth academy, Cameron earned his first professional contract with the Bluebirds in February 2017. Coxe was limited to only senior cup appearances in the FA Cup and League Cup for his boyhood club, departing the Cardiff City Stadium at the end of the 2019/20 season following the conclusion of his contract. Coxe found a new home at Solihull Moors in August 2020, followed by a loan spell at Colchester United, where he later signed a permanent deal in January 2022.

In October 2022, Coxe joined Boreham Wood on a short-term loan, scoring on his Wood debut against Wealdstone in the FA Cup fourth qualifying round, before his temporary stay at Meadow Park was made permanent in December 2022, putting pen to paper on a two-and-a-half year deal.

Jack PAYNE

Jack began his career at Gillingham, before signing for Peterborough United after an initial loan spell with the Posh was made permanent in 2013. After over 100 appearances in a Posh shirt at both Championship and League One level, Jack would depart London Road, initially on a loan spell with Leyton Orient before signing a permanent deal with Blackpool in August 2016. Jack spent a single season with the Seasiders, making 44 appearances in tangerine as Blackpool secured promotion to League One via the League Two play-offs.

At the end of the 2016/17 season Jack returned south, experiencing his first taste of National League football, with Ebbsfleet United and Eastleigh between 2017 and 2021, before making his Football League return with Crawley Town in July 2021. Just a season later, following his departure from the Broadfield Stadium, Jack would arrive at Meadow Park in July 2022. Ahead of the 2023/24 season, Jack was appointed club captain, whilst he also captained England C in an international friendly against Nepal in May 2024.

THE WOOD

David AGBONTOHOMA

A commanding centre back, Agbontohoma kicked off his career as a youngster with Arsenal before spending three seasons on the south coast with Southampton. In July 2021, he made the switch to Sheffield Wednesday after a successful trial period. During his time at Hillsborough, David made two senior appearances for the Owls in the EFL Cup.

In January 2023, Agbontohoma joined Boreham Wood initially on a one-month loan, where he made an immediate impact by debuting Wood's FA Cup third Round tie with Accrington Stanley. Just a month later, his impressive performances in a Wood shirt led to a permanent transfer.

THE TOUCHLINE

Garrard started his career as a trainee at Tottenham Hotspur but was released as a schoolboy. He went on to sign as an apprentice for Swindon Town, making his professional league debut against Oldham Athletic in 2003.

Garrard went on to have spells with Swindon, Bishop's Cleeve, Boreham Wood and Northwood, before joining AFC Wimbledon in March 2006. After an injury kept him out with only the occasional appearance he was allowed to re-join Boreham Wood.

In 2015, Garrard was appointed as the manager of Boreham Wood, making him the youngest manager in England's top five divisions. Since then he's only had a short spell away from the command post.

CONTRIBUTING TOWARDS
A BETTER WEYMOUTH.

We are excited to announce the launch of our “Boost the Budget” campaign. This year, recruitment costs and players’ wages have reached unprecedented levels, and coupled with numerous injuries, we must find ways to increase our playing budget. You can contribute by making a one-off donation or by supporting us with monthly contributions starting from as little as £5 per month. These contributions will be directly allocated to the playing budget, and every penny raised will make a significant difference.

GOALS – Rush, Benton

Just a handful of games to reminisce on against the Wood and all in in the last five seasons (2x Conference National campaigns in 20/21 & 21/22 and then the current Conference South season).

Our most recent encounter in January was in the 4th round of the FA trophy but the Wood were the victors in a 2-1 win, Robinson providing a mere consolation goal in stoppage time. Before that we met in the league in August, a 0-3 reverse.

In fact the only time we avoided defeat against this opponent was our last Conference National encounter in 2022, a 1-1 draw in Hertfordshire. On that day Ashby-Hammond opened the scoring for the hosts before the Terras equalised on half-time, a Terras cross headed into his own net by a Boreham Wood player.

It was the opening day of that season that Boreham Wood had visited the Bob Lucas Stadium and returned home with all three points courtesy of two first half strikes from messers Kane Smith & Tyrone Marsh.

Weirdly that was the second consecutive fixture at home against Boreham Wood as they last visited Dorset on the last day of the previous season! It truly was a case of “déjà vu” as Smith & Marsh also found the net on the final day of the season. Whitely added a third to ensure Jake McCarthy's earlier header for the Terras was a mere consolation.

Our very first meeting was therefore our visit to the home counties for the reverse fixture in the 2020/21 campaign in February. An extraordinary fluke (or moment of magic depending on your outlook) from Kabongo Tshimanga settled the game as his shot from the tightest of angles careered off both crossbar and post and into the onion bag.

Woods Words

Tuesday night's defeat as good as ended any slight lingering hope we had of staying in the National League South next season. It was always the longest of long shots, but you have to keep battling and not give up.

Despite a reasonable start Weston then took over, with Sam Pearson especially causing all sorts of problems for us. They seemed to open us up at will and we were lucky to somehow get to half time goalless.

It was ironic that after all that good defending, we conceded from a bad mistake at the back, to let the ever dangerous Pearson in behind to open the scoring.

We competed a lot better in the second half, but we barely troubled the Weston defence and we conceded again late on. I would go as far as to say the spell in the first half from Weston was the best spell of football I have seen from any opponent here at the Bob Lucas Stadium this season.

If they manage to get a playoff place, I certainly wouldn't want to be facing them on that performance.

Today though we welcome Boreham Wood, themselves looking to make a swift return to the "promised land" of the National League. We know how much of a step up that division is, unless you have a large fanbase, or a benefactor, clubs like us can forget it.

Our local rivals despite winning this division last season, are finding it much harder going this season. Even signing a couple of players a week isn't working at the moment.

More importantly, we have not been able to seriously compete at our level this season, there seems to be some positive news on the horizon, so if that is the case that would be very welcome.

So let's have a go again this afternoon.

Up The Terras!

Ben Ashleford

I've spoken quite a lot about my vision for Radio Terras going forward.

It's no secret that I have been offered several opportunities to leave our football club and take up paid commentary duties elsewhere. I have no interest at all on joining another club. Not only do I feel its my duty to stay, you also have to remember that I am a Weymouth fan. I get to watch my team every week, why would I want to leave? I'm far from a wealthy man, but I'd choose this football club over money every day of the week.

So, that means that I will continue my mission to make Radio Terras the absolute pinnacle of non-league radio.

Starting today, I will be adding music to the show and starting a little earlier. A very talented musical artist named Ryan Straits has provided his own music. He plays every instrument and edits his songs together himself, which must be really hard to do.

The new features will slowly be tested and added in the remaining few games this season and throughout the summer I will work on what I envision to be a complete rebrand.

There seems to be an awful lot going on in the background at the Football Club. It means that Radio Terras needs to evolve too.

This season has been disappointing to say the least. Let's cling to the positives. The club realise they need a big reset. And I am no different. Hopefully, I can give you all something to look forward to.
