FROM THE BOARD ROOM

We're back home now, a few days on from the Basingstoke Town match, and it's hard not to feel a bit frustrated. Losing league games to the likes of Basingstoke or conceding late equalisers against teams like Yate is tough to take, but we always knew this was going to be a challenging season. There's no magic wand we can wave to instantly get the players we need. We're working incredibly hard behind the scenes – scouting, recruiting, making approaches, and dealing with agents. Some of the players we're looking at haven't played in the English leagues before, so we're even having to deal with international transfers, which adds another level of work.

But for me, this season was never just about the next few months – it's part of an 18-month plan. Of course, stability right now is vital as continuing in this league, but we also can't afford to repeat mistakes from previous years where we've gone into the summer without a proper foundation in place. We have to make sure we're building on something, not starting from scratch again.

And it's worth saying that recruitment wasn't just hard for us. A lot of clubs struggled over the summer – I've spoken to plenty of people at other teams, and many were right up to the deadline before they even had enough players to meet the league minimum. It's affected clubs above us, below us, and it's like nothing we've really seen before. So while we have to take responsibility for areas where we didn't get things right, it genuinely wasn't just a Weymouth issue.

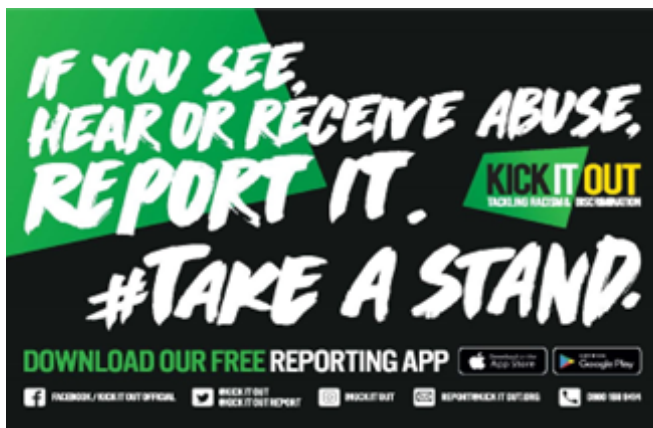

FROM THE BOARD ROOM

That's why we're already making sure we have players contracted for next season. We have signed 2 players on a contracts till the end of next season and we're about to secure our third contract extension, and look to add to that further. I know it might feel a bit draining at the moment when results aren't going our way, and I completely understand why. But what we are doing is making a conscious commitment to the long-term future of this club, rather than just focusing on the here and now like in previous years.

It might not be the most exciting message when you're watching us on a Saturday and want to see instant results, but hopefully it gives a bit of insight into where we're heading — building something sustainable, properly planned, and not just living season to season anymore. Up the Terras!

FROM THE DUG OUT

Good evening and welcome everyone to the Bob Lucas Stadium, including our opponents Taunton Town. Firstly I'd like to thank everyone that came on Saturday and gave me such fantastic support. I must admit it really was a tough one to take... Defeat.

Basingstoke having completely dominated the first half, we really should've put the game to bed with the chances that we had but we finished up going in one all after Basingstoke scored with their only real chance they had of that half.

That was a disappointment but to lose Euan to a hamstring injury in a position that we already had a player suspended in was a real blow. I think everyone would agree if it stayed fit we would've won that game but unfortunately the margins are so small with regards to the playing staff that we have one injury and that can change the whole balance of the side which was evident in the second half.

I'm as frustrated as everyone with the lack of numbers but what people have to realise is that when I came to the club it wasn't just a case of bringing three or four new players in. It's been really difficult, only having two subs on the bench. We played well for most of the game and we were well tuned for the first 50 minutes against a good side. But then they ran out of puff and we didn't have anyone to put on. When you come to a club and you would probably need to get three or four in just to freshen up, this is what we've already done but it needs nine or ten which is virtually impossible in a short space of time at this juncture of the season.

I understand it's very difficult to ask people to be patient, but I think we have to look at the bigger picture which is certainly a lot better than before we took over. Certainly, the level of performance at times has been really good, but we must be more clinical in our good periods as most of the good sides in this league are.

Thank you to everybody who has come tonight as it's always much appreciated and hopefully with a little bit of luck and a fair wind we can get the result that you deserve.

Enjoy the game and stay safe.

FROM THE SA PETE NASH

Good evening everyone and welcome back to the Bob Lucas Stadium for our game under the lights on a cold and crisp autumn night. I would like to offer a warm welcome to the officials, staff and players of Taunton Town, hope they enjoy their brief stay with us and wish them safe travels.

It was a very frustrating day all round on Saturday. On the balance of play and chances created, it is a game we should have won. But unfortunately, failing to make the most of our dominance and taking the chances we created, particularly in the first half, coupled with losing Euan for the second half, meant we were all left disappointed come the final whistle. But have to put it behind us, we can't change it so we go again tonight.

It will of course not go unnoticed that we are in our away kit for tonight's game! This is clearly not ideal, Joe our kit man had it all ready for our trip to Havant and Waterlooville on Saturday, and will now have to find time to get it prepared once again. The reason this has come about is due simply due to our visitors Taunton Town's home kit being similar to ours and their away kit being all sky blue! We did not have a great deal of options, Taunton being unable to facilitate an alternative in the time available. I know there will be lots of why didn't this happen or why didn't that happen, but at the end of the day, we have made the gesture in order that the game can go ahead without any issues. A game recently postponed due to kit issues initially, then latterly a pitch issue, so it was not something we could take lightly. Hence we are in the away kit.

Remember to keep an eye on the new graph of money we have donated to the club to date.

Thank you all for your continued support, we really do appreciate it.

Thomas Taylor

Good evening, everyone, and a warm welcome to the Bob Lucas Stadium to all the players, supporters, and members of staff of our visitors Taunton Town. We hope you enjoy your evening (without winning) and have a safe journey home later tonight.

Saturday felt such a disappointment after what was on the whole a good performance. The first half apart from the equalising goal was superb. Some fantastic individual performances were on display especially as that of the captain for the night Andreas Robinson who I thought was outstanding in the middle of the park. If a bit of luck had gone our way we could have easily wiped the floor with a poor Basingstoke side. But alas some basic errors again are costing us dear which urgently needs putting right.

Our visitors this evening like us have not had the best run of form recently with only one win in the last six games which was away at Hanwell Town. The Peacocks had after a turbulent end to their brief stint in the National League South a steady and impressive ninth place finish in the Southern Premier League South last season. Like ourselves they are striving to get back to the sixth tier again although they are in better shape than us to achieve that at the moment.

We have a very good record against the Peacocks who have not tasted victory against us since winning on boxing day in 2022 and since then our opponents have only picked up two points against us with all of them being at home. Hopefully, this evening we can build on this form against our visitors and get that second home league win of the season.

Once again let us get behind Steve and the boys.

Cmon you Terras!

STATS AND FACTS
**NUMBERS BEHIND
THE GAME**
VS
Taunton Town

Our record against our relative neighbours is generally good, especially in our last four meetings as we are currently protecting a four game unbeaten run against the Peacocks from three conference south fixtures in 2022-24 and our first meeting this season. Our last loss was when the visitors won 3-1 at the Bob Lucas stadium on Boxing Day 2022, an Ahkeem Rose equaliser on the stroke of half time in vain. We did exact revenge though crucially on the penultimate day of last season when our “great escape” was almost complete.

Our most recent encounter was on matchday 7 of this campaign when a Bearwish strike on the hour was cancelled out by a Simpson leveller with 10 mins to go.

Before this decade only two of our encounters have been in the league, both in our 2018/19 Southern League title winning season when we claimed a win and a draw.

Sandwiched in-between those league games was an FA Trophy first qualifying round tie that The Terras won in Somerset by three goals to one. The previous season we played the similarly-liveried team in a pre-season friendly and we were again the victors.

Before that time, apart from another two friendlies, our remaining jousts are limited to a variety of cup competitions, most notably five match-ups in the FA Cup qualifying rounds when we progressed on each occasion (although twice we were taken to a replay). This series included our first ever meeting in any form in 1973/74, a 2-1 win. There was also one other FA Trophy win in 1978/79 and a southern league cup game success in 2003/04. Our other six meetings are all in the much-maligned Western Counties floodlit league & cup in the 1980s.

THE HISTORY OF...

The present Taunton Town Football Club was formed in December 1947 by a few local businessmen and played their first friendly fixture during Easter 1948. They then played on a number of grounds such as Mountfields, French Weir, Victoria Park, Huish Old Boys and finished up at Denman's Park, Haines Hill.

Having joined and played in the Somerset Senior League. The club gained admission into the Western League in 1953 and moved into Wordsworth Drive, where they continue to play today.

The club struggled financially and depended heavily on a very active Supporters Club during the late 50s and early 60s. 1968/69 saw an upsurge in the club's fortunes with manager Doug Hillard securing the Western League championship for the first time.

During the middle 1970s Ron Gingell became manager and the club were runners up for four consecutive seasons. In 1977 the club were elected and they became a limited company in 1981. The new board soon decided that Southern League football was too expensive and the club reverted to the Western League in 1983. Seven years later the championship pennant returned to Wordsworth Drive under the management of Keith Bowker.

Russell Musker was appointed manager in November 1994 and another champ-

ionship followed in 1996. After two seasons as runners up three consecutive titles followed together with the club's first ever Cup success – a 2 – 1 victory over Berkhamsted Town in the F A Carlsberg Vase final at Aston Villa's newly modernised Villa Park stadium. This ended a sequence of 18 defeats in cup finals since the 1950s. Another Cup victory was achieved in 2003, lifting the Somerset Premier Cup for the first time with a 2-1 win over Yeovil Town in a final played at Clevedon Town's Hand Stadium.

Peter Beadle took over as Manager in 2005 but left after only 14 games to join Newport County and former Hallen manager Gary Domone stepped into the hot seat – after a disappointing start results began to improve and the club won its second Somerset Premier Cup by beating a strong Mangotsfield United side at Weston super Mare. Domone resigned as Manager in December 2007 and was replaced by Ian Jones, who himself resigned in April 2009.

Former player Paul West, who lifted the F A Vase in 2001, took over and rebuilt the team with a local emphasis. West left the club in May 2012 and was replaced by Leigh Robinson. In the previous season the club finished with a run of nine consecutive victories culminating with the club's third Somerset Premier Cup triumph, beating Frome Town 1-0 in the final played at Paulton Rovers FC. This was

THE PEACOCKS

especially notable as no goals were conceded in five games.

In July 2010 Tom Harris stepped down as Chairman after 29 years and was replaced by Kevin Sturmey who also took on the roles of Chief Executive and Head Groundsman. Since then the club have made major improvements on and off the pitch, continuing to maintain the ambitions to play at a higher level.

Off the field the club suffered a major blow in July 2011 when the clubhouse was badly damaged by a fire which was caused by an electrical fault – what remained of the clubhouse was extensively smoke damaged and the whole building had to be demolished. A mobile bar was brought in on matchdays but the following year a modular building was opened despite the original builder going into administration.

2014-2015 was one of the most successful seasons in recent history with fourth place in the League, and the retention of the Somerset Premier Cup, beating Yeovil Town in the final. We also retained the Southern League Groundsman of the Year award and were in face voted the second best club at Step 3 & 4. Our programme also won a prestigious award being voted the best in the Southern League and 18th nationally.

The club reached the play offs for three seasons in a row but finally it all clicked and the West Division title was clinched by a massive 19 points with only one League defeat all season.

Manager Leigh Robinson left in September 2018 but the club maintained its successful run under head of football Rob Dray, assisted by coach Matt Villis. The club finished runners up in the Southern League Premier Division South, but lost out to Poole Town in the end of season play offs as well as reaching the Fourth Qualifying Round of the FA Cup before losing 1-0 to Billericay Town in a replay.

After two seasons which were curtailed due to the coronavirus pandemic the club won the Southern League Premier Division South in 2021-22 which elevated the club to the National League South, its highest level ever. The first season was seriously disrupted by Cup runs and bad weather but the club finished just below half way, an incredible effort. The second season also started well but a combination of reasons saw the club finish in a relegation spot so we returned to the Southern League.

Last season we finished in a respectable ninth position but with far too many draws, 18 in the League, so turning draws into victories will be a priority this season.

KEEP AN EYE ON

Frankie PHILLIPS

Signed on a season-long loan from Exeter City, Frankie Phillips became The Peacocks' new number one following the departure of Josh Gould in the summer of 2025. He reached the Southern League Division One South play-off final in 2024–25 and was voted Supporters' Player of the Season after keeping an impressive 21 clean sheets across the campaign.

Niall THOMPSON

Niall joined from rivals Tiverton Town in the summer of 2025 and quickly settled into The Peacocks' backline, combining physicality with valuable experience. He began his career at the Torquay United Academy and had loan spells at Weymouth and Bideford before a six-year stint with Truro City. He later helped Tiverton Town retain their Southern League Premier status on the final day of the 2024–25 season.

Matty CARSON

An attacking left-back, Carson came through Southampton's academy, where he lifted the U18 Premier League title in 2022, and has also represented Northern Ireland at U21 level. Last season, he made 40 appearances and scored four goals for Torquay United. Earlier this campaign, Carson enjoyed a successful loan spell with Weymouth, scoring once in four matches.

THE PEACOCKS

Jack RICE

“Ricey” returned for a second spell with The Peacocks on loan from National League North side Chorley FC. After an impressive stint, the move was made permanent with an 18-month contract through to the end of the 2025–26 season. A dynamic midfielder capable of playing across the midfield and in the number 10 role, Jack regularly contributes goals and assists.

Ben SEYMOUR

Ben joined on a season-long loan from Torquay United. His pre-season form showed he's among the best forwards in the division when firing. He spent the latter half of the 2024–25 season on loan at AFC Totton, helping the Stags earn their first-ever promotion to the National League South.

FROM THE TOUCHLINE

Richard LUFFMAN

Richard has managed over 500 games as a manager at Tier 4 and 5. Has a win percentage of nearly 70%, winning 8 trophies along the way. Richard has managed at Otterbourne, Alresford, and Cribbs where he led the team to the Hellenic League Title alongside the League Cup. Richard left Cribbs in Feb 2024 in 3rd place of the Southern League Division 1

Woods Words

Richard Wood

Frustrating is a word I am getting very used to at the moment.

To lose the game on Saturday really was a kick in the teeth, after starting so well in the first half and deservedly taking the lead, but we were unable to add to it and the inevitable happened with the equaliser.

So we went in at 1-1 when we should have been well clear at the break and of course they went 2-1 up and then we can't get back into it and three points slip away again.

It's hard to take to lose when you're not playing well, but it's doubly so when you do play well and still don't get the result.

To hit both posts in an attack really takes some bad luck and then of course they hit the post and it goes in for their goal which is just how it's running at the moment.

Again we are still short on players, but as the manager has said in his interviews it's proving to be very difficult to bring in anyone better than what we already have, we've traveling being an issue and one or two other things.

The crowd of around 800 wasn't too bad when you consider the run of results and that we are again battling at the bottom of the table, but we really could do with putting some results on the board or it is going to be a very hard long winter and season if it isn't already.

It is very draining to be constantly fighting relegation it has to be said.

If we could start the season again, I'm sure we may have been able to get to the players we need, but at this point to come in with players under contract at other clubs it makes it very difficult.

Generally in most of the games I've seen we've actually played well, but in key moments we are not quite dealing with things and it's costing us dearly.

Every game we have at the moment looks a real challenge, especially with us not being able to field a full complement of players, but we must keep battling on and hope that something changes, we could do with that happening tonight but as we know Taunton will be another very tough test.

'till next time,

Up The Terras!

Mascot Corner

Our mascot programme continues to be a huge highlight on matchdays. At our recent home fixture against Yate Town, we welcomed six brilliant mascots, all full of excitement and pride.

One mascot told us afterwards that the best part was "holding hands with the Weymouth captain Tom Bearwish and walking out onto the pitch – it was amazing!" Moments like these are what make the experience so special.

Weymouth in the Community

⚽ Half-Time Crossbar Challenge! ⚽

We're thrilled to introduce our brand-new Community Crossbar Challenge, taking place every home game at half-time!

Here's how it works:

Before kick-off, raffle tickets will be on sale for £1 each. Two lucky winners will be announced at half-time, both over the tannoy and on the pitch's electric board, for the chance to step onto the pitch and take one shot from the edge of the D to hit the crossbar!

If you hit it, you take home 50% of the total pot. If both players hit, you'll split it 25% each, with the remaining 25% going to the club and 25% supporting Weymouth in the Community.

If no one hits it, the prize fund rolls over to the next home game, so it keeps growing until someone lands the perfect strike!

It's a fantastic opportunity to get out on the pitch at half-time and be part of the matchday experience. Players of all ages are welcome, under 13s will need to be accompanied by an adult to take the shot, and under 16s will need an adult present to collect any winnings.

So grab your tickets before kick-off and get ready for your chance to hit the bar, win big, and support your club and community!

Weymouth FC Women

Dorset Women's Recreational League action this weekend saw the Women take on a spirited Poole Borough side in Turlin Moor.

The girls were on it from the off, with Annie Redding scoring within 15 seconds of the Kick Off, another goal from Redding and one from Laney Stone gave us a 3-0 lead at the Half Time Mark.

The second half was no different with a further 2 from Redding, taking her tally to 4 and one from Laura Seymour as well as an Own Goal as a result of some brilliant hard work by Coral Stephens allowed us to walk away as 7-0 victors after a thoroughly enjoyable afternoon.

The Women are back at home this Sunday as we host Shaftesbury Reserves at the Stadium in a 2PM Kick Off, as we look to continue our winning ways!

Fixtures:

Sunday 23rd November 2025 - HOME v Shaftesbury Reserves

Sunday 7th December - AWAY v Swanage Town and Herston

Sunday 14th December - HOME v Ridgeway Ladies

Matt's fundraiser for Weldmar Hospicecare

In April 2026, I will be taking on the challenge of running the London Landmarks Half Marathon in memory of my father Peter Pavey who passed away in December 2024. I am raising money for Weldmar Hospicecare who were fantastic in the latter stages of Dads illness and provided excellent care at their hospice for him in his final few days. Thank you so much in advance for donating whatever you can, it really will make a difference.
