FROM THE BOARD ROOM

I'd like to take this opportunity to highlight the ongoing work taking place around the stadium, driven by the dedication of our members and volunteers. From the redevelopment that will transform the boardroom into a far more functional non-matchday space, to the installation of new heaters in the main bar — sourced through Edmundson Electrical with the support of Matt Krause — every improvement is helping to move the club forward.

The club and its facilities within the stadium continue to develop, and the recent refurbishment of one of our rooms is another example of the progress being made through the commitment of our volunteers. All of this sits alongside the outstanding condition of our pitch.

We received numerous compliments after yesterday's match about the quality of our ground, and quite rightly so. There was nothing to fault — we even had praise for how straight the lines were marked. Our pitch is one of the best at our level, and arguably beyond. This is a testament to the hard work of our volunteers and the improvements undertaken across the club.

These developments reflect the way our club operates behind the scenes: modern, proactive, and committed to being different from many others. It's something we can all be proud of.

FROM THE DUG OUT

Good afternoon and welcome to everyone as we host Basingstoke Town in the Southern Premier League. It's been a topsy-turvy sort a couple of weeks as we've won one, drawn two and lost one of our last four games. Certainly the game away at Walton was on paper the toughest, and that's exactly how it proved as without doubt they've been the best team we've played.

Looking back at the game we certainly weren't our most fluent and preparations for some of the players were hardly ideal and led to a slightly lethargic display, but even if we'd been our best it would've been difficult. There are lessons to be learned all the time and certainly training at 9 o'clock on a Thursday night has to be taken into consideration when you're getting back late and then face a long journey on Saturday morning and certainly something we will be looking into as the season progresses.

In the main, I've been pleased with the response from all the players but this feels like another juncture in our journey where we've just plateaued off a little and certainly there is a need for us to bring more players in who will be competitive for a first team place and it is really something that we've tried to address almost from minute one. Yes, there are players out there but most are miles off the level that we require and I really don't want to go back to a situation we inherited when I first came here so it very much is a case of being patient and waiting for the right ones .

Can't leave these notes without a huge thank you to everyone who continues to follow this Football club Home and Away, your support is what sets this football club apart and I speak for everyone at the club when I say how much we all appreciate the fantastic backing we receive, enjoy the game thanks for coming and stay safe.

Enjoy the game. Stay safe.

Good afternoon to you all and welcome back to the Bob Lucas Stadium. I would like to offer a warm welcome to the officials, staff and players of Basingstoke Town, hope they enjoy their brief stay with us and wish them safe travels.

We are here today on the back end of a defeat at the current league leaders last weekend, which was preceded by a three game unbeaten run in the league, something we have not experienced for some time. Today we start again on what we hope will be another run of positive results from a batch of games that come thick and fast during what's left of this month. We are home again next Tuesday versus Taunton, followed by two away games in a week, rounding off the month at home to Uxbridge. There are some tough fixtures in amongst that lot, but I think we need to lift the mood and start being more positive about our prospects. It can be infectious, so lets walk round with a smile on our faces, share a laugh and enjoy this journey we are on. No one wants to be in the position we find ourselves in, but it is only through hard work and positive action and energy that we will improve our lot. So, please do your bit and sing for the lads and be that twelfth player.

You will see by the club shop door we have a graph of how much money we have donated to the club so far. We will keep this updated as the season progresses, so you can see the impact your support has. We all continue to work hard on your behalf to give you a club to be proud of. We can only do it with your help and backing.

Thank you all for your continued support, we really do appreciate it.

Thomas Taylor

Good afternoon, everyone and a warm welcome to the players, staff, and supporters of our visitors from Basingstoke Town today. We hope you enjoy your visit (without winning) to the Bob Lucas Stadium and have a safe trip back to Hampshire later on.

Tuesday night was what can be only described as absolutely crazy. Nine goals, ten men left on the pitch and a long term injured Calvin Brooks coming on to play in goal for the injured Ben Clark. I don't think we can take much from that performance apart from eventually getting over the line against a courageous Bridport side.

Our visitors this afternoon have had a fairly steady league season so far with three wins in their last six games and sit 13th in the table with five wins to their name this season. Our visitors will be hoping for a more stable season than last when they stayed in the Southern Premier League South by just two points in that almighty scramble towards the end of the season. They should have enough to stay in this league again this season.

Last time out at home was that agonising late goal that robbed of us of a deserved three points against Yate Town. For the majority of that game, we did not really give Yate much of a sniff, but our small squad eventually just ran out of legs, and we sadly could not hold on. However, if there is a positive from that game it was that a few months back we would have gone on to lose that game. Hopefully, this afternoon we can write the wrongs of last time at home and bring home a much needed three points.

Let us get behind Steve and the boys this afternoon and get that second home league win.

C'mon you Terras!

Thomas

STATS AND FACTS
**NUMBERS BEHIND
THE GAME**
VS
Basingstoke Town

I normally start these narrative bits by looking at the most recent encounter between the sides in question but it is almost impossible to ignore a certain 2010 fixture and hone in on that one first.

The fact that the score line was 6-0 to our rivals that day is not that remarkable but the fact one man scored all six most certainly is. Stand up a certain Mitchell Bryant with an incredible double hat-trick! (To be honest we were already fed up with him before that game as he plundered a brace in a 1-2 Terras loss earlier in that Conference South season!)

Recent times have been happier for the Terras when playing “The Stoke” however as we enjoyed a fair amount of success against the Hampshire side in three consecutive seasons in the southern league from 2016/17 until our promotion in the 2018/19 campaign.

Over that trio of seasons we amassed four wins and a draw against the boys in yellow and blue with the solitary loss being our most recent meeting, a 1-2 loss in February 2019.

Looking back, we also played (and lost) in the FA cup qualifier in 2012 but enjoyed an unbeaten four game spell over two more Conference South campaigns in 2004/05 & 2005/06. The first of those games was under the stewardship of a certain Mr Steve Claridge but on the pitch as player-manager he could only help to engineer a 1-1 draw.

Ironically our previous meeting to that one was a 1986 friendly when a teenage Claridge scored in a 2-2 draw.

The only other times we have locked horns were a quarter of minor cup games in the 1970's – the very first time we exchanged pennants at kick off being a southern league cup tie in 1971.

By Jon Couch

FOR managers, it's an extra three minutes to deliver the finishing touches to your pre-match team talk.

For fans, it's a chance to grab a quick coffee or spend in the warmth of the clubhouse bar.

Three minutes. One hundred and eighty seconds. It doesn't sound a lot, but it could make all the difference to the National League's 3UP campaign as it continues to ramp up pressure on the EFL to finally put a third promotion spot into League Two on the agenda.

This afternoon, over 200 clubs from Steps 1 to 4 will kick-off at 3.03pm in 'A Day of Action' to raise awareness on the issue with the Premier League and a large percentage of the EFL away on international duty.

National League chiefs and clubs have been pushing for an extra promotion place for a number of years to align with the rest of the English pyramid.

But while the EFL acknowledge it should be up for debate, the matter is yet to be officially brought to the table despite chairman Rick Parry's promise to "look downwards as well as upwards".

A recent Football Supporters' Association poll revealed 93 per cent of all supporters support the move, while 83 per cent of fans of EFL clubs are so in favour.

But Football League chiefs say any deal would have to form part of any funding agreement with the Premier League so with the two bodies at a stalemate amid the wait for the incoming Independent Football Regulator, National League chiefs have decided to up the stakes amid fears it could be years before EFL clubs vote on any changes.

National League vice-chairman and chair of the 3UP steering committee Steve Thompson MBE has been a key part of the push and he wants their message heard.

He told The NLP last week: "The games kicking off at 3.03pm is really going to shine a spotlight on it.

"We've got MPs from all over the country going to these games.

"It's not just the 12 National League games. While National League North and South aren't playing league games because it's FA Trophy, the Trident Leagues are also supporting it. That's fantastic.

"The whole football family at Non-League level sees how important it is."

So important that, In recent months, clubs and the league have been engaging with their local MPs with more than 100 – and members of the London Assembly – pledging their support.

And last week Sir Keir Starmer “commended” 3UP at Prime Minister’s Questions with over 60 MP’s actively supporting the campaign.

The Department for Digital, Culture, Media and Sport (DCMS) has formally “recognised” that 3UP’s ambitions tie-in with the football regulator’s objectives with a Backbench Business Debate planned later this month, as well as two supportive Early Day Motions.

“I was blown away,” Thompson said of the political support received.

“So many MPs are season ticket holders at their local club. They realise how much their clubs do in their community. They realise how much the owners and chairs of those clubs do in the community.

“The fear is if you have this bottleneck and owners don’t think there is a realistic chance of being promoted they will walk away. You need that competitiveness. It creates a healthy eco-system in football and that’s what we face losing.

“The EFL say they’ve got to look down as well as up. Well, look down a bit more.”

History shows there is no competitive imbalance between the National League and League Two.

No club has ever been relegated back into Non-League the season after they won promotion while Luton Town went through to the Premier League and others, including Yeovil Town, Doncaster, Burton Albion and Wrexham, have reached the Championship.

“There’s over 30 clubs in the EFL that have been in the National League at some stage or another,” Thompson added.

“There’s Wrexham now in the Championship. There are 19 League Two clubs that have been in National League. Half of the National League have been in the EFL.

“There’s nothing to fear but there is this bottleneck.”

This afternoon, fans from clubs up and down the country will be involved both on the terraces and via social media making their voices heard.

For 180 seconds at least the floor is theirs. That’s got to be worth raising a glass to.

THE HISTORY OF...

Basingstoke Town FC were formed in 1896 following a merger of Aldworth United and Basingstoke Albion. They joined the Hampshire League North in 1903 and were champions in both the 1911-12 and 1919-20 seasons.

Following the end of the Second World War, Basingstoke Town moved in to it's historical home at The Camrose.

After league reorganisation, Basingstoke were placed in Hampshire League Division One where the team finished as runners-up in 1965-66 and 1966-67, before eventually winning the league in 1967-68. After finishing as runners-up again in 1968-69, Basingstoke Town won back-to-back titles in 1969-70 and 1970-71, remaining unbeaten in the latter season.

In what was a successful few years for the club, Basingstoke moved up to Division One South of the Southern League. Their first season in the Southern League saw 'Stoke reach the first round of the FA Cup for the first time, eventually losing 5-1 to Northampton Town.

The club remained in Southern League Division One South until 1979, when league restructuring saw them placed in the Southern Division. Basingstoke won the division in 1984-85, earning promotion to the Premier Division.

Two seasons later Basingstoke Town were transferred to the Premier Division of the Isthmian League. Although they were relegated to Division One at the end of the 1987-88 season, they made an immediate return to the Premier Division after ending the following season as runners-up.

The 1989-90 season saw the club reach the first round of the FA Cup again, eventually losing out 3-2 in the Second Round Proper to Torquay United with an attendance of 4091 at The Camrose.

In 1993-94 Basingstoke were relegated to Division One, returning to the Isthmian Premier Division in 1996-97 after finishing as Division One runners-up.

1997 was a monumental year for Basingstoke Town – conquering league opposition for the first time, beating Wycombe Wanderers 5-4 on penalties after a 2-2 draw in a replay; the attendance of 5,085 was a new record for the club. The FA Cup Second Round saw Basingstoke take Northampton Town to a replay, before eventually narrowly losing out, 4-3 on penalties.

Basingstoke again reached the FA Cup First Round in 1998, losing 2-1 to AFC Bournemouth.

THE 'STOKE

As part of league restructuring, Basingstoke Town formed part of the newly-formed Conference South in 2004/05.

In 2006, whilst bottom of the Conference South, Basingstoke Town defeated League One Chesterfield Town at Saltergate 1-0 in the FA Cup First Round, before losing to local neighbours Aldershot Town in a Second Round Replay.

'Stoke lost 1-0 to Brentford at Griffin Park in the FA Cup First Round in 2011 before reaching the Conference South play-offs later that season. Basingstoke again reached the Conference South play-offs again in 2014/15, losing in the semi-finals on each occasion.

Basingstoke most recently reached the FA Cup First Round in the 2015/16 season, losing away 1-0 to Cambridge United.

In a troubled period for the club, it was relegated to Southern League for the 2016/17 season and again relegated to Southern League Division One South in 2019 after being evicted from its Camrose ground.

Basingstoke Town went through a transition period, becoming a community-owned football club, and was forced in to a ground-share at

Winchester City FC in 2019 before returning to the town in 2020 at Hampshire FA's Winklebury Football Complex, where the club currently plays.

Fortunes turned and the club was moved sideways to the Isthmian South Central Division for the 2021/22 season, finishing fourth and eventually losing out in the play-offs.

Basingstoke Town went one further in 2022/23 season being crowned 2022/23 Isthmian South Central Division Champions on a dramatic final day. The club also went on to win the North Hampshire Cup and the Hampshire Senior Cup, defeating AFC Bournemouth with a 95th minute winner at Fratton Park - securing a historic treble.

In 2023/24 Basingstoke were promoted to the Southern Premier Division, with a respectable 12th placed finish in their maiden season back at step 3.

KEEP AN EYE ON

Simon Grant joined Basingstoke in early 2024 and quickly became an important part of the team following a string of impressive performances between the sticks. Previously of Marlow, Granty is a big character and a natural leader which makes him someone who can be relied upon in many situations.

Club Captain Billy Upton joined Basingstoke Town from Badshot Lea in the summer of 2022. The imposing fan-favourite holds great aerial abilities and is aggressive in the tackle, but also boasts real quality on the ball. He has won Player of the Year in successive seasons. A lovable menace.

Marcus Johnson-Schuster; in his third spell at the club, has been a consistent performer at right-back for 'Stoke. He's an excellent defender and a great reader of situations and uses his experience to lift those around him

Josh Green, an ex-Reading FC academy player joined towards the end of last season and made an instant impact. A high energy, box-to-box midfielder with a great pass and brilliant tackler. Previously of Rayners Lane and Southall.

THE 'STOKE

Charlie Austin is an ex-premier league striker who scored for Southampton FC on his debut at Old Trafford. Started in non-league with Hungerford & Poole Town and went on to carve a brilliant career at a professional level...

Robbie Gallagher the whirlwind. Brought in from Didcot Town and made an instant impact with his desire and willingness to win the ball. An unbelievable work-rate with quality to match, a menace to any defender

Scott Armsworth, now in his seventh season at the club, was an acquisition from Fulham FC and although last season he was largely hampered with injury, he was an integral part of Basingstoke's treble winning success the season before. Calm on the ball and a good aerial presence.

Woods Words

Richard Wood

The last league game here against Yate Town was a very frustrating watch after playing really good football in the first half, we did tire, which is understandable with our very small squad and limited options on the bench and unfortunately we couldn't quite see it out with the equaliser going in with virtually the last kick of the game.

It was frustrating as I felt we just about deserved the win but you have to see it out, even if it goes beyond the allocated injury time stated.

One point that a few picked up on, was how close the referees kit was to Yates kit, when you consider the fiasco that occurred in another league match recently, that clash of kits was nowhere near as close, I must admit as I was filming the game the referee kept blending in with Yate Towns players, so I don't know if that has an effect on the pitch, I assume so, but for some reason this was not a problem.

The trip to Walton and Hersham would have been a tough one even with a full squad and after a being able to frustrate them for a while we went in at half time 2-0 down and two late goals again meant we left with a 4-0 defeat which buy all accounts was a little flattering to Walton, but it meant they continued their unbeaten start at home to the league and we all know they're going to be up there at the end of the season.

So out of the two matches, the home game against Yate was the one that frustrated me the most as a fan.

Home form over the last few years has been pretty poor really and we tend to get some really good away results more often than home ones, but the majority of the fans who pay to watch us here it has been frustrating that we have been given scraps when it comes to positive results over the last few years.

On to Tuesday evening in the Dorset Senior Cup and Bridport were unlucky not to have pulled off a bit of a shock.

Despite three divisions between us and the fact that we had the majority of the first team available we teetered on the brink until Brandon finally ended the struggle with a late goal.

We have conceded four goals against Bridport and of course Tadley Calleva this season.

I know we probably were not going hell for leather in the County cup, but still, it shows a lot of work still needs to be done.

'till next time,
Up The Terras!

Callum's fundraiser for Mental Health Foundation

I'm going to be running 2-5k a day this whole month to raise awareness for mental health. This charity means a lot to me! Any donations are appreciated ❤️

Matt's fundraiser for Weldmar Hospicecare

In April 2026, I will be taking on the challenge of running the London Landmarks Half Marathon in memory of my father Peter Pavey who passed away in December 2024. I am raising money for Weldmar Hospicecare who were fantastic in the latter stages of Dads illness and provided excellent care at their hospice for him in his final few days. Thank you so much in advance for donating whatever you can, it really will make a difference.

Weymouth in the Community

Spotlight on Paul Rogers – School Coach

This week, we're shining a light on one of our fantastic coaches within Weymouth in the Community - Paul Rogers.

Paul is a dedicated member of our coaching team and also serves as the Assistant Coach for the Weymouth FC Women's side. His passion lies in delivering disability and school-based sessions, where he works hard to ensure football is accessible, inclusive, and enjoyable for everyone involved.

Paul plays a key role at St Andrew's after-school club, where we've seen brilliant growth across this term. Numbers have increased from around 15 to over 25 children each week, and the progress in ability, confidence, and enthusiasm has been fantastic to watch. Paul's calm, supportive coaching style continues to help children of all levels feel welcome, challenged, and proud of their development.

One of Paul's biggest passions is disability and inclusive football, and we're excited to share that he is working behind the scenes to begin shaping a dedicated disability football session in the near future, something he is deeply committed to bringing to the community.

Away from the school sessions, our website is the best place to stay up to date with everything we offer. From mascot experiences, to after-school clubs, to our new Half-Time Crossbar Challenge. You'll also find full booking links and information for all our community projects.

Weymouth in the Community

⚽ Half-Time Crossbar Challenge! ⚽

We're thrilled to introduce our brand-new Community Crossbar Challenge, taking place every home game at half-time!

Here's how it works:

Before kick-off, raffle tickets will be on sale for £1 each. Two lucky winners will be announced at half-time, both over the tannoy and on the pitch's electric board, for the chance to step onto the pitch and take one shot from the edge of the D to hit the crossbar!

If you hit it, you take home 50% of the total pot. If both players hit, you'll split it 25% each, with the remaining 25% going to the club and 25% supporting Weymouth in the Community.

If no one hits it, the prize fund rolls over to the next home game, so it keeps growing until someone lands the perfect strike!

It's a fantastic opportunity to get out on the pitch at half-time and be part of the matchday experience. Players of all ages are welcome, under 13s will need to be accompanied by an adult to take the shot, and under 16s will need an adult present to collect any winnings.

So grab your tickets before kick-off and get ready for your chance to hit the bar, win big, and support your club and community!

Weymouth FC Women

Last weekend the women's first team didn't have a fixture. The development team travelled to Longfleet Lionesses in Poole and came out 2-1 winners.

The ladies showed great courage and determination to get over the line in a hard fought 2-1 victory against Longfleet. It was a tense encounter throughout, as the small pitch and Longfleet's preference to sit deep and play direct made it difficult for us to find space and rhythm.

With patience and persistence, we managed to break them down and take a well deserved 2-0 lead. However, a lapse in concentration 80 minutes in allowed Longfleet to pull one back. From there, they threw everything forward, and we had to defend for our lives in the closing moments.

In the dying seconds, Longfleet were awarded a penalty, but PPOTM Daisy came up huge, producing a brilliant save to secure all three points. Her composure and excellence throughout the game were outstanding!

Managers Player: Laura Luxton (Stretch) – A rock in both central defence and midfield, Laura showcased her defensive mastery and tireless work rate, making vital contributions at both ends of the pitch!

Players Player: Frankie Townsend – Deployed in an unfamiliar wide midfield role, Frankie used her blistering pace to stretch the opposition and capped off her performance with a fantastic strike!

A special mention to our other goal scorer, Seymour, who finished clinically after a terrific team move in the build up!

A brilliant all round team effort. Well done girls!

This weekend with no first team game again the development team go to Poole once again to face Poole Borough in a league fixture on Sunday at Turlin Moor Recreation Ground 2pm kick off. Come and show some support and cheer the girls on!
