FROM THE BOARD ROOM

It feels like a long time since our lone home game against Tiverton, but after a month-long hiatus, we finally return home. We've begun to regain form with a fantastic win over Farnham and a hard-fought draw against Hungerford. Today should mark the start of some major changes, with new players coming into the club — which makes those recent results all the more impressive, given the limited depth of the squad.

Off the pitch, we continue to work hard to develop the club and move it forward. Recent work has been carried out in and around the bar area, with volunteers kindly giving their time to refresh and improve parts of the club. We've also held a fans' forum, where we were open to answering any and all questions — and that approach will always remain. If you have a question, no matter how small, please feel free to ask Pete, Kelvin or myself, and we'll do our best to answer it.

We're always in need of volunteers to help drive the club forward, in whatever capacity you feel able to offer your time and skills. So once again, if there's anything you can do to contribute — whether on a matchday, behind the scenes, or through fundraising efforts — please don't hesitate to get in touch.

Back to matters on the pitch, we welcome Yate for our first game of November. It's the start of a busy home schedule this month, including a Dorset Senior Cup tie as well as league games. So let's start today with 3 points.

Up the Terras!

FROM THE DUG OUT

Good afternoon and welcome to everybody, including our opponents, Yate Town.

As in true Weymouth fashion we've gone from the sublime to the ridiculous getting thrashed by Poole Town to a week later beating a team who were undefeated up to that point all season and had not lost at home in three years.

There's no doubt after the Poole game the coaching staff and the players had to have a total reset as although Poole were excellent we also played a major partner our own downfall which was evident after we'd all watched the video.

What was a particular feature was the amount of basic errors we've made in the game but against good sides certainly cost you dear and it really was a case of having to eradicate mistakes that everybody were capable of not making. I have no problem getting beat but get beat making the opposition work hard and then everything they get and certainly the two games since that heavy defeat I think that's certainly been the case.

The players also have to take an awful lot of credit for the quality and the character they have shown since that game turning things around especially when you consider we've only had two young lads on the bench as well. We'll be looking for more of the same against Yate today which might not mean we definitely get the result we want but it will mean they would've had to have played well to beat us.

Just a quick one on players coming in myself, Charlie and Lee have literally been out every night watching games and although it doesn't look like it, there's no doubt we are starting to make headway with regards to one or two players coming to the Football Club, but it will take time.

I'm not prepared to go down the same route as before of paying players an awful lot of money if they simply aren't good enough to play for this fantastic football club.

Thank you for coming today. It's always much appreciated.

Enjoy the game. Stay safe.

FROM THE SA PETE NASH

Good afternoon to you all and welcome back to the Bob Lucas Stadium. I would like to offer a warm welcome to the officials, staff and players of Yate Town, hope they enjoy their brief stay with us and wish them safe travels.

An awful lot has happened since our last home game! After an excellent home win and a valuable 3 points on the board, we faced a tough October with a run of four away games in a row. We lost the first 2, going out of the FA Trophy at Wimborne, and suffering a heavy defeat in the league at Poole. Then the lads bounced back in some style with a fantastic win at Farnham, who were unbeaten at home in the league for 3 years! This was then followed with a hard fought draw at Hungerford, a difficult place to go. A mixed bag for sure, but we have to take the positives and build on the last two performances and results. We just need to keep accumulating points and moving up the table and away from trouble.

We have also seen two board members step down during this time, in Pete Saxby and Ryan Park. We would like to place on record our thanks to both for their contributions to the Football Club. This of course leaves us a bit light in numbers, meaning we are all quite busy keeping everything running. We will of course look to strengthen as and when we can but will not rush the process. We can announce that Paul Cocks has taken on the role of Company Secretary, and we thank him for his support. Ben Miller has also come in as Interim Head of Strategy and Change, as well as heading up the media team. And finally, I have agreed to step into the role of Football Secretary for the foreseeable future, with the plan to get a detailed understanding of the role. This will then allow us to identify a more long term replacement who I can then hopefully mentor and support as they learn the job.

The recent fans forum was very well attended, with a wide range of questions asked and answered. We continue to run the Club within its means, which is no easy task, as we are constantly under pressure to improve our income streams. But this is nothing new and should come as no surprise to anyone, it has been so for well over a decade. There are a number of options to explore, but again, these cannot be rushed and must be right for the Football Club. Rest assured, we will update you all when there is something to report.

In the meantime, please do all you can to support your club, every bit of help we can get will make a difference. We thank you all for your continued support, it really is appreciated.

SPECIAL MENTIONS

Phil Hawkes is at the match today, proudly joining the team onto the pitch whilst celebrating his stag weekend with friends and family who have joined him for the game. Phil will be marrying his fiancée Anna Cooper-Lloyd on 1st April next year. Phil and Anna have close bonds with the Weymouth and Portland area and visit throughout the year whenever possible. They are both foreign language teachers and live in Norwich.

Peter Dare is a 70 years plus Weymouth fan and is currently a resident at Maiden Castle Care home in Dorchester. Due to suffering from Parkinson's this will be his first opportunity to attend a game for a few years.

He is greatly looking forward to an escorted visit to the 'Bob Lucas' for the visit of Yate Town on 1st November, and is particularly looking forward to meeting Steve Claridge.

Martin Byrne.

Martin's family are joining us today in memory of their grandfather.

"Earlier this year, we lost our beloved grandad very suddenly to cancer, with only a couple of weeks to come to terms with his diagnosis. It's been a deeply emotional time for us all.

He has lived in Weymouth as long as they can remember and was a true family man. Even while ill, he travelled daily to Poole to visit our nan, who suffers from advanced dementia. One of the few things that gave him joy and a breather from the challenges of life was attending matches at the club. The club meant the world to him, and he spoke often of the comfort and pride he felt being part of the community.

When we think of Weymouth, we think of Grandad."

Thomas Taylor

Good afternoon all and a warm welcome to all the players, staff, and supporters of our visitors from Yate Town. We hope you enjoy your visit (without winning) to the Bob Lucas Stadium and have a safe trip back to South Gloucestershire.

So, after a month on the road, it feels good to be back at home. Having been to all the games in October it definitely felt like a month of two halves. Wimborne and Poole away were frustrating and also humiliating in the case of the latter. However, the win at high flying Farnham who were unbeaten, having taken Sutton United to a fourth qualifying round FA Cup replay, coupled with the fact we only had twelve players was simply incredible. To come back from behind after initially going ahead shows the spirit we all know we have in the club. A special mention to Euan Pollock who suddenly morphed into Paolo Maldini against Farnham and was simply outstanding. Hungerford last Saturday was a bit of a bore draw, but I felt like it was one of those games a month or so ago we would have quite easily lost. But also, a special shoutout to all the fans who made the trips to any of the away fixtures in October. It is our support that will be the 12th man this season.

Our opponents this afternoon sit right below us in the table going into today's game. The Bluebells picked up their first away win of the season against our last home opponents Tiverton Town so hopefully they do not make it back-to-back away wins this afternoon. The Bluebells pipped Evesham United to the Division One South after 2 seasons away from the Southern Premier League. Personally, I think it may be a struggle for them to keep their status in this league, but stranger things have happened in recent years.

Last time out at home was a convincing 4-1 win against Tiverton Town. If we continue the progress of recent weeks against Farnham and Hungerford there is no doubt we can win this game today. It might be too early to mention must win games but if we are to bring a bit of stability after the recent turmoil's then we simply have to win and make the BLS a fortress again.

Let us get behind Steve and the boys this afternoon and get that second home win.

C'mon you Terras!

STATS AND FACTS
**NUMBERS BEHIND
THE GAME**
VS
Yate Town

It may not seem like it to some with long memories but its been over a quarter of a century since our last competitive meetings against the Bluebirds of Yate Town.

What memories they were though, as six points gained in two Southern league fixtures helped the Terras to the championship of the then titled Southern league (Southern division) and promotion back up to step 2 of non-league football.

In the first meeting of that campaign it was a 4-2 score line that sealed the win, the crucial goals coming from a David Laws brace, Andy Mason & Mark Robinson adding one each to the tally. For the return game in March it was Robinson who bagged all the goals for the Terras, a hat-trick in a 3-1 victory.

That famous 1997/98 campaign was actually the fourth consecutive season in which we had faced the South Gloucestershire based outfit in the league, with the vast majority of fixtures resulting in Terras wins.

The only blots on the copy book from a Weymouth point of view were a 1-1 draw at home on the August Bank Holiday Monday in 1996 and our solitary loss against this side, a 1-3 reverse at home in 1995 under Trevor Senior.

The only other time we have met outside the quartet of league seasons was in a 2015 friendly, Stuart Yetton & Jordan Copp rustling the onion bag once apiece in a 2-0 win.

All the above means we are currently defending a seven game unbeaten run against our visitors this weekend including that friendly and we have scored in every one of our nine encounters.

Yate were promoted to this division as champions back in April, mirroring Weymouth's achievement some 26 years before. For the Terras of course they were heading in the opposite direction in the spring meaning these teams were plying their trades two divisions apart just a few months ago.

By Jon Couch

THE week leading up to Halloween proved to be something of a horror show for Non-League bosses everywhere as the managerial merry-go-round clicked into overdrive.

As a result, it caused endless nightmares for us at NLP Towers as the news pages had to be constantly updated and, in the case of John Coleman's Friday afternoon arrival at Aldershot Town, ripped up and rewritten completely.

We were perhaps given a sign of what was to come when Kettering Town announced the departure of Simon Hollyhead just minutes after their 4-0 defeat at Redditch United on Saturday with the former assistant at Champions League side Malmö having resigned from his Poppies' post at two days previous.

It's fair to say it wasn't a good week for Isthmian League bosses with a high percentage of departures coming in and around the M25.

Club legend Drew Cooney left East Grinstead Town after four years in charge.

Cooney made over 500 appearances for the Wasps before taking over the hotseat in 2021.

He quit after picking up just one win from his opening 11 games in charge of the Isthmian South East club.

League rivals Hastings United also made a change with former Whitehawk boss David Altendorff replacing Lee Carey in the U's hotseat, while former England manager Peter Taylor stood down at Isthmian North side Canvey Island after five months in charge following the Gulls' midweek defeat to Benfleet in the Essex Senior Cup.

Tilbury too have new joint-bosses with George Christou and Jack Toghli coming in for Marc Harrison and Liam Wallace, who left the Dockers by mutual consent.

It was all change also at Lewes after it was announced that popular former boss Craig Nelson had returned to the Dripping Pan hotseat after six months away, replacing Bradley Pritchard.

Nelson steered the Rooks to their best league start in over a decade last season before being snapped up by Tonbridge Angels.

There's no busier owner in English football right now than Bracknell Town's Kayne Steinborn-Busse. He is looking for his FIFTH manager in the space of just 17 league games after dispensing with former Wealdstone and Notts County assistant Matt Saunders.

Saunders had just one point and an FA Cup win over Tadley Calleva to show for his seven games in charge of the Robins – a tenure which will be remembered for releasing the club's two longest serving players after questioning the commitment of the senior members of the squad.

Perhaps the highest profile departure last week was that of Altrincham chief Phil Parkinson after eight years at Moss Lane.

The 44-year-old led the Robins to two promotions in three seasons, from the NPL Premier to the National League, and then a play-off campaign in 2023–24, where they finished fourth before falling to Bromley in the semi-finals.

However, after losing a plethora of key players in the summer, including the likes of Regan Linney, Justin Amaluzor and Alex Newby, the Robins have struggled to find the same consistency this season and Parkinson leaves after a seven-match unbeaten league run.

Altrincham will now be looking to appoint a new man in charge, much like league rivals Aldershot Town, who brought in John Coleman to replace Tommy Widdrington, who left a fortnight ago, and has since rejoined Eastbourne Borough.

Harsh perhaps on Alan Dowson, who took interim charge of team affairs for Saturday's trip to Scunthorpe and told The NLP of his desire to make the most of his opportunity in the Shots hotseat.

Dowson, the former Woking, Hampton & Richmond Borough and Kingstonian boss, has now left the EBB Stadium and looking for his next challenge.

At Step 5, Richard Brodie left Glossop North End after two years in charge of North West Counties League side and is now back playing with former club Skelmersdale United at the age of 38.

Dan Bailey quit as player/manager and coach of Combined Counties Premier North strugglers Virginia Water, Mark Scott resigned from South West Peninsula Premier East side Axminster Town after a 12th successive defeat and Clay Cross Town's management team of Ian Cotton, his assistant Ian Birtley and player/coach Kieran Coupe joined United Counties Premier North rivals AFC Mansfield.

Aaannnnnd breathe. Until the next instalment anyway.

Happy Halloween everyone.

THE TOUCHLINE

Darren is a former England youth international who began his professional football career with Bristol Rovers in 2005, later playing for clubs including Torquay United, Weston Super Mare, Gloucester City, and Chippenham Town. His career included multiple loan spells and returns to previous teams, reflecting a long-standing presence in non-league football. In November 2023, he was appointed as the club's manager - he guided Yate Town back to Step 3 of the English football league system, leading them to the 2024/2025 Southern League Division One South Title.

Woods Words

Richard Wood

I truly cannot remember where we were the last time I wrote!

So much has happened, on and off the pitch!

People have come and gone, mostly gone at the time of writing, but I am sure we will see some new arrivals over the coming weeks.

Looking at things on the pitch, it was a good win here the last time we played, a 4-1 win against Tiverton.

Things looked to be on the up, but we crashed and burned at Poole.

I didn't make the trip to Poole, but I did watch the stream and I have to say it has been a long time since I saw a Weymouth team look so timid in a local derby.

Contrast that to a magnificent display of determination at Farnham just seven days later and it was chalk and cheese.

After going 1-0 and then 2-1 down in the first half, it was easy to think that we were in for another tough final score line.

But no, every one of the lads put in a great shift.

We even had Euan Pollock at centre back!

And only two substitutes.

The normal thing to happen after a good result in recent years is for us to lose the next match, but again only having two substitutes at Hungerford we put in another shift to come away with a point.

People are rightly wary of mentioning "turning points" and the like, but I just hope we are now looking more organised and as the manager said in a recent interview, they know what is expected of them at points in the games.

So, as I have already said, much change at the club.

Back to today though and it would be very handy to try pick up three points to follow up a couple of good results on the road
'till next time,
Up The Terras!

Weymouth in the Community

As we approach the end of another busy term, it's the perfect time to reflect on what has been an incredible few months for Weymouth in the Community. Our mission has always been to use football as a way to bring people together, inspire the next generation, and create meaningful opportunities across the local area, and this term has truly shown that in action.

Over the past few weeks, we've been delivering after-school football clubs across multiple schools, helping children of all abilities develop both on and off the pitch. One of the things we're most proud of is the progress we've seen, from students who began the term with little confidence now thriving week after week, to already talented players continuing to return and challenge themselves. Striking that balance between enjoyment, inclusion, and performance is never easy, but this term has been a real success story.

We've also just completed the first block of our new Development Centre, and what a way to finish! The sessions have been some of our best yet, with a real buzz around every training evening and numbers continuing to grow week by week. A special highlight was getting the chance to hold one of our sessions on the Weymouth FC pitch, giving

players a taste of what it's like to train where the Terras play, an experience they won't forget anytime soon.

Our Matchday Mascot experience continues to be one of our most popular community activities, giving young Terras fans a chance to create unforgettable memories. Each home game, our mascots get the incredible opportunity to meet the players, join in the warm-up, and walk out onto the pitch in front of the crowd. It's been fantastic to see so many smiling faces take part already this season, and with interest growing every week, it's clear just how special this experience is for the next generation of Weymouth supporters.

As we look ahead to the next term, it's not just the number of participants that continues to rise, but also our coaching team and the range of opportunities we're able to offer. This growth perfectly represents what we're striving for in the community: progress, passion, and positivity.

Weymouth in the Community

Our latest community initiative, the Half-Time Crossbar Challenge, kicks off this matchday! Supporters will have the chance to step onto the pitch at half-time and test their skills in a fun, crowd-energising challenge – all while raising funds for both the club and the community. It promises to be a fantastic addition to the matchday experience, bringing fans even closer to the action. Further details about how it works can be found below...

If you'd like to find out more about what we do, explore opportunities for your school, or book a session, visit our website at <https://weymouthitc.co.uk> or find us on social media under Weymouth in the Community.

⚽ Half-Time Crossbar Challenge! ⚽

We're thrilled to introduce our brand-new Community Crossbar Challenge, taking place every home game at half-time!

Here's how it works:

Before kick-off, raffle tickets will be on sale for £1 each. Two lucky winners will be announced at half-time, both over the tannoy and on the pitch's electric board, for the chance to step onto the pitch and take one shot from the edge of the D to hit the crossbar!

If you hit it, you take home 50% of the total pot. If both players hit, you'll split it 25% each, with the remaining 25% going to the club and 25% supporting Weymouth in the Community.

If no one hits it, the prize fund rolls over to the next home game, so it keeps growing until someone lands the perfect strike!

It's a fantastic opportunity to get out on the pitch at half-time and be part of the matchday experience. Players of all ages are welcome, under 13s will need to be accompanied by an adult to take the shot, and under 16s will need an adult present to collect any winnings.

So grab your tickets before kick-off and get ready for your chance to hit the bar, win big, and support your club and community!
