FROM THE BOARD ROOM

The challenges remain, but with Steve's tireless work behind the scenes, we are confident that we can turn this corner. He is working hard to bring in the new players we need, and —as he has always been clear— that process takes time.

This club is more than just one team. As we move forward, we must build a vision of being one club—where every team that wears our badge is given fair representation and a strong profile. Together, we will grow stronger, united by the same ambition and belief.

As one club, we succeed in many different ways—from our youth teams right through to our men's and women's first teams. Over the weekend, I had the pleasure of watching our women secure their second FA Cup victory away from home. That fantastic result takes us into the third qualifying round, with the game scheduled for 4th October.

We are also beginning work on a formal structure to align our youth pathway, with the aim of introducing an Under 18s side and potentially an Under 23s team. This framework will be shaped through input from both internal and external sources, supported by targeted recruitment. Our goal is to create a long-term development pathway that gives every player the best opportunity to reach their potential and contribute to the future success of the club.

Tonight, we welcome Gosport for the second of three home games in just eight days.

Cor unum, anima una.

FROM THE DUG OUT

Good evening and welcome everybody to the Bob Lucas Stadium including our opponents Gosport Borough.

Well, I'm sure if you were here on Saturday it really was a wake up call for everybody. As we were soundly beaten by a very good Gloucester side. It's not a great combination. When you play poorly against a team of that quality from almost minute one we looked dry physically and mentally, second to everything and never really getting a foot holding in the game. The moments when we did have possession we just gave it away cheaply.

What concerned me most, which I will certainly be looking to put it right tonight, was the energy levels in the rate we saw against Taunton, the only one at the same level that was probably my biggest disappointment on the day for me going into the game. I said we would have to work hard but unfortunately that just wasn't the case and that's something I'm certainly looking for us not to replicate tonight.

I don't think there's any doubt that there will be bumps in the road. We find ourself in a difficult position, but now really is the time to stick together and keep getting behind the lads how you have done so wonderfully since I took over. We will certainly be looking to put in a better performance against a very good Gosport side. Now is the time for every player to be brave and show the character that I know they have.

Thank you to everyone for your support tonight.

The club really does appreciate it.
Enjoy the night stay safe.

FROM THE SA PETE NASH

Good evening to you all and welcome back to the Bob Lucas Stadium for this evenings encounter under the lights, as the games come thick and fast this week. I would like to offer a warm welcome to the officials, staff and players of Gosport Borough, hope they enjoy their brief stay with us and wish them safe travels.

I think it is quite fortunate we have a game so soon after Saturdays disappointing performance. We need to move on from that, we came up against a really good side and didn't do ourselves justice on the day. It will be another tough encounter this evening but we have to focus on what is ahead of us and not dwell on things we cannot change.

At the time of writing these notes, Weymouth FC Women have won through to the next round of the FA Cup competition with a superb 2-0 away win against Stoke Gabriel & Torbay Police FC. Congratulations to all involved. Make sure you check out the Women's fixtures and come along to their home games. They are a young and vibrant side who are only going to get better and better with each game. And whilst on the subject of cup competitions, by now the Men's team will know who our opponents will be in the next round of the FA Trophy. Fingers crossed for a home tie.

Thank you to everyone who has contributed towards the Steve Claridge Fightback Fund. I know from Saturdays donations we went over the £5k mark and I will bring you a full and final tally in my notes for next Saturdays home game versus Tiverton, a game brought forward from it's scheduled slot of midweek next month!

As ever, thanks for reading and thank you for your continued support. If you want to get in touch, please do so via enquiries@wfcsa.co.uk

Best wishes to you all.

STEVE CLARIDGE'S FIGHTBACK FUND

A new chapter begins for Weymouth Football Club. With Steve Claridge taking charge as first team manager, we have a fresh opportunity to build on our foundations and push forward with renewed ambition.

The early weeks of this season brought unexpected changes, but now we look ahead with belief and determination. Steve's appointment gives us the chance to strengthen our squad in ways we had not originally planned, and that is where the Terras community comes in.

Our club is still on solid financial ground, which means any extra funds we can raise will go directly toward giving Steve the flexibility he needs. Whether it is adding depth to the squad, bringing in that crucial signing, or simply having options when opportunities arise - every pound helps turn possibilities into reality.

This is about more than just transfers. It is about backing our manager from day one, showing our player's they have the support of an entire community, and proving that when Weymouth needs to step up, we deliver. The Fightback Fund is not about money - it is about momentum, belief, and the kind of collective energy that can transform a season.

Every donation, whether it is £5 or £500, goes straight into the playing budget. No administration costs, no deductions - just direct investment in the team we all want to see succeed.

How to donate:

- Bank transfer: Weymouth Football Club Supporters Association Santander
Sort Code: 09-01-55
Account No: 44150902
Quote reference: SCFF
- [Online via the club shop](#)
- In person: Bring your donation to the club shop on Saturday

Remember, you can continue to support or consider helping by playing the Claret & Blue Lottery. With three cash prizes each month - top prize of £255 a month, which will increase with each new participant (Terms & Conditions apply so please check on the website for these).

The money raised, after deduction of prize money, goes to the playing budget.

- Claret & Blue Lottery link: <https://www.wfcsa.co.uk/claret-blue-lottery/>

This is our moment to show what the Terras community is capable of. We are backing Steve, we are backing our team, and together, we are moving forward.

Thank you for your continued support.

Modern Football is ****!

Ben Ashleford

You can't escape the Premier League. I would love to always refer to it as the 'First Division' in every day conversation, but I don't think it would be too long before my friends became annoyed and just stopped talking to me all together.

Anyway, whenever I have Sky Sports news or talkSPORT or whatever tv or radio show are discussing football on, they are usually talking about Manchester United. Say what you like about them, but that moniker their fans adopted a few years ago is very true. 'Hated, adored, never ignored'. It's the reason that they're always picked for TV in the cup competitions. The TV stations know full well that many United fans will watch hoping to see a win, and every other football fan on the country will hope to see them lose. Regardless of the result, the audience is big.

So with a comprehensive derby defeat last Sunday, the conversation inevitably turned to the future of their head coach Rueben Amorim. And this is where modern football being absolute tosh comes in to play.

Not every club is suited to a director of football, sporting director, technical director or any other pointless role based model. Manchester United are, in my opinion, one of those that doesn't suit it.

That club is arguably the biggest in the country. Sir Alex Ferguson famously ran the club like a footballing dictator. Scouting wasn't done on stats, which tell you the square root of sod all anyway. It was done by setting up a nationwide scouting network. Absolutely nothing got through on the footballing side of things without the manager knowing about it and allowing it. Transfers were sorted by the manager. Who else is better placed to decide what their team needs then the manager? These days one of the aforementioned pointless roles could be given a list of three transfer targets from their manager, and said manager could essentially return for preseason to find five players he didn't want, I just don't understand it.

Can't we just agree that football peaked in 1997 and return there?

Ben

Thomas Taylor

Good evening, everyone and a warm welcome to the players, staff, and supporters of our visitors from Gosport Borough. We hope you have an enjoyable day (without winning) and hopefully have a safe journey back home later this evening.

After what was a promising set of results leading into Saturdays game it felt like we slipped back into our old ways against Gloucester City. We just lacked any sort of belief which compared to Taunton and Hanwell was a major disappointment. But we have the chance to put that right this evening.

Our visitors from Hampshire have started ok this season with three wins, two draws and three defeats so far. It was a steady season for opponents last year finishing in 12th position in the league, but compared to 23-24 you could argue it was a disappointment. I do think they will probably be in the same position if not just inside the top half of the season come the end. We would certainly take that come the end of the season as well!

I do still believe that we will be ok but without stating the obvious we have to make the fun of home games count. We are too big of a club to be in the predicament we find ourselves in. A win tonight will do everyone the world of good. This group of players are more than good enough to be at the right end of the table and not languishing where we currently are.

Let us all get behind Steve and the boys this evening and finally get that first home win of the season.

C'mon you Terras!

STATS AND FACTS NUMBERS BEHIND THE GAME

VS
Gosport Borough

It's a bit of a "Steve Claridge derby" today as our gaffer played and coached at Gosport back in the 2011-12 season. In that campaign he scored on his debut and also in the playoff final to steer "The Boro" into the Southern league Premier!

And it is in the Southern league Premier where we have played most of our fixtures against this Hampshire-based outfit, 10 of the 17 encounters. The most recent of those meetings was in 2018/19 season where a brace of victories for the Terras added a welcome 6 points to our tally on the way to winning the division.

We also faced them in the league in the two previous seasons winning three times out of four, a 1-3 loss at the Bob Lucas stadium the only time the copy book was blotted in that period.

Slowly looking further back in time, Jason Matthews' charges completed a nervy 3-2 FA Cup win in 2015 and we also faced this side in the Southern league in 2012/13 under Brendon King (two draws), in 1991/92 with Len Drake in charge (a win and a draw) and with Gerry Gow at the helm in 1998/90 (a brace of victories).

The only other meetings were three more friendlies over the years if we discount a couple of FA cup qualifying games in the 1930s. The records show these games were against "Gosport Borough" but perhaps this was an earlier incarnation of the club as Gosport themselves state they were not founded until 1944.

KEEP AN EYE ON

RYAN HALL (Goalkeeper)

Previous Clubs: Bognor Regis Town, Aldershot, Dorchester Town, Wimborne Town.

Signed in July 2025, from Bognor Regis where he had been for a season after leaving Aldershot where he had been playing National League football. Ryan has signed for his home town Club.

RORY WILLIAMS (Defender)

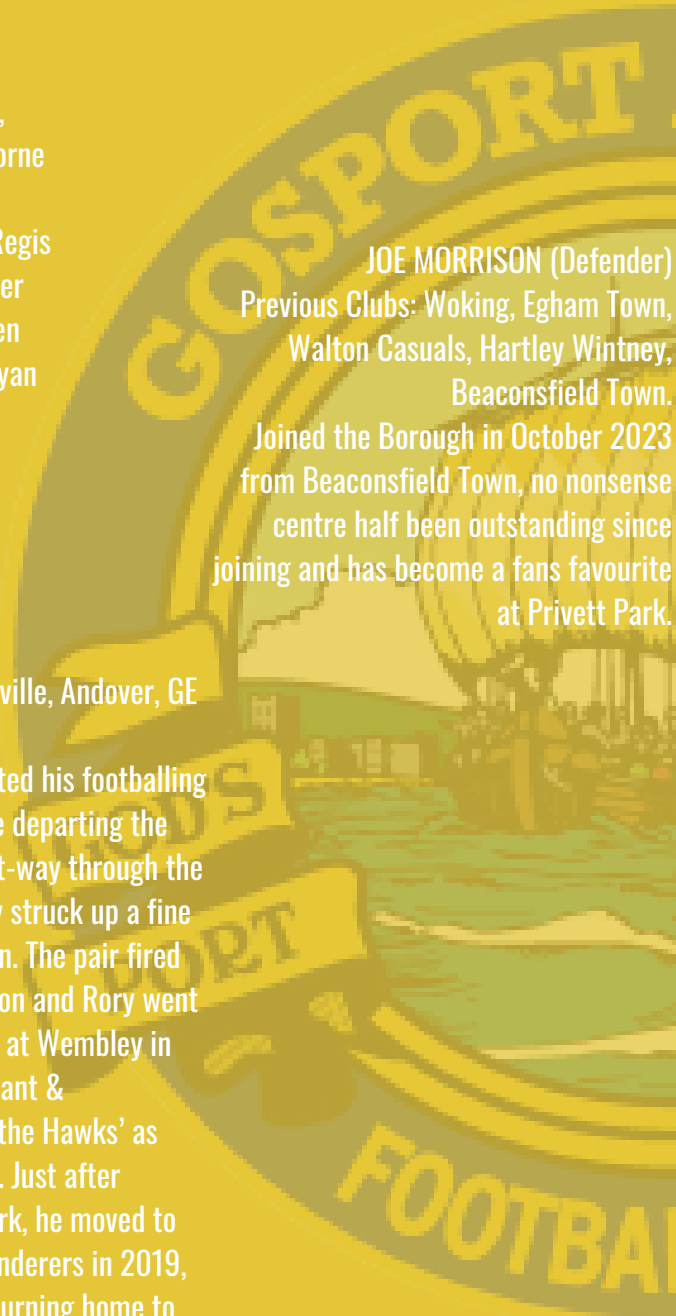

Previous Clubs: Havant & Waterlooville, Andover, GE Hamble

Pacey left-back Rory Williams started his footballing life in the Boro' youth ranks, before departing the club in 2011. He was re-signed part-way through the 2012/2013 campaign and instantly struck up a fine strike partnership with Dan Wooden. The pair fired Boro' to Conference South promotion and Rory went on to feature in the FA Trophy final at Wembley in 2014. He departed Gosport for Havant & Waterlooville in 2016, starring for the Hawks' as they won back-to-back promotions. Just after signing a new deal at Westleigh Park, he moved to Conference South side Dorking Wanderers in 2019, staying just a few weeks before returning home to Privett Park.

JOE MORRISON (Defender)

Previous Clubs: Woking, Egham Town, Walton Casuals, Hartley Wintney, Beaconsfield Town.

Joined the Borough in October 2023 from Beaconsfield Town, no nonsense centre half been outstanding since joining and has become a fans favourite at Privett Park.

THE BORO

ADAM TOMASSO (Midfield)

Previous Clubs: AFC Totton, AFC

Portchester (Loan) Winchester City

Signed in July 25 from AFC Totton where he had won two promotions with Totton as well as many cup competitions. Tough tackling midfielder whose departure to The Boro caused much surprise but testament to the Boro management team

JACK FOX (Midfield)

Previous Clubs: Eastleigh, Portsmouth

Jack joins the football club from Eastleigh. Jack has shown he has a good game understanding and is equally comfortable in a variation of positions. Jack has a tenacity to his game and is extremely energetic whilst being very capable in possession. Jack has shown good leadership skills and provides a real professionalism to the squad.

DAN WOODEN (Forward)

Previous Clubs: Moneyfields, AFC Portchester

Gosport legend Dan Wooden first joined the club all the way back in 2010 after impressing coach Tony Staes during his time at Moneyfields.

Operating as a left winger or striker, Woody helped the Boro to back-to-back promotions from the Southern League Division One South & West to the Conference South - both via the playoffs. The success kept on coming with Dan featuring in the 2014 FA Trophy final at Wembley and in an FA Cup First Round tie against Colchester United. After a fruitful spell, he re joined Moneys in 2017 before moving to AFC Portchester, where he reunited with former Boro' boss Mike Catlin. Wooden finally returned home to Privett Park in 2021, much to the delight of fans.

It turned out to be a bit of a disaster on Saturday, the first half saw us very much second best on the field.

It was not helped by the fact that we are struggling with injuries at the moment, but having said that, it was clear to see that we still need to add some numbers and quality to the squad as soon as possible.

An improved showing in the second half halted what might have been a landslide.

As has been said before though, it is difficult to make wholesale changes during the season, we are really trying to do another pre season, not ideal at all.

We are of course not going to be coming up against teams like Gloucester every week, who looked every inch a team who just missed out on promotion last season, they all knew their jobs and as all good sides do, did the basics well.

It was typical that one of our ex players Ben Morgan had an assist and a goal against us. This seems to happen with monotonous regularity. He is not the first player to look a superstar against us, but nothing like the same when playing for us!

Tonight will be another tough test, but we have to try and get something, things are heading in the right direction, but it looks like it will take a while longer than hoped to get away from the drop zone.

After tonight we are here again against Tiverton, by the end of that match we will know just where we are and how big a job we have.

There's nothing like a match under the lights at the Bob Lucas, lets hope we can grab a win to ease the pressure a little.

'till next time,
