FROM THE BOARD ROOM

The appointment of Steve Claridge in August brought stability and experience to our club, but it's the lads who step onto the pitch every Saturday that truly define our fortunes. What we're witnessing is a group of individuals coming together, working tirelessly to establish themselves as a cohesive unit capable of climbing the table.

While our current league position isn't where any of us want to be, what the table doesn't show is the character and determination being displayed by our squad week in, week out. The rebuilding process has seen significant changes to the playing roster, with new faces bringing fresh energy and commitment to the cause.

Every successful club goes through these transitional periods, and it's during these moments that we see the true spirit of our team emerge. The boys who have joined us recently are already showing they understand what it means to wear the Terras shirt. They're not just here for individual success – they're buying into something bigger, contributing to a collective effort that will define our future.

Recent months have seen significant changes off the pitch too, with boardroom restructuring that, while disruptive in the short term, positions us for more stable governance moving forward. These changes create the platform for our squad to focus on what they do best – representing this club with pride and passion.

Today's fixture against Plymouth Parkway marks our final home match of 2025, making it extra special for everyone connected with the club. The team knows the importance of every point at this stage of the season, and their commitment to turning our fortunes around is evident in training and on matchday. Each performance brings lessons learned and bonds strengthened.

FROM THE BOARD ROOM

Your continued support from the terraces makes an enormous difference to the lads. Every cheer, every song, every moment of encouragement helps drive them forward. In these crucial matches, that connection between fans and team can be the difference between disappointment and triumph.

We're not where we want to be yet, but we have a squad determined to change that narrative. Trust in their commitment, get behind Steve and the boys, and let's show everyone what the Terras spirit is truly about.

As we close out 2025 at the Bob Lucas Stadium, I want to thank our Monday Club Volunteer group who are gaining real traction on planned maintenance work, and our matchday volunteers. Together, they remain the beating heart of this club – we simply would not be here without all of them.

Looking ahead, mark your calendars for 27th December when we travel to face Dorchester in what promises to be a passionate local derby.

I would like to take this opportunity to wish all of our volunteers, squad, management, coaches, physio, stadium staff (even Kit Man Jo) and all of you loyal Terras supporters a very Merry Christmas and a Happy and Prosperous New Year.

Up the Terras!

FROM THE DUG OUT

Good afternoon and welcome everybody to today's game against Plymouth Parkway.

After what I can describe as a couple of really frustrating results in our last two games it really is up to us as a team to make sure it's not just a case of playing well but getting the right result into the bargain.

After everything that we've been through the players really do deserve a lot of credit for the way they've applied themselves and have deserved so much more but the one thing I know about them is they will keep giving everything to the very last second.

No one can deny the way you look at it from any perspective we have not had an ounce of luck and it really has been a case of just when you think you can't get any worse somehow it does.

Two things that give me real hope. The players still believe in each other and we're a team are creating some really good opportunities in games, meaning at some stage surely all that effort will be rewarded... From my own perspective, I have to look at what I've done and with the benefit of hindsight think if there's anything I could do differently, but the players are giving everything.

The shape of the side looks good but without a bit of luck as the saying goes "the best laid plans of mice and men..." anyway there's still an awful lot to play for and it's amazing what a couple of results can do and we have to try and make sure that that starts today.

Thank you for your magnificent support.

Keep believing enjoy the game and stay safe.

Events

We're currently working on a couple of events planned for the early part of 2026. Arrangements for this year's WFC Hall of Fame dinner evening are now well underway. As usual, fans will be able to vote for their choices from a list of nominees. We're also lining up a special evening with a very well-known local face. Look out for more information on both of those very soon.

Footie!

I couldn't be at the game last Saturday, but everybody that I've spoken to has said how well the lads played and how that late, late goal was a sucker punch. We know that the boys will be coming out today intending to put that right in front of the Terras' faithful. Let's fill the place with Christmas cheer and give them the support they need and deserve. The twelfth night stuff can wait a few more days, today you can be the twelfth man!

All that remains is for me to wish you all a Merry Christmas from all of us on the SA Board.

See you up at that place over the hill on Sat 27th.

STATS AND FACTS NUMBERS BEHIND THE GAME vs Plymouth Parkway

Today marks our first chance this season to “do the double” over a league opponents as Plymouth Parkway drive into town. We have earned this opportunity thanks to what proved to be the first and last league win under Warren Feeney this season when we travelled west on a warm August evening to grind out a 2-0 away victory. That evening we sat a dizzying 11th place in the table after 2 games, a season high, but can another win over the Bolitho Park based outfit see us at least start our climb away from the dangerous end of the table?

Apart from the earlier league game in this campaign, The Terras have only played Parkway once before now when coach Jason Matthews drove his charges to a 3-2 friendly win in Plymouth in 2014. On that day Jordon Copp, Shane Krac & Conor Jevon scored rockets for Weymouth, Levi Landricombe

A tandem of Weymouth scorers that day in Copp & Krac have also spent time at Parkway but others have taxied between both clubs. Most famously for Terras fans is Plymouthian Stewart Yetton (a “no nonsense” forward who plundered almost 100 goals earlier this century) but others include Mark Gammon(a winger from the 90’s), Ben Joyce(a forward from the 2010’s), Steven Colwell & Frankie Monk (both midfielders).

However there is one other familiar face in the current Parkway setup – non other than the Parkway manager Chris McPhee. The gaffer played 116 times for Weymouth over two spells – firstly in 2008/09 in the Conference National division and then again for two seasons from 2014 but this time in the Southern league.

Thomas
Taylor

Good afternoon, everyone, and a warm welcome back to the Bob Lucas Stadium for today's fixture as we take on Plymouth Parkway. We extend a welcome to the players, officials and supporters making the trip across from Devon and hope you enjoy your visit to Weymouth – though, as always, we are hoping the points stay firmly in Dorset.

Recent weeks have once again summed up life following the Terras. Performances have often deserved more than the results suggest, with fine margins, injuries and the odd questionable decision continuing to play their part. There has been no lack of effort or commitment from the lads, and at times the football has been more than good enough but turning spells of control into goals – and points – remains the challenge we are determined to overcome.

Today's visitors are another familiar face at this level in Plymouth Parkway, a side who have steadily established themselves and know exactly what it takes to be competitive in this division. They are well organised, hard-working, and capable of punishing mistakes if given the opportunity. Like many teams we face, they will arrive confident that they can get something from the game, which means we will need to be fully focused from the first whistle.

Matches like this are crucial, particularly at home. The Bob Lucas Stadium must once again become a place where visiting sides know they are in for a tough afternoon. When we set the tempo, move the ball with purpose, and show the fight that this club is built on, we have proven we can compete with anyone in this league. Consistency, discipline, and belief will be key as we head into a demanding festive period.

As always, your support makes a difference. Let us get right behind Steve and the boys this afternoon, lift them through the difficult moments, and help drive the team toward a vital three points before Christmas.

Come on you Terras!

Thomas

The Timeline

1980 – 1990

The club was originally formed in 1988 by Stuart Cadmore when a group of players left the youth team Plymouth Kolts and joined the Plymouth & District League in Division 4. In that same year the club secured sponsorship from Exeter Airport, and as part of that deal they changed their name to Ex-Air Flyers. They were the first club in Plymouth to be sponsored from outside the city limits. The club colours of yellow and blue are from the colours of the airport logo and remain the same today.

In their first season the club gained promotion and then moved to the Parkway Sports Club.

1990 – 2000

The club carried on being promoted in successive seasons until it reached Division one and was waiting to join the Premier Division when the Devon League was formed in 1992. The club decided to apply to become members of the Devon League instead as the Parkway Sports Club had sufficient facilities to join the league. Unfortunately, 1992/93 was their last to be known as EAF Plymouth FC as they finished bottom of the table, but a new era was just around the corner.

During the 1993/94 season, Plymouth Parkway FC underwent a pivotal moment in its history. Not only did the club change its name to Plymouth Parkway FC, but a new management team, led by Keith Pond and Gez Baggott, was persuaded to join. Before this, Pond and Baggott had achieved great success with Falstaff

Wanderers in the Plymouth & District league.

Upon their appointment, Pond and Baggott made drastic changes to the squad, bringing their entire successful squad from Falstaff Wanderers with them. The decision proved to be astute, as Plymouth Parkway FC finished joint second in their first season. Although they narrowly missed out on securing second place overall, they managed a commendable third place based on goal difference.

Despite their early success, Keith Pond decided to step down from his position at the end of the season due to family reasons, leaving Gez Baggott as the first-team manager. Baggott proved to be an exceptional leader, holding the position for an astonishing 14 consecutive seasons and two more later in the club's history, cementing his legacy in the club's remarkable journey.

After the successful 1993/94 season, Parkway enjoyed stability within the Devon League and were quickly making a name for themselves, which drew attention from the South Western League teams across the Tamar.

To prevent players leaving for a higher level of football, the committee and management at that time (1998) decided to join and compete at the same level.

The move proved an extremely wise decision as although playing against teams with higher resources, Parkway more than held their own in the South Western League.

Parkway left the 90's behind them with an 11th placed finish, winning 10 of their 36 fixtures.

2000 – 2010

On the eve of the 2000-01 season the club became homeless with the loss of the Parkway Sports Club due to a disagreement over the terms of the lease and subsequent maintenance costs. As a result, and with special permission from the league, the club spent that season having to play all its games away from home.

During their build up to the 2001/02 season the club announced they would be developing an area of Manadon as their new ground, to be known as Bolitho Park. While work was being completed, with assistance from Plymouth City Council, they used The Brickfields athletics ground in Devonport before they moved to their new and current home in August 2003.

Under the leadership of Chairman Jim Parsons and with the support of early sponsors such as

Plymouth Parkway – a history

Mortimers (Ian Mortimer), Gary Doel, and Gez Baggott Painters and Decorators, Parkway continued to perform well in the South Western League. However, the most significant progress came in terms of infrastructure at Bolitho.

In the 2006-07 season, the club made its debut in the FA Vase and achieved an impressive feat by reaching the second qualifying round. The following season saw the merger of the South Western Football League and the Devon County Football League, leading to the establishment of the South West Peninsula League, with Parkway as one of the founding members.

As the decade was nearing its conclusion, another vital addition to the club was Garry Turner, who joined as the groundsman, ensuring the playing field was well-maintained. A year later, Genny Turner also joined as the secretary, handling administrative responsibilities for the club. Both Garry and Genny Turner continue to hold these positions today.

2010 – 2020

The football club's identity is rooted in a determination to advance and excel both on and off the field. After spending nearly two decades in the South Western leagues, the club's leadership decided to formulate a plan to climb higher in the football hierarchy.

To achieve this goal, they recognized certain areas where Plymouth Parkway, as a business, needed improvement. This led to a busy summer before the 2016/17 season, culminating in a merger with another ambitious Plymouth-based football club named Bar Sol Ona.

The leadership structure saw changes as well, with Bar Sol Ona's Chairman, Mark Russell, assuming the role of Plymouth Parkway's Chairman. Lee Hobbs was appointed as the first-team manager, while the former Plymouth Parkway Chairman, Jim Parsons, transitioned into the role of Club President. Gez Baggott, the former General Manager, took on the position of Vice-chairman.

This merger injected renewed energy and ambition into the club, leading to increased financial capabilities. The board, which included long-serving Club Secretary Genny Turner and Treasurer Brian Martin, wasted no time in expressing their intentions by seeking promotion to the Toolstation Western Football League.

In 2015, life vice-president and founder member of Plymouth Parkway Stuart Cadmore, formed the Plymouth Parkway Supporter's Club. The supporter's club has become an essential and vital group within the football club, helping to develop and enhance the reputation, stature,

and progress of the yellows on, and off the pitch. The 2017-18 season was exceptional, with Plymouth Parkway achieving promotion as League Champions of the SWPL, having suffered only one defeat throughout the campaign.

The subsequent season of 2018/2019 proved to be equally impressive for Plymouth Parkway as they embarked on their first Western League campaign. They secured a runner-up position in the league and the Devon St Luke's Bowl. They also clinched victory in the prestigious Les Phillips League Cup.

2020 – present

The impact of Covid-19 on sports, including non-league football, was indeed significant in 2020. The decision to curtail the 2019-20 season came as a response to the government's lockdown plans to control the spread of the virus.

Parkway, being in second place with a strong position to compete for the top spot, faced disappointment due to the sudden suspension of the season. They were just three points behind the league leaders and had three games in hand, which could have potentially led them to win the league.

However, despite the challenges faced during the season, Parkway experienced a remarkable achievement when they reached the quarter-finals of the FA Vase. Unfortunately, their journey ended with a 2-0 defeat to Hebburn Town in the competition. Despite the loss, this achievement brought national exposure and recognition to the club.

The season's events were captured on film, leading to the production of a documentary titled "Round Our Way." This documentary gained impressive viewership figures, reaching over 50,000 views, and provided a unique insight into Parkway's journey through the challenging 2019-20 season and their historic FA Vase run.

The Yellows had a strong start to the 2020/21 season, leading the league with a 10-point margin after 13 games. However, due to the resurgence of Covid-19, the season was curtailed, and the government had no option but to enforce another lockdown.

The Football Association (FA) had plans to reshape the non-league pyramid before the season began, and following the second curtailment, they implemented the changes. As Parkway had been one of the best-placed points-per-game teams over the previous two curtailed seasons, they were awarded upward movement to the Southern League Division One South

Plymouth Parkway - a history

Division, which is step four of the non-league pyramid.

The Southern League adventure began with sad news that Charlie Baggott, a founder member of the football club had sadly passed away. Charlie played a crucial role in shaping the face of Bolitho Park and was a much-loved figure by everybody at the football club.

Further news was to follow ahead of the new season as Truro City would become ground-sharing neighbours following their departure from their home ground, Treyew Road. This new agreement would mark the re-development of Bolitho Park.

Bolitho Park had seen a mini redevelopment in previous years with the construction of a multi-purpose club house which provided modern amenities and facilities to the players and supporters alike. This addition not only elevated the infrastructure of the ground but also created a welcoming atmosphere for all.

The improvements extended to the playing surface, where extensive work was carried out. One of the most significant enhancements was the construction of the "Charlie Baggott stand." This 250-seater stand was aptly named after a cherished figure in the club's history, honouring the legacy of an individual who had contributed significantly to Plymouth Parkway's growth.

Further elevating the fan experience, the ground saw the addition of covers to three sides of the stadium. This provided much-needed shelter to supporters, allowing them to cheer on their team regardless of weather conditions. These additions added a new dimension to the Parkway experience, making it a more comfortable and enjoyable destination for fans.

Parkway's promotion to the higher division was met with scepticism and questioning during the start of the 2021-22 season. As the season progressed, their performance in October was particularly dismal, leading to even more doubts and criticism from pundits.

However, Parkway managed to turn things around in the latter part of the season. After the Christmas period, the team seemed to find their rhythm and began performing at their best. The players came together, and the squad started to gel, resulting in a remarkable resurgence.

This newfound momentum culminated in a historic moment for the club as they secured the league title on their very first attempt in the Southern League. Parkway managed to finish the season three points ahead of their nearest rivals, Frome Town, underlining their dominance in the league.

The historic moment was again captured on film by Parkway Media, who chronicled every thrilling moment of the remarkable season. "Round Our Way Again," immortalised the emotions and celebrations that swept through the fans and players alike. The show's popularity soared, with viewing figures again exceeding 50,000, spreading the story of Parkway's journey to glory far and wide.

Last season, the football club more than held their own in the Southern Premier South Division and after a difficult start, the club finished in the top 10 and established themselves as a step 3 footballing club. What's next? Join us at Bolitho Park and become part of the history!

I've run out of things to write.

Last week we played really well and to have come away with a point would have been scandalous, to come away with none was an absolute outrage.

But as the saying goes in football, if you don't take your chances there's a chance you're going to be punished and we seem to be punished every time at the moment.

The fact that Berkhamsted scored very late in the injury time they more or less created just rubbed salt into the wounds.

With their celebrations it gave the impression that we are still a top club, as Steve Claridge said it was like they had just beaten a top three side, not a bottom three side and that's what we are up against, we are still looked at in some quarters as being a big scalp, even though at the moment it would be suggested we are not.

If you look back at the last few games as a conservative estimate I would say we could at least have another four to five points at the very low end. Matches where we were 2-0 up and drew, a missed penalty which meant we would have won, that's without really looking at it too much.

Those four or five points would make the league table look a bit different, it's tight and we only have to have a couple of wins to pull out of it, but we are looking a bit of a way off of that at the moment.

Things may change obviously, but it does need to happen soon and I keep saying this every time I write, but it really is getting to the point now where we need to start putting some wins on the board and at home is our best chance of doing so.

Plymouth Parkway will be thinking exactly the same, looking at the league table you would have to say Tiverton will have to do a lot to get out of their situation, but there are still three relegation spots available for the unlucky ones and we have to try and make sure we are not one of them.

There was some worrying news during the week about finances, so quite where we are with being able to do that is another question, but we have been here many many times before so what is different this time.

As these notes are being written on Wednesday evening, a lot could have happened by the time you read this.

All that is left for me to say is I hope you have a Merry Christmas and a Happy New Year! With two Dorset derbies coming up lets hope so!

'till next time,
Up The Terras!

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

HARBOROUGH Town posted a great picture on their X account the morning after defeat to Carlisle United in the Isuzu FA Trophy.

Bees manager Mitch Austin was sat in an empty changing room, shooting the breeze with Carlisle manager – and Manchester United legend – Mark Hughes.

Austin's Southern Premier Central side had pushed the National League big guns all the way in a 2-1 loss.

It's not all that long ago Harborough were playing Step 5 football. It's not all that long ago Carlisle were celebrating promotion to League One.

Back-to-back relegations as seen the Cumbrians slip into Non-League and while their fans may not put the FA Trophy at the top of the priority list, the picture was a reminder of what a great competition it can be.

Yes, Harborough were knocked out but across last weekend's third round there were underdog stories to savour.

Take Clitheroe beating York City. The National League promotion hopefuls made a raft of changes but they needed hot-shot Ollie Pearce on the pitch to score an equaliser in the ninth minute of stoppage time to send the tie to penalties.

Clitheroe won out and manager Sean McConville – who has played in the EFL – was unable to contain his emotion at the result.

"I can't believe it," he said, choking back tears. "It's such an emotional day. I've got my son crying his eyes out. It means a lot." Up next is a trip to Scunthorpe United!

Anstey Nomads stunned Hartlepool 2-1 – Pools only grabbing a late consolation – which boss Conrad Logan labelled the best day in the club's history.

They will be looking to repeat the feat when they travel to FC Halifax Town in the New Year.

Walton & Hersham dumped Sutton United out, too, on a busy day that showed us how the competition brings special moments every season.

There are just 32 clubs left on the road to Wembley – four more wins is all it takes to reach the big stage in May. In recent seasons we've seen Step 2 clubs make the final and, of course, Hornchurch even won it when they were at Step 3.

Perhaps it's too early still to start dreaming. But we're looking forward to seeing more memories made between now and Non-League Finals Day.

Weymouth in the Community

As we approach the end of the year, we're proud to share that our Development Centre has now concluded for 2025, finishing off another outstanding block of sessions. Despite some challenging weather conditions along the way, every single session went ahead as planned. Something that highlights the commitment of both our coaches and players.

Throughout the block, we've seen numbers continue to grow and, just as importantly, a clear improvement in ability, confidence, and understanding of the game across all age groups. The Development Centre has once again proven to be a fantastic environment for players to be challenged, supported, and pushed to reach their potential.

We're excited to confirm that the Development Centre will return in the new year, and we encourage anyone interested to keep an eye on our social media channels and website for sign-up information and start dates. Sessions cater for a range of age groups, and spaces can fill quickly.

Looking ahead, 2026 is shaping up to be another jam-packed year for Weymouth in the Community. We have ambitious goals, new projects in the pipeline, and a continued focus on growing our reach, increasing opportunities, and making football accessible for everyone within the community.

Thank you to all players, parents, schools, and supporters who continue to support our work. We look forward to building even bigger and better programmes in the year ahead.

⚽ Half-Time Crossbar Challenge! ⚽

We're thrilled to introduce our brand-new Community Crossbar Challenge, taking place every home game at half-time!

Here's how it works:

Before kick-off, raffle tickets will be on sale for £1 each. Two lucky winners will be announced at half-time, both over the tannoy and on the pitch's electric board, for the chance to step onto the pitch and take one shot from the edge of the D to hit the crossbar!

If you hit it, you take home 50% of the total pot. If both players hit, you'll split it 25% each, with the remaining 25% going to the club and 25% supporting Weymouth in the Community.

If no one hits it, the prize fund rolls over to the next home game, so it keeps growing until someone lands the perfect strike!

It's a fantastic opportunity to get out on the pitch at half-time and be part of the matchday experience. Players of all ages are welcome, under 13s will need to be accompanied by an adult to take the shot, and under 16s will need an adult present to collect any winnings.

So grab your tickets before kick-off and get ready for your chance to hit the bar, win big, and support your club and community!
