FROM THE BOARD ROOM

Good afternoon and welcome to our Good Friday fixture with Salisbury.

Since our last home game we have had two difficult away fixtures at Eastbourne and Maidstone and our fate was finally sealed as we head back to the Southern Premier League next season. As I said in my Chairman's message this is a bitter pill for us all to swallow, that said we can't sit around and fill sorry for ourselves.

Warren and Jason are well underway with planning for next season and discussions are up and running with players as we look to bounce back.

The Board are looking at ticket pricing and aim to have that information available to you in the next few weeks.

During the AGM we discussed the need for new investment, to give this clarity we are talking about skill set as well as financial if we are to flourish going forward. Like most non league clubs we are very dependant and the goodwill of businesses and individuals which is not a sustainable model to run off.

After today we head to Torquay before finishing here against Chelmsford let's hope for positive end to the season and look forward to a fresh start.

Paul

MATCHDAY HOSPITALITY

FROM THE DUG OUT

I would like to wish Salisbury Board, players staff and fans to the Bob Lucas Stadium today.

We know where we are going to be next season, but I would like to say a huge thank you to the fans and everyone at the club that has made me feel so welcome. It is disappointing that you can see what the players are showing at this minute and if we had a little bit more time, I would've been very confident that we would have turned this around, but we are where we are.

Looking forward, we have got to reset go again and hopefully be in a position next year to be doing the programme notes back in this league.

I'm looking forward to today, thank you for your support, and get behind the boys again.

FROM THE SA

PETE NASH

Good Friday afternoon to you all. I would like to offer a warm Weymouth welcome to officials, staff and players of Salisbury FC, hope they enjoy their brief stay at The Bob Lucas Stadium and wish them safe travels.

The defeat away at Eastbourne earlier this month sealed our fate of relegation from this highly competitive league. I can honestly say, from a personal perspective, this was not something I envisaged at the start of the season. Although we gave ourselves an uphill task with our poor start, I felt that with time on our side, we had the quality in the side to climb the league. That it never panned out like that will be a source of great disappointment to us all, there is no disguising that. After witnessing the two stellar performances away to an in-form Weston-Super-Mare and the fantastic win over our old adversaries in the FA Trophy, it is so disappointing that we were unable to find a run of performances and results in the league to pull ourselves away from the drop zone. But it is what it is, all we can do now is look to the future with a positive outlook, regroup, rebuild and go again. There is an awful lot of work to do.

The quiz night is fast approaching, Friday 25th April, so get your team sorted and get entered, it promises to be a fun night. There will be food included on the night in the form of a buffet, with a raffle and also some spot prizes up for grabs.

Don't forget to vote for your player of the season today if you've not done so already. You can do so online or pop into the club shop and put pen to paper there.

Please enjoy the game today and remember to cheer the lads on regardless. As ever, thanks for reading. Best wishes to you all and thank you for your continued support.

Pete

INTRODUCING OUR MASCOTS

Charley is 6 and goes to Wyke Regis Primary School.
He is a huge Weymouth FC fan.
He plays goal keeper for Ridgeway under 7's.

He loves playing football and watching his other favourite team Chelsea on TV. He has been to Stamford Bridge, and also Wembley to watch England play.

Calvin Brooks is his favourite Terra.

Woody is 7 and goes to St Augustine's School.

He is a midfielder for Ridgeway Owls Under 8's.

His favourite Terra is Brandon Goodship.

Jack is being a mascot today to start off the celebrations of his Dad, Richard's 50th birthday in May. Richard is currently the club's videographer being responsible for the match day highlights and also writes a page in the match day programme.

Over the years he has held many roles around the club including vice chairman of the supporters club, selling programmes and half time draw tickets.

Richard discovered his love of Weymouth FC when his Uncle Jack (Jack's namesake) took him to The Rec in the 80's, from then on he has followed his hometown club at home and away as much as family life has allowed. We hope Jack enjoys leading the team out today and continues the Wood family's love of Weymouth FC. Happy birthday Richard.

Jack's favourite Terras are Tom Bearwish and Leo Hamblin.

Team Torri

Ben Ashleford

In a couple of weeks time, we will be hosting a testimonial game for one of the most loved players in recent memory. Adored by the fans, loved by his ex-team mates and whenever he returns to the club, there's a buzz that seems to follow him.

Ben Thomson, we thank you.

What Thommo has chosen to do with his testimonial game however, is remarkable and is one of the reasons that he is so beloved around our Football Club.

Rather than profit himself, Ben has chosen to hold the special day on behalf of a truly amazing charity.

Team Torri is a very special charity and fund raising hub. They do absolutely incredible work supporting and helping children with cancer.

Torri, who the charity is named after, battled cancer for five and a half years. She was just thirteen years old when she sadly left us.

Team Torri offer incredible help for children going through the same, awful thing. They raise funds to help create incredible moments and memories, things families will never ever forget. They work so hard and so tirelessly for others. Their work is thankless, exhausting and very, very special.

On May 17th 2025, Ben and his brother, have given up their day to raise money and awareness for an unbelievable charity. An amazing cause and a battle that almost every single one of us will have to undertake at least once in their lives.

So come down and have yourselves a great day. Try to remember happier footballing times. But dig as deep as you can.

<https://gofund.me/6bff3347>

I have included a link to the Team Torri fundraising page. Let's not wait until the big day.

Thank you Thommo.

GREAT PLACES TO PLAY

FROM THE TERRACES

THOMAS TAYLOR

Good afternoon, everyone and a happy Good Friday to you all. A warm welcome to the players, officials and supporters of Salisbury who have made the journey down to the Bob Lucas this afternoon. We hope you enjoy your afternoon here on the sunny south coast of Dorset and have a safe journey back to Wiltshire later.

Since our last home game our fate has now been sadly sealed and our return to the Southern Premier League South confirmed with our 4-1 defeat away at Eastbourne Borough. All we can do now until the end of season is play for a bit of pride and try and enjoy ourselves after what has been a sorry season to put it politely. Having been to the game at Maidstone United last Saturday I am already feeling positive that we can compete next season and hopefully bounce straight back at the first time of asking.

Before I go on to our opponents this afternoon, I would like to take this opportunity to thank those at the Club who very kindly lent me the Dorset Senior Cup to take to Weymouth Town Council's Full Council meeting on the 09/04/25. As one of your councillors I can tell you that your Town Council fully supports your club, and I am on a personal mission to make sure this link between your council and this club flourishes for years to come.

Our opponents this afternoon are still fighting for their lives in their first season in this league in their current incarnation. The fixture on New Year's Day can only be best described as a rain-soaked snooze fest with our opponents having the better of the chances to win the game. Our last fixture at home was in our Southern Premier League South title winning campaign where we won 2-1 against the Whites after falling behind. Goals from Brandon Goodship and Ben Thomson helped us secure the three points 7 years ago.

Let us try and get behind Warren and the boys for our penultimate home game of the season and get another home win.

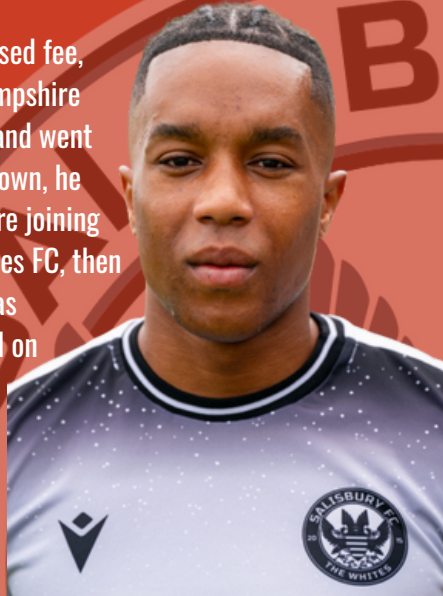

C'mon you Terras!

Thomas

KEEP AN EYE ON

Jordan RAGGUETTE

Signed from AFC Totton FC in May 2024 for an undisclosed fee, Jordan progressed through the Youth Teams around Hampshire and joined the Sparsholt / Saints FC Football Academy and went on to play for Andover Town FC. After leaving Andover Town, he had an extended trial with Brighton & Hove Albion before joining Gosport Borough. After a few months he left to join Lewes FC, then leaving to join AFC Totton in September 2021. Jordan has represented St. Vincent and the Grenadines at U21 level on three occasions, scoring once. In the summer of 2022, he was called-up to a 30-man senior squad to attend a training camp in preparation for the Concacaf Nations League but was not selected for the 23-man squad. Jordan is a quick attacking left back or left winger and a great young prospect for the future.

Joshua SOMMERTON

Josh came through our youth system, making his debut in the 2017-2018 season at the age of 17. A mainstay of the club ever since, and one of the first names on the team sheet, Josh has progressed as a footballer every season to become one of the leading defenders in the league, comfortable at either left back or centre back. He is a strong, committed, and technically gifted footballer and is a true asset to the club..

THE WHITES

Craig FASANMADE

Signed from Chippenham Town F.C in July 2024. Craig progressed through the Oxford City youth set up and earned a contract with the club. He was sent out on loan to Banbury United to gain match experience. On his release in the summer of 2021, he joined Hungerford Town and was sent out to Wealdstone F.C on loan to gain match experience. Craig joined Wealdstone F.C in July 2021 and went on loan to Hemel Hempstead Town and joined them on a free transfer in February 2022. He left Hemel Hempstead Town in October 2022 to join Chippenham Town. Craig has great pace, good close control and an eye for goal.

THE TOUCHLINE

Brian began his career at Pickering as a 16-year-old before he was spotted by a Cambridge United scout and signed for them for the 2004 - 2005 season. He played at a variety of clubs between 2005 - 2017 including Weymouth for a couple of spells. He then moved into coaching and was appointed manager for The Whites in October 2022.

Woods Words

You have to say we have now become a competitive side in this division... alas too late to save ourselves from impending relegation.

I don't know what would be more frustrating, being way off of it and relegated early, or being close to being a team good enough to get the required points but not quite.

I suppose we have had quite a long time to get used to the idea of relegation and that eases it a little bit, rather than going into the final game having it all on the line and having the crushing disappointment if it all went wrong.

As I wrote a while ago, things seem to be getting better - results and performance wise, with our shoestring squad, most of these players were here from the beginning of the season with one or two exceptions and you have to say the players we did bring in to try and improve things on the whole weren't really any better than what we already had.

If we could have managed to get players in that would have made the difference obviously we may have had a fighting chance of staying up, but, as the manager alluded to, getting players in and clubs letting them come on loan to a team struggling at the bottom late in the season is always going to be a difficult one to persuade people to do!

Today's opponents really do have something to play for, so I expect them to be right up for it.

We, on the other hand do not, apart from pride. But, the pressure is off, so hopefully we will see us going all out for a home win to set us up for another big match at Plainmoor on Monday.

Salisbury have had a fairly good season on their return to this level, but in recent weeks they have been drawn into a battle to stay away from trouble.

St Albans are waiting in the wings to pounce on any slip.

After today we have one more home match to end this very disappointing season, when Chelmsford are the visitors.

'till next time,

Up The Terras!

Battles against teams from Salisbury over the years number well over 100 since our first meeting in 1900. However, whereas the Terras have always been the same entity over that time, “The Whites” have witnessed numerous reincarnations that means we can only truly count three meetings against this current club.

The most recent of which was of course the 0-0 draw on New Years Day in Wiltshire. On that occasion both teams didn't really look like scoring in dour conditions. A point apiece that day moved Weymouth up to 23rd but Salisbury down to 18th place.

Our other two tussles to date have been far more eventful affairs though. Our inaugural fixture was a top of the table clash in the Southern league premier division in November 2018/19. In a tight game Dawson opened the scoring for Salisbury but the Terras came back in the second half with a Goodship penalty followed by the winner from Thomson three mins before the end.

Two months later and we met again in what was arguably one of the games of the decade for the club. With half an hour of the game gone Weymouth were cruising and two goals to the good through Goodship & Wakefield but this was no harbinger of what was to come later in the match! With twenty minutes of the game to go Salisbury pulled one back, lighting the blue touch paper for a crazy flurry of five goals in 14 minutes as the ball ping-ponged up and down the pitch.

With 81 minutes on the clock Salisbury finally restored parity in the game for the first time in over an hour but that joy was to be short-lived as three minutes later the game turned yet again. Harry Baker, a late substitute for the Terras, had only been on the pitch for 83 seconds when he latched onto a Thomson pass to slam the ball into the net. His knee-sliding, tongue-dangling celebration set to live long in the memories of the travelling Terras fans who celebrated wildly in the corner.

BOOST THE BUDGET

CONTRIBUTING TOWARDS
A BETTER WEYMOUTH.

We are excited to announce the launch of our “Boost the Budget” campaign. This year, recruitment costs and players’ wages have reached unprecedented levels, and coupled with numerous injuries, we must find ways to increase our playing budget. You can contribute by making a one-off donation or by supporting us with monthly contributions starting from as little as £5 per month. These contributions will be directly allocated to the playing budget, and every penny raised will make a significant difference.
