# FROM THE BOARD ROOM

It's been another challenging week for the club.

Matchday preparations were thrown into chaos on Saturday when we learned early in the morning that our goalkeeper was ill. As we moved quickly to bring in the backup, we discovered he was also injured. With the squad already stretched thin, it was a moment that really tested us.

A huge amount of credit must go to Calvin, who stepped up without hesitation and handled the situation brilliantly. Thrown in at the deep end, he produced several excellent saves, and showed exactly the kind of character and commitment we value at this club.

These recent weeks have highlighted how demanding things have been for the squad. With limited numbers, the players have been asked to push themselves through shortfalls, and the consequences have shown physically – fatigue, knocks, and the inevitable strain that comes with carrying extra load. Despite all of that, the group has continued to give everything, and their resilience deserves real acknowledgement.

The good news is that we're now entering an important phase of rebuilding. We've had new additions coming in, with more players arriving through loan signings. This extra depth is something we've desperately needed, and it will allow us to build a more stable foundation moving forward.

From day one, Steve has spoken about this being an evolutionary process, about improving the quality step by step. We already have a very strong nucleus of a team; now it's about adding two or three key individuals, strengthening the bench, and creating the resolve required to turn our strong spells of football into consistent winning performances. With the right pieces added, we believe we can convert the promise we've shown into the points we need.

Today, we welcome Berkhamsted, and we hope you'll get right behind the lads. Your support means everything. Together, we'll push for the result you want – and that we all want.

Enjoy the game, and thank you  
for your continued backing.

# FROM THE DUG OUT

Good afternoon and welcome everyone including our opponents Berkhamsted to today's game. It's difficult to know where to start, after what's happened over the last couple of weeks. From going from the first time this season where we nearly had a fit squad to losing seven first team players in just over 10 days has left us in a virtually impossible position and to make matters worse the injuries sustained seem to be long-term. Add to that the fact that David Mantle has been recalled and Calum Watts has left through personal circumstances, two huge players may I add and I'm sure everyone will agree that we certainly deserve a change of luck.

We have managed to get one or two in but the constant chopping and changing in personnel is far from ideal, however it does give people an opportunity and it's up to those players that come in to state their case. I don't think anyone can knock the player's efforts. The only thing I would say is that we really do need to start getting the rewards for our performances and last Saturday against Chertsey was a perfect example. Even with Calvin Brooks in goal we played really well first half, but we weren't able to take advantage of the chances we created, whereas Chertsey scored with their first and only chance of the half.

A little bit of luck wouldn't go amiss either as we had a perfectly legitimate goal not given just before they scored and I think that sums up the way things are going in a nutshell. I know it's difficult because these are really frustrating times but now more than ever we will have to try and stick together to come through this tough period which I know you as supporters will and it's up to me as a manager and the players to keep working as hard as they can to try and turn things around which I can promise you will continue to be the case.

Once again, thank you all for coming.  
You're fantastic support is always appreciated. Enjoy the game and stay safe...

4 – Calum Watts (WEY)

3 – Tom Bearwish (WEY), Ryan Blake & Michael Herding (BER)

Another tricky preview to write as this is the first time we have ever played this Hertfordshire outfit! I have also failed to find any players that have played for both teams, not helped by the fact our visitors were only founded in 2009!

However, two of the current Comrades side have featured against the Terras and one of them as recently as last season. Berkhamsted goalkeeper Charlie Horlock was playing for Slough last season and graced the Bob Lucas stadium in the last weekend of March, returning back to Berkshire having to pick the ball out of his net four times as the Terras scored that many without reply. He did have more luck though in the first meeting against Weymouth back at the end of August and secured a clean sheet at Slough's Arbour Park in a 1-0 victory to the home team.

The other player I have discovered who has played against us claret & blues is Ryan Blake who was in the Chesham United side that faced us back in the 2018/19 season.

In my continuing efforts to fill column inches I have looked at Terras players birthdays on this day and I have found full back Jimmy Ashall was born 91 years ago this Saturday. Derbyshire born, made his name playing for Leeds United but only managed 89 appearances for the Yorkshire side before heading down south to play for the Terras in the early 1960's. Here he spent two seasons with the team as a full back in his late 20's before moving on to Gloucester City in 1963. (There is a great photo on the interweb of him playing for Leeds in 1960, jumping high for the ball against Everton at Goodison Park).

Lastly, to fill a bit more blank space, we can look at our record in years gone by on this date in history and it is fair to say it's a "mixed" picture with 4 wins, 6 draws and 6 losses on 13 December in yesteryear. The last occasion was just three years ago when Ash, Matsuzaka & Rose all scored in a fine 3-1 win away to Worthing in the conference south. However we have to go back to 1947 to find our last home win on this very day, a 4-2 victory over Chippenham Town in the Western league.

## Thomas Taylor

---

Good afternoon, everyone, and a warm welcome back to the Bob Lucas Stadium for today's fixture as we host Berkhamsted. We extend a first-time welcome to the supporters, players, and officials making the trip down from Hertfordshire, and we hope you enjoy your visit and have a safe journey home later on (minus the three points, of course).

Last Saturday at Chertsey was emblematic of this club over the last five years. Absolutely no luck and poor refereeing decisions. Despite the result last Saturday in the first half, we were comfortably the better side and (should have) gone in a couple of goals to the good at half time. But despite those same old issues of lack of squad depth and having to have an Injured Calvin Brooks in goal (who did admirably) was always going to catch us out in the end.

Today's visitors, Berkhamsted, as with Uxbridge last time out at home, are another unfamiliar opponent for us, but one who continues to grow in confidence at this level. After a steady start to the campaign, their recent league form has been a real mix of narrow defeats and gritty draws, punctuated by the occasional standout win that shows their potential. They've proven they can frustrate sides when they get their shape right, and they've also shown they're capable of taking chances when they do create them.

We can't afford to underestimate them. These are exactly the sorts of fixtures we have to take control of — especially here at home. Turning the Bob Lucas back into a difficult place for visiting teams is crucial if we're to push ourselves clear of danger. Performances against higher-placed teams have often brought the best out of the lads; now we need to show the same levels of hunger, energy, and discipline against the sides around us.

Let's get behind Steve and the boys this afternoon, as loud as ever, and drive them on to what would be a big three points heading into the busy Christmas schedule.

Come on you Terras!

# CLUB HISTORY

The new club was formed in 2009 under experienced manager Micky Vipond and won the Molten Spartan South Midlands League Division 2 title in its first season, losing only once each at home and away. The team were again champions in 2010–11, this time by 15 points and were unbeaten at home in the league with the total of 107 points highest in the season for any club in the non-league pyramid that season, prompting the Herts FA to award the club the prestigious Stanley Rous Memorial Trophy (named after a former local referee and administrator who rose all the way from West Herts football to the top job at FIFA).

This second successive promotion was into the Spartan Premier Division, where the club then stayed for 8 years. The team then won promotion to the Southern League Central Division 1 under Steve Bateman by finishing as Premier Division runners-up in 2018, helped by Matt Bateman's 44 goals, and in 2020 Berko were leading the Southern League Central Division 1 when the season was abandoned due to the pandemic. The club then finished as runners-up in 2022 but went out at home to North Leigh in a play-off semi-final after extra time. Finally, in 2023, the club earned its overdue and well-deserved promotion, winning the title by a 19-point margin, and completing a notable double, also winning the Herts Senior Cup beating Hitchin Town on penalties in the final, having knocked out St Albans U23 on the way. As well as winning four divisional team of the month awards, the Comrades were awarded the Sir Stanley Rous Memorial Trophy for the second time.

The club made its FA Cup debut in 2011 with an away win over Crawley Green, followed by a trip to Clarence Park, but the game with St Albans City was goalless, then exiting at Broadwater in the replay.

In 2022/23, Berko went on a strong run knocking out Ware, Whitton Town, and Concord Rangers at home before going down in the 3rd qualifying round 2–0 at Banbury United, who like Concord were two divisions higher up the pyramid than the Comrades. To date, this is the club's furthest progress in the FA Cup, an achievement matched in 2023/24 with another run to the 3rd qualifying round ending with a 1–0 defeat at AFC Totton.

2023/24 also saw Berkhamsted challenge for the first time at step 3 level, but ultimately end in disappointment and relegation back to the Southern Central Div 1.

2024/25 saw the Comrades return to Step 3 for the second time in their history after beating Flackwell Heath 5–0 in front of a record crowd (1,963) in the Southern League Div One Central Play Off Final.

The club nickname is "The Comrades" in recognition of the club being formed in the town by servicemen returning from the First World War more than 100 years ago. Berkhamsted FC also runs a number of side teams for under 18s in the Southern Counties Floodlit Youth League, and a Ladies team who play on Sundays in the Beds & Herts Women's League.

# Woods Words

Richard Wood

A battling draw here at the Bob Lucas last time out in the league against Uxbridge was followed by a bit of an unusual game at Chertsey, when we found out late on that we were without goalkeeper Ben Clark for the fixture and Calvin as ever reliable filled the breach, even though he himself was injured and would not have been anywhere near the squad in normal circumstances.

We are so lucky to have players like Calvin at the club, who we know lives and breathes claret & blue and he will never let us down.

Listening to Ben's commentary (welcome back Ben by the way) it sounded as though we gave it a real good go in the first half and unluckily we went 1-0 down and we also had a goal not given, which many people felt had crossed the line, but that's football, you get those decisions sometimes and sometimes you don't, however the lack of numbers and the fact that we had an outfield player in goal did eventually tell and a 4-0 score line was the final result, but many people who were there felt that flattered Chertsey but you can only keep trotting out the hard luck story so many times.

Tuesday night's Senior Cup game saw a few new players pull on the claret & blue against youthful Wimborne side.

Despite going 1-0 down, we did turn the game around and were as you'd expect the better side for the majority of the game, running out 4-2 winners in the end, but it was nice to see some new players pulling on the Terras shirt and hopefully we will see them again this afternoon.

It was a shame to see Callum Watts leave, but obviously a change in his personal circumstances means he has moved back to the London area and he obviously wants a club closer to his home and we can all understand that, but I liked what I saw of him when he was with us and I hope he goes on to have a good career in the game.

Today we have a very tricky opponent who are doing quite well this season so far, getting some good results, so we are once again as we say every week, up against it, but let's hope things can start to turn with lady luck, something that we have also been without most of the season.

'till next time,

Up The Terras!

SERIAL winner David Nugent enjoyed after a long and distinguished professional career at the likes of Bury, Preston North End, Portsmouth, Burnley, Leicester City, Middlesbrough, Derby County and Tranmere Rovers.

The striker lifted the FA Cup with Portsmouth in 2008 and won the Championship with Leicester in 2013-14. He also represented England, scoring in his solitary Three Lions appearance in a 3-0 win over Andorra.

But after more than four years "happily retired" and focused on being a dad, Nugent is back in football with Anstey Nomads after accepting an invite to dovetail his work towards a UEFA B licence with player-coach duties at Cropston Road.

And, thus far, it has been the perfect partnership so far. Not only is player-coach Nugent enjoying a new lease of life, but the Step 4 Nomads have picked up 25 points from a possible 30 in NPL Midlands since his arrival.

They include the scalps of higher-ranked Stratford Town and Bedford Town in a club-record FA Trophy run that has teed up this afternoon's third round trip to National League Hartlepool United.

"[The buzz] is coming back," Nugent told The NLP last week.

"When I retired I just wanted to stay away from football as much as possible. I wasn't playing how I wanted to and it ended quite badly really.

"I was a striker, I wanted to score goals and run in on the back of defenders and I couldn't do it anymore. I would break down with little niggly injuries, I was 36 and started to wonder whether I needed it.

"Towards the end I went on loan at Tranmere in League Two and didn't really play – that was time up for me.

"Like anyone, I wanted it to end happily but it didn't turn out that way so I left football behind thinking I would never get back into it but Conrad (Logan, Anstey manager) and all the lads here have been different class.

"We play football, we don't just lump it forward, and that is credit to Conrad and players, so the love for the game is starting to come back and I am enjoying watching rather than playing."

Nugent's Nomads are among a number of lower-ranked clubs looking to cause a major Trophy upset in a fascinating array of ties this afternoon.

Step 4 Clitheroe host star-studded York City, while Southern League Premier Central high-flyers Harborough Town, no strangers to producing the odd cup shock over the last couple of seasons, welcome Mark Hughes' Carlisle United to Bowden Park.

Hanwell Town manager Chris Moore heads back to his former club Dagenham & Redbridge, while Step 4 pair Leatherhead and Harrow Borough will be sensing a golden opportunity as they lock horns at Fetcham Grove for a place in the last 32.

National League leaders Rochdale go to Step 2 strugglers Leamington, while holders Aldershot Town make the short trip down the M3 to top-flight rivals Eastleigh.

And the trio flying the flag for Non-League are all in action also; Macclesfield go to National League North rivals South Shields, Boreham Wood host Brackley Town and Weston-super-Mare face a tough trip to take on Robbie Savage's Forest Green Rovers.

In the Isuzu FA Vase, holders Whitstable Town are safely through to the fourth round on January 17 after a 3-0 win over Eastbourne United last Saturday.

There, the Oystermen make the trip to Harpenden Town, who were 3-2 victors over Haringey Borough.

Vase debutants Lymore Gardens continued their incredible run with a 2-0 victory over fellow Step 6 side Halesworth Town. Next up for the Eastern Counties League side is a trip to Reading City, themselves enjoying a best ever run in the competition.

Another Step 6 side, Nelson, were rewarded for their fine 3-0 away win at Ramsbottom United with a tough trip to West Didsbury & Chorlton, while Droylsden will host Sherwood Colliery and Bilston Town take on Gresley Rovers.

Seven ties fell victim to the weather last Saturday so try again this afternoon. They are: Winsford United v Prestwich Heys; Gornal Athletic v Grantham Town, Tunbridge Wells v Windsor & Eton, Bovey Tracey v Downton, Slimbridge v Amesbury Town, Buckland Athletic v Barnstaple Town, Hallen v Hamworthy Recreation.

The full fourth round draw is as follows:

Droylsden v Sherwood Colliery  
South Liverpool v Winsford United or  
Prestwich Heys  
Chadderton v North Shields  
West Didsbury & Chorlton v Nelson  
Coventry United v GNG Oadby Town  
Bilston Town v Gresley Rovers  
Heather St Johns v Gornal Athletic or  
Grantham Town  
Tunbridge Wells or Windsor & Eton v Fisher  
Reading City v Lymore Gardens

Benfleet v Punjab United  
Cockfosters v Crawley Down Gatwick  
Great Yarmouth Town v Haywards Heath  
Town  
Harpenden Town v Whitstable Town  
Hallen or Hamworthy Recreation v Hythe &  
Dibden  
Buckland Athletic or Barnstaple Town v AFC  
Stoneham  
Bovey Tracey or Downton v Slimbridge or  
Amesbury Town

# Weymouth in the Community

As we come to the end of another busy and successful school term, we are excited to reflect on the progress made and the new initiatives we've launched across the community. One of our biggest steps forward this term has been the start of a new partnership with Beechcroft Primary School, where we are now delivering intervention sessions, lunchtime activities, and after-school clubs. We look forward to continuing to support the pupils and staff going into the new year.

With our programmes expanding, Weymouth in the Community is looking to grow the coaching team in 2025. If you are passionate about coaching and want to be part of our ever-growing community projects, we would love to hear from you. Please email [finley@weymouthitc.co.uk](mailto:finley@weymouthitc.co.uk) for more information or to express interest.

Our matchday Half-Time Crossbar Challenge continues to build excitement, with a number of close attempts but still no one managing to strike the bar. The pot has now rolled over to more than £100, ready to be claimed by the first person to successfully hit it. Tickets remain just £1, so make sure you get involved for your chance to step onto the pitch at half-time.

In recent weeks, we've enjoyed shining a spotlight on some of our coaching team, celebrating the incredible work they do. But it's also important to recognise the people who work tirelessly behind the scenes to keep everything moving. A special thank you goes to Iain Stone and Kate Berry, whose support and hard work are vital to the smooth running of our day-to-day operations. Their contribution is appreciated more than they realise.

# Weymouth in the Community

## ⚽ Half-Time Crossbar Challenge! ⚽

We're thrilled to introduce our brand-new Community Crossbar Challenge, taking place every home game at half-time!

Here's how it works:

Before kick-off, raffle tickets will be on sale for £1 each. Two lucky winners will be announced at half-time, both over the tannoy and on the pitch's electric board, for the chance to step onto the pitch and take one shot from the edge of the D to hit the crossbar!

If you hit it, you take home 50% of the total pot. If both players hit, you'll split it 25% each, with the remaining 25% going to the club and 25% supporting Weymouth in the Community.

If no one hits it, the prize fund rolls over to the next home game, so it keeps growing until someone lands the perfect strike!

It's a fantastic opportunity to get out on the pitch at half-time and be part of the matchday experience. Players of all ages are welcome, under 13s will need to be accompanied by an adult to take the shot, and under 16s will need an adult present to collect any winnings.

So grab your tickets before kick-off and get ready for your chance to hit the bar, win big, and support your club and community!
