FROM THE BOARD ROOM

Today we welcome Slough Town as we look to finish the season as positively as we can. It has been a disappointing and difficult season for all of us, nobody wants to be in the situation we find ourselves in.

Tuesday nights winning of the County Cup on the face off it the least important competition we enter into but one I always think it's important to try and win. It may seem insignificant to some but winning competitions are important it can be used as base to build from.

Look out for more details on the Ben Thomson charity/testimonial game this coming week.

A reminder that the clubs AGM is 6pm this coming Thursday (3rd of April)

Thank you for continued support.

MATCHDAY HOSPITALITY

FROM THE DUG OUT

I'm obviously disappointed from Chippenham last week, I thought we dominated the game but when you don't take the chances at any level you're always weary of conceding that goal, and we did.

The smart and happy Tuesday night we had really pleased for the fans, really pleased for the club to get hands on the silverware, it's great platform for the club to build on. It was great to see the fans with smiles on their faces.

I'm looking forward to the game this afternoon and I would like to wish the Slough fans, Board, supporters and players best of luck, but obviously not until after 5 o'clock when we hopefully have a result, we hope you have a safe journey home.

All the best.

FROM THE SA

PETE NASH

Good afternoon everyone. I would like to offer a warm Weymouth welcome to officials, staff and players of Slough Town, hope they enjoy their brief stay at The Bob Lucas Stadium and wish them safe travels.

The DSC win on Tuesday was very welcome. Whilst I appreciate it cannot totally compensate for our poor season in the League, any silverware is always welcome. Congratulations to the whole squad for bringing it home. Today we are back to League action and another opportunity to get a home win under our belts.

I would like to pay tribute once again to our marvellous band of volunteers for all the great work they do to support the club and keep us going. The Monday Club is a great example of a like-minded group who help the club and each other with the camaraderie. If you have a few hours spare on a Monday, pop down and see what it's all about over a cup of tea and some biscuits. We have said goodbye to John Rawles who has moved home to be closer to his family up the line. We wish John and his wife Debbie all the best for the future and thank him for all his support.

Thank you to the Oilys for providing the pitch crew with a new spreader. Also thanks to Malcolm for fixing the ride on mower and my son Rob for fixing Dennis the mower. These are more great examples of our amazing volunteer base, all pulling together and supporting each other.

Some dates for your diary. On Good Friday, you will be able to vote for your player of the season at our game versus Salisbury. Voting will also be possible online. The awards will be presented at the end of our final home game on 26th April in the Wessex Lounge. Ahead of that, we have the AGM on 3rd April and also a Quiz night on 25th April. Plenty to look forward to..

Please enjoy the game today and remember to cheer the lads on regardless. As ever, thanks for reading. Best wishes to you all and thank you for your continued support.

GREAT PLACES TO PLAY

FROM THE TERRACES

THOMAS TAYLOR

Good afternoon everyone and a warm welcome to those who have made the journey down this afternoon from Berkshire. We hope you, as you have in the past two seasons and before, enjoy your visit to the Bob Lucas Stadium and have a safe trip back home to Slough.

Well, this afternoon could be the day where our fate is finally sealed. If we're being brutally honest, we just were not good enough at the start of the season and our barren run here at the Bob Lucas has largely contributed to what may possibly be confirmed before 5pm this afternoon. All we can do is just try and keep winning and hope everyone suffers a collapse on a scale rarely seen at any level in the football pyramid.

If there is one positive from this season, then it is Tuesdays Dorset Senior Cup win over Hamworthy Recreation. Now to those who have been following the club longer than I have you have probably witnessed the club win this competition multiple times. For myself it was my first time witnessing us win a trophy. So, in a way that may seem odd to some fans it was a proud moment on Tuesday for myself. A shoutout to the skipper for giving me the opportunity to hold the trophy.

Our opponents this afternoon are the absolute model of stability in the National League South. The Rebels under player-manager Scott Davies always seem to find a way of being strong but unspectacular at this level. The Rebels have all but secured their stay for another season in the National League South and will not doubt do the same next season.

Last time out here against Slough was an impressive 3-0 win with Alfie Rutherford of Dorking Wanderers scoring one of the goals in his brief loan spell with us last season. We have not lost to our opponents since our relegation to the National League South. Fingers crossed we can keep this run going against the Rebels today.

All we can ask for this afternoon is to try and keep at bay the inevitable for at least another week.

Let's get behind Warren and the boys.

Cmon you Terras!

KEEP AN EYE ON

Dan Bayliss

One of a number of players who made the short move from Bracknell Town in the summer of 2023 having been with the Robins since 2019.

Dan was previously with Flackwell Heath and Basingstoke Town. Has also represented England Schoolboys.

Henry OCHIENG

Henry joined the club in July 2024. He joined West Ham United's youth team in 2009. In 2015, he secured a scholarship with Leyton Orient, making his debut in November 2016. Had spells at Braintree Town, Welwyn Garden City, Wingate & Finchley, Cork City, Watford, Billericay and Chelmsford, leaving at the end of the 2023/24 season after the club finished as runners-up in National League South.

He made his debut for the Kenya U23 team against Mauritius in November 2018 in the 2019 Africa U23 Cup of Nations qualification.

THE REBELS

Slavi SPASOV

Bulgarian striker Slavi Spasov joined the club from Hungerford Town in December 2023. Formerly with Oxford United's academy, Slavi made his senior debut in an EFL Trophy match against Fulham in September 2018, coming on as a substitute and scoring a penalty to become the club's youngest ever scorer at the age of 16 years and 226 days.

He would go on to make his league debut three months later. Slavi experienced loan spells with Woking, North Leigh and Banbury United before joining Hungerford Town in July 2023.

THE TOUCHLINE

Scott represented Reading and Oxford in the Football League before enjoying three separate playing spells for the Rebels amongst other side in the higher levels of non league football. He took on the managerial role in November 2022 at Slough and successfully guided the club to National League safety in his debut season.

Overall our record against today's visitors is good, especially at home where we can boast four wins in a row against the Berkshire outfit without them scoring at the Bob Lucas. In fact The Rebels have played 369 mins on our turf since their last goal here!

We last played Slough in August when our visitors were topping the early table but our opponents celebrated not only a win that day but 365 days since losing in the league at their Arbour Park ground. Last season we locked horns first in October when both teams failed to find the net in a 0-0 draw. However it was a different story in January when they visited the Bob Lucas Stadium in the league. Loanees Rutherford & Parsons opened and closed the scoring (sandwiching a Goodship strike) resulting in a 3-0 Terras victory.

Looking back to 2022/23, enjoyed a pair of wins in the league. First a 3-2 away victory (scoring the winner with 10 men!) before a 2-0 triumph on the final game of the season.

Turning the page back further, we see a pre-season friendly in 2020 when we sealed a 4-2 victory. Just six months earlier the pandemic hit but we had just enough time to host the Rebels in a final home game of a truncated conference south season. A famous 2-0 win secured third place on points per game and we eventually gained promotion through the playoffs!

Despite both clubs being formed in the same year in 1890, it took some 124 years before we first met and that was in the 2014/15 Southern League Premier campaign – a 3-2 win at the Bob Lucas in September followed up by a 3-0 loss in the new year on the road. We would go on to play them in three more consecutive campaigns in the Southern league before we met again in the aforementioned pandemic-affected Conference South season. Our record win against this team is a 6-1 victory in December 2015 in the Southern League (Ben Thomson scoring a brace that day) and our biggest defeat is 0-3 (three occasions).

Woods Words

So we are nearly at the inevitable according to other people with bigger brains than myself when it comes to maths.

We could actually be relegated today if certain results go certain ways I am led to believe.

Even if we don't, I think it's fairly realistic to say we are just delaying the inevitable and we all know where we are going to be playing our football next season.

I will talk more about this season towards the end of the season, but for now we just have to get on with it and try and win as many games as possible and to give something for our fans to cheer especially at home matches.

The annoying thing is we have shown we can do it on our day, having given Torquay a good game here, beating Dorking away, beating Yeovil away, beating Boreham Wood here and winning well against Welling and Aveley.

But there have been far too many poor performances and a lack of goals. Inconsistency has been a major problem.

Chippenham away last Saturday was another example, against ten men for a long spell, but we hardly tested their goalkeeper in that time, then of course we get a player sent off, they score a penalty and go on to take the points, again too many times this season something like that has happened.

It was nice to have the distraction of a cup final on Tuesday night. Yes, only the County Cup, but a welcome (small) bit of relief from the depression of the league.

There really was no point in resting players for the final, as it is almost certain we won't get out of trouble, so we may as well have played our first eleven.

We (just) won the match, by all accounts after a good start we let things slip a bit and it was perhaps more tense that it should have been.

Planning I assume is already underway for next season and I suppose it is a good idea to put this time to good use in a positive way for next seasons challenge.

'till next time,

Up The Terras!

Don't Fear The Creepers

Ben Ashleford

This football club needs a reset.

Before I go any further, allow me to reiterate that, what this article is, is an opinion piece. What I write here is simply my opinion.

With that out of the way, let me explain what I mean.

When I say that the club needs a reset, I can see how people might assume that means I am being critical of the Board and/or the Chairman. This isn't my intention. For any perceived fault of the aforementioned collective, I have absolutely no doubt in my mind that the intentions of all are only for the love of this football club. No matter whether I agree or not with their decisions, I'm confident that these decisions are taken in the interest of the club.

This football club has somehow withstood almost everything that's been thrown at them over the years, and it's well documented that if it wasn't for a rescue package by at least one current board member all those years ago, the club wouldn't be here now, and where the Bob Lucas Stadium now sits would likely be the Wessex housing estate or something. And it wasn't too long ago that another wolf in sheep's clothing appeared on the scene who left an almost irretrievable mess behind when he slunk off to Gibraltar.

So it's understandable that if any sort of serious investor, or, dare I say, buyer comes along, they are met with cynicism and fear. But, that now, has to change.

When we dropped to this division, what should have been a summer of reset and a comfortable season re-establishing ourselves and building for a proper and real cracking at the top table, was instead a summer of complete chaos and resulted in us very nearly dropping down again immediately. We have never recovered and I honestly worry its going to take us even longer to recover from this inevitable drop.

Getting some money into this club has to become a top priority. Real and proper due diligence should negate the fear that is now holding us back.

The work being done in the community projects have been brilliant. But here's some food for thought. To really connect with the community you need the community to also come to you. Why not have some penalty competitions at half time for the local youth teams? And then combine that with affordable football for all. I'm willing to bet you'd be rewarded.
