FROM THE BOARD ROOM

It's been a busy few weeks here at the ground, with another change in management as we welcome Jamie into the role of First Team Manager, and also welcome back Jason as Director of Football. I'd like to place on record our thanks to Steve for all his efforts in trying to turn our season around. Football is a tough game, and ultimately our paramount objective must be securing league safety for the men's team.

Going into the Dorchester match, we identified a target of seven wins from the remainder of the season as what we believed would ensure that safety. The excellent victory against Dorchester was a huge step in the right direction – not just in points, but in belief. The result has lifted the group, and the change in spirit and togetherness has been clear to see, particularly on the training pitch, where the cohesion and energy have been noticeably different.

We know that Wimborne are by no means an easy team to beat, and they will provide another strong test. However, we also believe that, if we apply ourselves in the right way, we can go into this fixture with confidence and give ourselves a real opportunity to take three important points. Momentum and form can shift quickly in football, and our focus now is on building consistency, belief, and positive results as we move forward together.

FROM THE DUG OUT

Good Afternoon and Welcome.

I hope you have all had a good Christmas and I would like to wish you all a Happy New Year.

Thank you for your great support last week against Dorchester. It was great to get the result we all wanted. Luke and Max had an immediate impact on the squad which is always pleasing. We are looking to create competition for places and they have certainly come in and hit the ground running. The mood in the camp has been very good and the levels at training have been great.

There is still lots of work to do, but we have made a good start and will be looking to carry that on today against Wimborne. Today's game will be a tough game but one we are more than capable of getting a result from.

Thank you for your incredible support, get behind the team today and let's get those 3 points.

FROM THE SA ADE MACDONALD

Good Afternoon,

Well, a lot has gone on in the two weeks since I wrote the last programme page. I hope that everybody had a great Christmas, and you've been enjoying the holiday period. Happy New Year to you all, from all of us on the SA Board.

I'd like to welcome the supporters, players & officials of Wimborne Town here to Weymouth. I hope you enjoy our hospitality this afternoon and wish you all a safe journey home after the game.

There have certainly been a few headlines around the club over the past couple of weeks. The first was the news, just before Christmas, that Steve Claridge had parted company with WFC, by mutual agreement. I think it's fair to say that, despite some poor results, a lot of fans probably didn't see that coming when it did. It was a big decision from the WFC Directors, and I know for definite that it wasn't one that was taken lightly. It's a real shame that it didn't work out with Steve this time. We all know his previous history at Weymouth FC and have fond memories. Those previous achievements and commitments saw Steve inducted into the WFC Hall of Fame in 2024, so please let's make that the legacy that he leaves with us. On behalf of the SA Board, I wish Steve all the very best for the future.

I was very pleased to see Jamie Wells step up into the Manager's position and with Jason Matthews returning to the club as Director of Football. I've never actually met Jamie, but I have heard people speak very well of him and I know that he has very good relations with the players & staff. As for Jason, well Weymouth FC is always better off when he is around, and nobody knows the club or this level of football any better than he does. Congratulations to Jamie and Jason. As fans it's our role to give them the total support that they need to help bring some stability and then to start moving forward.

FROM THE SA ADE MACDONALD

Jamie & Jason certainly gave us a shot in the arm in their first game in charge. There is no better way to do it than to go and beat Dorchester, at their place, in front of a huge crowd of the Terras' faithful. It certainly wasn't the best game of football we'll see this season, but none of us cared about that when the ref blew the final whistle!

As a little memento, here is a photo of a Terras scarf that Brandon tied to the goalpost at the end of the game. I wonder what the Dorchester ground staff have done with it??

We are very aware of the length of time that our fans had to spend queueing for entry into the stadium at Dorchester. I was in the queue myself and so I know exactly how it was and the lack of open turnstiles etc. I won't dwell on this any further, but we do want to reassure our fans that before any future game at Dorchester, we intend to speak with our counterparts at DTFC to hopefully make sure that it's better next time.

It was great to see two new players join us on loan in time for the Dorchester game. I'm sure everyone will agree that Luke Bennett and Max Evans both made impressive starts. Football is a team thing and I'm not usually one to single players out, but on this occasion.... Max, to save a penalty.... followed by that 'worldie' save from a free kick.... in your first game in a Terras shirt.... away at Dorchester.... in front of 2000+ cheering Terras fans. Take a bow Mr Evans!

Club Shop Sale

Here's another reason to call into the shop today. We have our New Year sale on, with reductions on a range of items on sale. Please call into the shop and speak to our team to find out more about the offers.

Come On You Terras Fans

As, we already know, Terras fans turned out in huge numbers for the game up at Dorchester last Saturday. Hopefully, fresh off the back of that terrific win, we'll see another good turn out for the game today. Obviously, we're all aware that the traditional Christmas & New Year derby fixtures always attract good numbers of fans. Next week life gets back to normal, and we all go back to our usual routines. Over the next few weeks & months we'll all bump into people who will tell us that they went to the game at Dorch and had a great time etc, etc, etc. And then they'll say that they haven't been to a game since. You know those conversations are coming! It would make a huge difference to the club prospects if all the non-regular fans who were at Dorchester were each to come to a few home games for the rest of this season. For the regular fans, please try and pre-empt those conversations and see if we can tempt people to come along a bit more often. It really would make a big difference.

So then, now we face Wimborne at home. We've already played them three times this season, away in the league and FA Trophy and once at home in the Dorset Senior Cup. We know they are a good side and today will be a strong test. But, as fans, we're all still buzzing from winning at Dorchester, and we can get straight back to it by giving the lads our huge support from the first whistle.

Up The Terras!

STATS AND FACTS NUMBERS BEHIND THE GAME VS Wimborne Town

Perhaps surprisingly given our close proximity, this is only our 39th meeting in all games against the New-Cuthbery-based-outfit. However, following this game, almost one fifth of our tussles will have been in just the last three campaigns!

Our first fixture in 2026 will also be our fourth this season against the black and white stripes under a third different manager, the visitors claiming the majority of the spoils so far from a 3-0 victory in the league back in August followed by a 2-0 success in the FA Trophy in October. The only Terras success against this side in 2025/26 to date was the recent 4-2 win in the Dorset Senior cup.

Last season however Wimborne took the spoils in the county cup, a thumping 8-1 success, their record win over the Terras with both sides featuring youth players. This followed a 3-2 friendly win for the claret & blues back in the summer.

Before this our most recent meetings were pre-season friendlies in the summers of 2019, 2020 . Looking slightly further back, we played the Magpies over a pair of league fixtures in our 2018/19 Southern league title campaign. Harry Baker came off the bench to score the only goal of the game at home in October before the sides played out a 0-0 draw in east Dorset in March.

The 1980's & 1990's saw a spate of games between the two in various local competitions, most noticeably nine Dorset Senior cup ties when our opponents progressed just the once.

Our first ever meeting was back in the 1922/23 Dorset league season – a brace of wins for Weymouth.

The Magpies- a history

Wimborne Town Football Club was formed in 1878 and originally catered for both football and rugby. In 1884 the South Hampshire and Dorset Football Association was formed with Wimborne as one of the founder members. Three years later the Club became a founder member of the Dorset County Football Association.

The Club's first success came in 1913 when they won the Dorset Minor Cup for the only time. A year later they were runners-up in the Dorset Junior Challenge Cup.

The Thirties were a triumphant period in Wimborne Town's history as they carried off the Dorset League Division Two title three times and finished runners-up on a further occasion. The Magpies were also runners-up in Dorset League Division One in 1939. This period also proved successful for Wimborne in cup competitions. The Dorset Junior Challenge Cup was won twice in three final appearances and the Magpies enjoyed four Dorset Junior Amateur Cup victories in five seasons between 1935 and 1939. Wimborne's first senior honour came in 1937 with the Dorset Senior Amateur Cup but this turned out to be the last honour for some while and it was not until 1964 that this success was repeated. After another lean spell, this time 17 years, Wimborne won the Dorset League Division One championship without losing a match. The Reserve team retained the championship the following season.

In 1981, following the installation of floodlights and the construction of a perimeter wall and new changing rooms at their Cuthbury ground, Wimborne were admitted to the First Division of the Western League. They immediately established themselves among the leading clubs, just losing out on third spot to local rivals Swanage on goal difference. The 1984/85 season saw Wimborne Town's most successful in the Western League when they finished in third place, this time ahead of Swanage on goal difference.

Wimborne Town joined the Wessex League in 1987 and stayed for the next 23 seasons, finishing outside the top eight only once. During that time the Magpies won the title on three occasions, in 1991/92, 1993/4 and 1999/2000 and twice finished runners-up, in 1992/93 and 1996/97. Wimborne won the Wessex League Cup in 1993/94 to become the first club to achieve the League and Cup double and this feat was repeated in 1999/2000 & 2007/08. They were also runners-up in 1990/91 and 1995/96.

In recent years, Wimborne Town have appeared in 12 County Cup Finals. The Dorset Senior Challenge Cup Final has been contested eight

times with victories in 1991/92 and 1996/97. Wimborne have also reached the Dorset League Cup Final on four occasions.

The Magpies entered FA competitions for the first time in many years in 1982/83 when wins over Bridport, Falmouth Town, St Blazey, Bath City and Merthyr Tydfil earned them a visit to Aldershot, then a Football League side, in the First Round Proper. That's where the Wembley dream ended, however, with a gallant 4-0 exit.

Before 1992, Wimborne Town's best performances in the FA Vase had brought them Third Round appearances on three occasions. However, that record was eclipsed in 1992, when the Club, led by Chairman Brian Maidment & manager Alex Pike, enjoyed an epic run to the Wembley final where they defeated favourites Guiseley 5-3 to lift the trophy. In so doing, Wimborne Town became the first ever Dorset club at any level to contest a Wembley final. During that same historic season, Wimborne also won the Dorset Senior Challenge Cup and Wessex League championship to complete a unique treble of trophies.

Season 2009/10 saw the Club, managed by Alex Browne, gain promotion to the Southern League, the highest position in the non-league pyramid that Wimborne Town had occupied in its history. Steve Cuss was appointed manager in June 2011 and he led the Magpies to 12th spot in the table in season 2012/13. After four years of service, during which time Steve established the Club in the Southern League and led them to the First Round Proper of the FA Trophy in 2014/15, he resigned in November 2015, club stalwart Paul Roast took over as caretaker boss before Simon Browne, brother of previous manager Alex, took over full time. Unfortunately, Simon's financial expectations for the 2016-17 season could not be met, the playing budget being slashed and most of the squad leaving, relegation was avoided and he resigned in May 2016.

In July 2016, ex professional and former AFC Bournemouth Pre-Academy Lead Coach, Matty Holmes joined Wimborne Town as 1st Team Manager. Matty brought his brother Danny with him. Together, they introduced a new brand of football, both pleasing to the eye and effective. Matty assembled a strong but young squad which achieved our then highest position in the Southern League of 11th.

The team improved on that in 2017-18, finishing 3rd on 77 points, having scored over 100 goals, and winning the Dorset Senior Cup for the first time in 21 years. The euphoria was muted by a play-off final defeat by Swindon Supermarine in a penalty shoot-out. However, the restructuring

The Magpies - a history

of leagues at Steps 3 and 4, and the demise of Shaw Lane FC led to a late promotion for Wimborne as the highest performing team not already promoted.

In 2018/19 The Magpies played at Step 3 for the first time in their history in the Southern League Premier South. After an initial struggle, they held their own in the bottom half of the table. And on a dramatic last day of the season, when seven teams were in danger of falling into the third relegation spot, Wimborne ended up in 14th place, albeit with just three points to spare.

In September 2019 Matty Holmes stepped down as Wimborne Team Manager to concentrate on building and setting up the new Wimborne Town FC Elite Academy, something that Matty had been building up since his time with Wimborne Town FC.

Matty's brother Danny stepped up from Assistant Manager to become Manager with James Stokoe taking on the role as Assistant Manager / Player. When the 2019/20 season was abandoned in March, Wimborne were lying in 15th place.

As thoughts turned to the 2020/21 season, and with club budgets under serious scrutiny, Danny Holmes resigned as Manager. The Board wasted no time in appointing club legend James Stokoe as Manager, and he brought in another former player, Mark Gamble, as his Assistant. But with only five players remaining from the previous season, and on a vastly reduced budget, the new management duo set about rebuilding the team. Although the league season was again curtailed with Wimborne having played just 6 games, there was time for the club to have a thrilling FA Cup run - reaching the 4th Round Qualifying for the first time since 1986.

In December 2020 the club moved into its brand new stadium, named New Cuthbury, on the other side of town. The Development Team were able to successfully complete their season at the new ground winning the Hampshire Combination and Development League Premier Division, but the first team had to wait until the start of the 2021/22 season to play their first league game there.

In the summer of 2021 a 3G training pitch was installed next to the main grass pitch to be used by the club's new Academy, Development Centre teams from U9s to U16s, and 20 Youth teams.

Despite the excitement of finally moving to the new stadium with its superb facilities, the 2021-22 league season was a huge disappointment on

the pitch. The team managed only three league victories at New Cuthbury, finished bottom of the table, and, for the first time in their history, Wimborne Town were relegated. In addition, the new grass pitch was beset with flooding issues which caused a number of postponements. So the 4-season stay at Step 3 came to an end. However, there was some cup success with the club going further in the FA Trophy than ever before, reaching Round Two. The new Academy was successfully launched. And mid-way through the season, the Club was taken over by a consortium led by former Finance Director Lee Merrifield.

With the new Board of Directors giving Manager Stokoe a better playing budget, expansive player recruitment, and remedial work on the main grass pitch carried out, the 2022-23 season started with great hope. However, an underwhelming start to the league campaign and early exits from the cup competitions, meant the departure of Stokoe and Gamble at the beginning of October. They were replaced by Tim Sills and his management team from local league rivals Hamworthy United. A 14-game unbeaten run lifted the Magpies up the table, only to be defeated in the play-off semi-final by Sholing. League attendances increased by 47% to a then Club best league average of 563, as the supporter demographic became much younger. The youthful reformed Reserves team, under former first team player / manager Christer Warren, won the Dorset Senior Trophy.

The following season, 2023-24, was a momentous one for the Club. Following considered recruitment, Tim Sills guided his squad to a first league title for 24 years. Top spot in SL Div One South was clinched on the final day of the season in front of hundreds of travelling supporters, young and not so young, at Melksham. A week earlier at New Cuthbury, a ground record crowd of 2307 watched the game against Frome boosting the average league attendance to a Club record 761. The Reserves finished second in the Dorset Premier League, and the Ladies team completed a league and league cup double. At the beginning of the season, former AFC Bournemouth goalkeeper Jimmy Glass was appointed as the Club's General Manager. Floodlights were upgraded, and a new tea hut installed as the Club, with its burgeoning youth and Academy set-up, went from strength to strength on and off the pitch.

On returning to the Southern League Premier South, the aim for 2024-25 was to consolidate the Club's position at Step 3. A 10-game undefeated run during February and March went a long way to achieving that. Tim Sills' team ended the season 10th of 22, the Club's highest finishing position in the non-league pyramid,

The Magpies- a history

,with 57 points, another record at this level. A February Tuesday evening crowd of 2,094 for the local derby with Poole pushed the average league attendance to 765, another Club record.

The Reserves Team, consisting mainly of lads from the Academy, competed in the Dorset Premier League; the Ladies Team, under new manager Sean Hill, competed in the Southern Region WFL; Academy students, under the guidance of new Director Joe Roach, competed in three more leagues; all underpinned by a successful Youth Section comprising over 50 teams.

The Magpies Management & Player Profiles

Tim Sills - Manager

Tim made nearly 700 appearances in his 20-year playing career, scoring 219 goals. His clubs included Aldershot Town, Oxford Utd, Stevenage and Torquay Utd at National League and League Two levels both as a semi- and full-time professional. Richard Wood

A Happy New Year to everybody.

Wow, I know things change quickly here at Weymouth Football Club, but it really is amazing how quickly sometimes!

After defeat at home against Plymouth Parkway, incidentally, I was on my works night out and when I left the hotel in the morning a minibus of Parkway fans turned up, so it is a good job I didn't see them after the game!

The departure of Steve Claridge was a little bit of a shock, yes, results weren't really forthcoming, but I didn't think there was any real possibility of making a change at that point, especially going into the big derby game against Dorchester.

Steve will always be a legend in my eyes at this club, sadly it didn't work out, these things happen in football and I thank him for his efforts.

I think in an odd way it probably helped us with the way that Dorchester would have been expecting something different going into the derby game and with Steve's departure, I think it may have threw things up in the air a little bit more for them and created an air of uncertainty for them.

With Jamie now in the managers hot seat, and the return of club legend Jason Matthews as Director of Football, I think it's a good move, we all know Jason's record when it comes to derby games! I don't think there's anyone better for getting the side up and motivated for these matches so it did help us.

I didn't make the game at the Avenue, but I listened to Ben's commentary and after going a goal down I did fear the worst, but it sounds like things have changed a little bit now and we kept the belief that we could turn it round and we duly did with two quick fire goals going into half time.

If we're going to get out of trouble that belief is something we will desperately need, it may not always go our way, but we do need to fight for every single point as that's what will be required.

We have seen a few players depart, one or two in and there will be some more movement in the player front over the next few weeks I'm sure, as we try to stave off a second successive relegation, which is what we really do not need.

Wimborne have been on a little bit of a poor run lately compared to the excellent form they have shown since the start of the season and we know all about that having lost two matches against them already this season.

So they will be a difficult challenge again, but we have set the standard now with the Dorchester game, we need to be showing that every game, it can't just be a one off like last season when we beat Yeovil at their place and then still got relegated, we need to show the fight and commitment every game.

So let's hope the boys can do something this afternoon.

'till next time,
Up The Terras!

Weymouth in the Community

As we welcome everyone back for our first game of the new year, everyone at Weymouth FC In The Community would like to wish you a very Merry Christmas and a Happy New Year. We hope you all had a fantastic festive period and are ready for what promises to be an exciting year ahead.

Looking ahead to 2026, this is the year for the Community to really kick on and continue growing year on year. We are passionate about expanding our reach, creating more opportunities, and having an even greater impact across Weymouth and the surrounding areas.

Our Development Centre is set to return on Thursday 8th January, marking the first block of sessions for the new year. We are always looking for new players who want to come along, improve their skills, and develop in a positive and challenging environment. If you have any questions or would like to get involved, please email finley@weymouthitc.co.uk or message Weymouth In The Community on Facebook.

With the new year also comes a new school term, meaning our after-school clubs and school intervention sessions will be starting up again. We continue to work closely with local schools to provide engaging, supportive, and high-quality football provision both during and after the school day.

Our School Provision

Weymouth FC In The Community offers a wide range of programmes to support schools, pupils, and staff, including:

- After-school football clubs
- Before-school and lunchtime clubs
- Targeted intervention sessions
- Disability and inclusive provision
- School workshops (mental health, life skills, teamwork)
- Stadium tours and educational visits

If your school would like to find out more or work with us, please get in touch via our website or email.

Matchday Mascots

Our matchday mascot programme continues to be a real highlight, and we have been incredibly lucky to welcome so many lovely, enthusiastic mascots throughout the season. The engagement and excitement they bring on matchdays is fantastic to see, and the feedback we receive has been overwhelmingly positive.

Many mascots have told us that being able to walk out with the players and join in the warm-up on the pitch is their favourite part of the day. It is a truly memorable and special experience, and one that we are extremely proud to be able to offer.

If you or someone you know would like to get involved as a mascot, full information and booking details can be found on our website:

www.weymouthitc.co.uk

Half-Time Crossbar Challenge

Our popular Half-Time Crossbar Challenge is still running. Although we've had a few very close attempts, no one has hit the bar just yet, meaning the prize pot has now rolled over to over £100. Tickets are usually sold outside the stadium before kick-off, so make sure you grab one if you fancy your chances.

As we continue to grow our programmes, we are also looking to grow our team. If you are interested in coaching or community roles, or simply want to find out more, please email finley@weymouthitc.co.uk.

Thank you for your continued support.

Here's to another exciting year ahead for Weymouth FC In The Community.
