FROM THE BOARD ROOM

In what has been a very inconsistent season, it's great to see that we've still managed to reach the final of the Dorset Senior Cup beating Sherborne Town on Wednesday night. One of the real highlights of that competition is the opportunity to give minutes to players who travel with the squad week in, week out and form the backbone of the bench, as well as to our under-18s the chance to show their ability. It was fantastic to see four under-18 substitutes come on in the semi-final, along with full 90-minute performances from Ben Moss and Stefanos Stavrianos. Special congratulations go to players like Stef, who have stuck by this team throughout the whole season, patiently waiting for their opportunities and taking them when they come.

Now it's back to league action. Since the Dorchester game, we've picked up one of each—a win, a draw, and a loss. Nobody will underestimate the challenge we face today against Walton and Hersham, but this is football and there are no given results before kick-off. We expect the lads to give their very best, compete fully, and do everything they can to take something from the game.

So let's get right behind the team today and support them in this magical wintry weather

FROM THE DUG OUT

Good Afternoon and Welcome,

After a disappointing result last week against Evesham we look to put that right today against Walton & Hersham. I felt we should have come away with at least a point from the game. We need to be ruthless in front of the goal and that will be of huge importance in today's game, that and when we get a chance, we take it.

This is the start of a tough run for us but as a group we are still confident we can get points from these games. The Dorset Senior Cup game allowed us to give minutes to players so that we are ready for this tough fixture period and is always pleasing to get a good performance and progress to the final for the second year in a row.

Your support, as always, makes a huge difference. The players feel it, especially in tight moments, and we will need that backing again this afternoon.

Enjoy the game and thank you for your continued support.

Wellsy

FROM THE SA ADE MACDONALD

Good Afternoon,

I'd like to welcome the supporters, players & officials of Walton & Hersham here to Weymouth. I hope you enjoy our hospitality this afternoon and wish you all a safe journey back to Surrey after the game.

Regular readers will know that for the last few games I've been plugging our festive raffle, in the run up to the prize draw that was held after the last home game. I'm very pleased to be able to tell you that the raffle raised a profit of £1688, which has been donated over to the club. Huge thanks to everybody who bought tickets or donated prizes to support the raffle again this year. We had a long list of prizes, all of which were generously donated by local businesses & individuals. In no particular order the businesses who supported the raffle this year are;

Not Just Travel
JT Window Cleaning
Sugar Cove Sweet Company
WFC Café
Jonny Welch Plastering
The Lugger Inn
Little Angus Butchers
Bespoke Valeting
Howley's Toymaster
Weymouth Mobility
Marlboro Fish & Chips
Chesil Beach Motors

Please try to support the businesses who support us!

The money that was raised takes our total SA fundraising so far this season to over £11,300. There's still a long way to go and we have plenty more coming up to help us raise as much as we can by the end of the season.

FROM THE SA ADE MACDONALD

Pitch Squares

As a lot of you will know, for many years now the hallowed turf at the Bob Lucas Stadium has been prepared and maintained almost solely by volunteer fans who give up their time & expertise. Over the years the people have changed but the ethos behind their commitment and dedication hasn't. Successive WFC Boards of Directors have all known how fortunate the

club is to have those volunteers and how much money they save the club season after season. All of that is underlined by the point that, throughout that time, our pitch has been remained among the best in non-league football. However, the club does still have to find significant money each year to pay for materials, equipment and specialist treatments that is needed for the volunteer grounds team to keep it in top notch condition.

For several years now our pitch squares fundraiser has helped enormously with those costs. It's a very simple format; we've divided the pitch and the stadium up into lots of squares and fans can buy one for as little as £10. Throughout the season we plug away with it and ringfence the money that we make until the club needs it to spend on the pitch. This is a great way for fans to donate directly towards an absolute necessity. For more information, please follow the link.

2025-2026 Season Pitch Squares – The Terras Online Store

Aside from the Grounds Team, the club has a small army of volunteers who all do their bit to help keep the lights on and the matches kicking off. Over the next weeks & months I'll do some features to give an insight into who's who and what they all do.

Weymouth FC Hall of Fame – Friday 20th March

The annual Hall of Fame dinner evening is now on the horizon. The date is set and plans are now underway. The 3-course menu is provided this year by Loose Moose catering, who have supported this event in the past and always provide first class food & service. As usual fans will have the chance to vote from a list of well-known names from the Club's history and help to choose this year's Hall of Fame entrants. We'll then have tickets on sale for the dinner and presentation evening. I'll give you lots more information on all of this over the next few weeks.

Within the SA Board we're well aware that it's a tough time to be a Terras fan again this season. Obviously, we're not where we'd like to be in the league and we know from experience how that plays its part in the frustrations that build up among the fanbase. I've read some chat online this week where a few people are questioning the overall state of affairs and prospects for the Club. I've also seen it raised that we, The SA, should be doing more to challenge things and keep fans up to date. Please be assured that we're not just trying to flog you a raffle ticket or a pitch square. When we feel it necessary to challenge something, we do. When we do, we do it effectively and, when necessary, we follow up with an update to SA members and fans. Right now, nobody is content with where the Club is; not the fans or anybody in or around the place. Quite obviously there are things to address, but I'm not aware of any immediate threat or circumstance that needs drastic action today. (Maybe I should caveat that with 'at the time of writing'... 🤔) Rest assured that if something ugly does raise it's head then, as always, the SA will act in the best interests of WFC and then we'll update fans to follow.

Moving on to the pressing matter of the footie today. Maybe, don't trouble yourself with checking on Walton & Hersham's league position, perhaps the league have compiled the table upside down! Let's just focus on giving the Terras our usual level of terrific home support from the first whistle. You never know!

STATS AND FACTS NUMBERS BEHIND THE GAME VS Walton & Hersham

Just the one game against this outfit* and that was just two months ago, also in the Southern Premier league. That occasion was a day to forget for the Terras in leafy Surrey as the Swans gracefully glided to a 4-0 victory. Weymouth were two goals down at the break and, although rallying in the second half, the visitors added two more feathers in their cap with another two goals in the last ten minutes of normal time.

Whether Walton will pose a similar threat this weekend remains to be seen but their position at the top of the table and their forward trio of Rogalski, Powell & Wood boasting 46 goals between them in the league suggests that will be the case! *We did play a "Walton" in this league in 2018/19 but that was Walton Casuals, a different club from the same town who sadly went bust a short while later.

However the Terras have been known to upset the apple cart earlier this season against a Surrey team when they returned from Farnham with all three points, thus ending their very long unbeaten run!

There could well be a couple of familiar faces in the Swans lineup this Saturday as striker Francis Amartei and midfielder Elliott Bolton. The former played for the Terras in the 2024/25 campaign in 7 competitive games starting 3 and not troubling the scorers. The latter featured in 13 games in the 2023/24 season.

If any of the Terras faithful are looking for good omens today they can certainly point towards our fantastic record at home on this day in history. Of the 11 games played on 17th January in years gone by the team has amassed 7 wins and 3 draws with just the 1 loss way back in 1908 against local rivals Whiteheads, a club founded as a works team for the torpedo factory at Ferrybridge.

Just one birthday of note found today – a certain Roy McCarthy who more venerable fans may remember from a two-season stint in the early 1970's. Having made his name at Barrow and Barnsley, the Irishman joined the Terras before eventually returning 'oop north for a second stint at Barrow.

The Swans - a brief history

Walton-on-Thames F.C. was formed in 1895, and in 1945, following World War II, amalgamated with Hersham F.C. to form Walton & Hersham F.C., the present club.

The united club immediately joined the newly formed Corinthian League and followed a poor first season with a hat-trick of Championships and a runners-up position.

They also won the Surrey Senior Cup for the first time in 1947-48, beating Isthmian League neighbours Kingstonian 2-1 at Crystal Palace.

Election to the Athenian League soon followed and in their first season, 1950-51, Swans finished runners-up and again won the Surrey Senior Cup at Palace, defeating the much vaunted Dulwich Hamlet 2-1.

Great days, big crowds

These were golden days for the Stompond Lane side and the FA Amateur Cup Semi-Final was reached in successive seasons, 1951-52 and 1952-53, only for Swans to go out to Walthamstow Avenue and Harwich & Parkeston respectively.

During this period the club enjoyed a tremendous following, and a record crowd of 10,000 were at the Lane in 1952 when the famous Crook Town were the visitors for an Amateur Cup tie.

Stars of this era included Swans' most famous player, England and Great Britain Olympic defender C.R. 'Jack' Neale, and the prolific Reg Sentance, still the club's all-time top scorer.

Some lean years followed, although the FA Cup First Round was reached for the first time in 1957-58, Southampton winning 6-1 before 6,000 people at Stompond Lane.

Don Stoker's popular sides of the early 1960's brought cup fever back to the Lane and there were fine runs again in the FA Amateur Cup.

Two late goals by the prolific and popular Brian Jenkins beat the star-studded Wimbledon side in the Surrey Senior Cup Final of 1960-61, and the trophy was retained against Sutton United the following season.

After several years of mid-table respectability the appointment of Allen Batsford as manager in 1967 heralded the beginning of the most successful period in the club's history.

At the end of his first season, a superb victory over a powerful Wimbledon side in the two-

legged Final secured the Premier Midweek Floodlit League title, the first of three, followed a year later by the winning of the Athenian League championship for the first time.

The FA Cup First Round Proper was again reached in the following two seasons, only for Swans to lose to Barnet 1-0 in 1969-70 and Telford United 5-2 in 1970-71, both games being played at the Lane.

The runners-up spot in the League was achieved in both those campaigns and the Surrey Senior Cup came back to Stompond Lane in 1970-71, Woking being defeated 3-0 in the Final.

Election to the Isthmian ranks followed, with third place attained in the first season, 1971-72.

Wembley at last

Then followed the most memorable season in the club's history, 1972-73.

The FA Cup First Round barrier was overcome for the first time with Exeter City being defeated 2-1 amid tremendous excitement at the Lane, only for visitors Margate to win by the only goal in the Second Round.

Kingstonian were beaten 2-0 in the Surrey Senior Cup Final and the runners-up spot achieved in the League.

Then on the 14th of April 1973 the ultimate prize was gained at Wembley when 41,000 people saw a last-minute Roger Connell goal against Slough Town bring the FA Amateur Cup to Stompond Lane, the trophy being won without a goal being conceded, a record never to be equalled.

Dave Bassett, Willie Smith and Connell also had the honour of playing for the England Amateur side.

The following season Brian Clough brought his Brighton & Hove Albion side to Stompond Lane in the FA Cup First Round, and following a goalless draw, Swans pulled off a sensational result in the replay at The Goldstone Ground, a Clive Foskett hat-trick included in a 4-0 win.

Sadly, when Batsford left for Wimbledon the following season the fine team broke up, the crowds drifted away, and relegation soon followed in 1975.

The FA Cup First Round was surprisingly reached in 1975-76, and a young side put on a battling performance at Selhurst Park against Malcolm Allison's Crystal Palace, only going down 1-0 to a late goal.

The Swans - a brief history

Barren years followed, with the club several times being close to extinction.

In the mid 1980's the club was proud to have Sir Stanley Matthews as President, but sides flattered to deceive and only a draw in the final game of the 1986-87 season prevented relegation to Division Two.

Promotion

After 20 years out of the top-flight, a young side under Neil Price at last gained promotion in 1993-94, and the following season the First Round Proper of the FA Cup was again reached, Swansea City winning 2-0 at the Lane.

However Swans' Centenary celebrations were spoilt by relegation after only two seasons back in the Premier.

Under the management of Laurie Craker the team ensured the stay in Division One was as brief as possible, promotion being gained on the last day of the campaign.

After a creditable first season back in the Premier Division it again proved to be a struggle to remain there, and at the end of the 1999-2000 season Swans finished in bottom spot and relegation again became a reality.

Swans had to wait until the 2004-05 season before more success came to Stompond Lane after long-serving player Alan Dowson took over as manager in October.

After defeat in his first match in charge, Dowson led the team to a record breaking 13 match winning sequence, fine runs in the FA Trophy and League Cup, and promotion as runners-up in the Ryman League Division One.

The Surrey Senior Cup Final was reached for the first time in 31 years, the Swans only losing a thrilling game against AFC Wimbledon 2-1 after extra-time before close to 4,000 people at Woking.

After a creditable first season back in the Premier Division a poor start to 2006-07 led to Dowson's early resignation and eventual relegation yet again.

Since then Swans remained in Division One, facing relegation fights on several occasions, until 2015-16, when a third from bottom finish finally saw them go down, ending a 45 year unbroken stay in the Isthmian League.

At the end of September 2017 Swans were forced to leave their home of 8 decades, Stompond Lane, when it was sold for development, the club moving to a new home at a purpose-built Sports Hub in Waterside Drive.

After two good seasons in the Combined Counties League Premier Division, when they finished in fifth and fourth places, a poor 2018-19 led to a bottom place finish and relegation to Division One.

A new era

At the start of the 2019-20 season Walton & Hersham FC was then taken over by a consortium of seven 19 year-olds, who became the youngest owners of a senior football club.

With a complete club rebranding a resurgence of fortunes soon began, and following two seasons that remained unfinished due to the Covid-19 virus, Swans' record of finishing in third and second places gained them promotion under a PPG (points per game) system to the newly formed Combined Counties League Premier Division South for 2021-22.

The management team of Scott Harris and Billy Rowley then guided Swans to a second successive promotion and a return to the Isthmian League after six seasons away, a runners-up spot securing them a place in the South-Central Division for 2022-23.

Also, an end of season record breaking 18 match unbeaten run culminated in them winning the Combined Counties League Premier Challenge Cup with a 2-1 win over Southall in the Final.

After a last minute goal in the final match of the season denied them the Championship, a 3-1 home win over Hanworth Villa in the Play-off Final before a ground record crowd of 2,059 secured a third successive promotion, the season ending with a 21 match unbeaten run.

Returning to Step 3 after an absence of 16 seasons for 2023-24, the Club played in the Southern League for the first time, finishing in a creditable 7th place in the Premier Division South.

Following the departure of Scott Harris, Swans played their second season in the Southern League Premier Division South with Billy Rowley in managerial charge, and reached the 2024-25 Play-off's by finishing in 3rd place.

Unfortunately the Semi-Final at home to Gloucester City was lost 5-3 on penalties following a 2-2 draw after extra-time.

The season finished on a high note however, when the Surrey Senior Cup was won for the first time in 52 years, National League South Dorking Wanderers being beaten 3-1 in the Final on their own ground at Meadowbank.

The Swans - Player Profiles

From the Dugout- Jakub Pietrzak (Manager)

After being a part of Billy Rowley's team management for the past two seasons, Jakub was appointed his successor following his departure in November. He became a regular for the Knappers, making well over a century of appearances and playing a key role in their passage to the 2023-24 Play-off Final, also breaking the Club's clean sheet record with 17 shut-outs. In his first season at Step 3, Jos added to fine performances in goal by heading a last-minute equaliser against Dorchester Town. He was also selected for the English Universities' squad.

Age: 21. Debut: 10.08.24 v. AFC Totton.

Jos Barker (Goalkeeper)

Riley Horan (Defender)

After leaving Orient he had a short spell at Hemel Hempstead Town at the beginning of last season before re-joining Hendon on a permanent basis. He returned to Hemel Hempstead Town in January, before joining Swans in the summer. Age: 21. Debut: 09.08.25 v. Plymouth Parkway.

Lucas Defise (Midfield)

Lucas is a former Belgium U17 international with three caps to his name. After starting at AFC Wimbledon and Chelsea, he made the move to Southampton in the summer of 2018. He progressed through to the U21s at St. Marys before returning to his native Belgium in 2021. Age: 22. Debut: 10.08.24 v. AFC Totton.

Dawid Rogalski (Forward)

Age: 24. Debut: 13.01.24 v. Swindon Supermarine.

The Swans - Player Profiles

Stefan Parkes (Defender)

Stefan first joined Swans on loan from Fulham in February 2024, but his debut was cut short after just 25 minutes when he suffered a recurrence of a hamstring injury, one that he had just returned from following a long period of rehabilitation. After joining Fulham from Brentford as a 14 year-old, Stefan moved through the age ranks to the U21s. After being released by Fulham he re-joined Swans on a permanent basis in the summer.

Age: 21. Debut: 17.01.24 v. Tiverton Town.

Anis Nuur (Midfield)

Richard Wood

Following our great win in the derby, things have dropped off a little again.

I wrote in the last page that I thought the managerial change helped us going into the Dorchester match and it was interesting to read Tommy Killick's programme notes from their last home game that he mentioned the change in management being a factor.

He fancied their chances having watched us lose to Plymouth Parkway in the previous match.

He must have been rubbing his hands together, only to see it turn upside down.

As I thought though, that result is looking a bit of a one off again, like when we won at Yeovil last season. Its the bread and butter matches that we are struggling with.

Last Saturday sounded like a missed chance to get something, a point at least, but by all accounts we could have got all three.

That would have been very handy, as we now have three games coming up against opposition most Terras fans would not bet on us getting anything out of.

Football can be a funny game I know, but we are nearly at the tipping point.

Can we get the points we need? A few new signings that will make a difference would help, but can we find the said players?

With us having played quite a few more games is worrying.

Bracknell and Havant have been down with us for the first half of the season, but a few player signings and they are both comfortably mid table at the moment.

Another relegation would be a disaster, but unless we start getting some wins soon, then it's looking likely.

'till next time,
Up The Terras!

Matchday Mascots

Our matchday mascot programme continues to be a real highlight, and we have been incredibly lucky to welcome so many lovely, enthusiastic mascots throughout the season. The engagement and excitement they bring on matchdays is fantastic to see, and the feedback we receive has been overwhelmingly positive.

Many mascots have told us that being able to walk out with the players and join in the warm-up on the pitch is their favourite part of the day. It is a truly memorable and special experience, and one that we are extremely proud to be able to offer.

If you or someone you know would like to get involved as a mascot, full information and booking details can be found on our website:

Half-Time Crossbar Challenge

Our popular Half-Time Crossbar Challenge is still running. Although we've had a few very close attempts, no one has hit the bar just yet, meaning the prize pot has now rolled over to over £100. Tickets are usually sold outside the stadium before kick-off, so make sure you grab one if you fancy your chances.

As we continue to grow our programmes, we are also looking to grow our team. If you are interested in coaching or community roles, or simply want to find out more, please email finley@weymouthitc.co.uk.

Thank you for your continued support.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

LIAM Hughes has always been one of those players who is a pleasure to interview.

Part of Cambridge United's double winners in 2014 – they beat Gosport in the FA Trophy and Hughes scored in the promotion final victory over Gateshead – it feels like he's been around for ages.

Since then he's had spells at north of the border with Inverness as well as a few more Non-League stops including Barrow, Guiseley and Matlock among others.

Last week he moved to Cleethorpes Town after a hugely successful period helping Workson Town rise from Step 4 to the National League North with 95 goals in 145 games. He even copped the NLP's Step 3 / 4 player of the year at our National Game Awards in 2023.

Over the years he's become a huge outspoken advocate for mental health and trying to help younger players navigate the pitfalls of a football career.

And it's that bigger impact he highlighted when chatting to us about moving onto Cleethorpes and looking back on his time at Workson.

"The stats speak for themselves and you don't get that from an unhappy player but I like to look at the wider picture," Hughes, who won a promotion-FA Trophy double with Cambridge United in 2014, said. "The whole community feel, the relationship I had with fans, supporting people with issues on the mental health side that I am a big advocate for.

"I always say this, there is a bigger picture than just a game of football. It's how you integrate with people, how to communicate with fans and make the whole place feel like you're all in it together.

"That's something I want to try and achieve at Cleethorpes as well. I don't just see myself as a cog in a machine on a football pitch, there is

more to what I hope to bring to a football team than just knocking in a goal every now and then.

"It's bringing people together, sharing success together. Having that impact off the pitch is something I am really excited to try and bring to Cleethorpes."

And Hughes is steadfast in his belief of the power of Non-League football and the people involved.

"For me, it's why you make sacrifices, travel up and down the county," Hughes said. "Non-League football is the epitome of togetherness. It's the backbone of English football. Die hard fans who play their hard earned money to support you.

"When you're trying to achieve things it's sometimes easy to forget why you do it. Non-League is why we love the game. It brings people together.

"Someone could be going through some of the hardest things in your life and that togetherness on a Saturday or Tuesday night, whatever it may be, is enough sometimes to break the back of some really difficult times.

"It certainly saved my life – having a goal to achieve and work towards with my friends and family supporting me.

"It's something I am really passionate about. Non-League football is bigger than just a game. It's people's lives, volunteers sacrificing their time to make a football club what it is. If we can repay that a little bit on the football pitch I am absolutely here for it.

"The reason I play the game is for my friends, my family and all the fans who dedicate their lives to the club. That's not just the Cleethorpes Towns and the Worksons, it's every Non-League supporter across the country. My hat goes off to you! It's amazing."

Thomas
Taylor

Good afternoon all and a warm welcome to the all the supporters, staff, and players of the league leaders Walton & Hersham to the Bob Lucas Stadium. We hope you enjoy your visit and have a safe journey back to leafy Surrey later on.

Well after what seemed a promising start to another new era suddenly came to a halt last Saturday at Evesham. In a game which was a dreadful watch at times yet again a simple straightforward goal which was the absolute definition of route one undid us and a real opportunity to put some daylight between us and the bottom four was squandered. A win would have given everyone a lift, but yet again basic errors are costing us against teams that should not be anywhere near us.

Our opponents today are storming towards the National League South at a truly rapid rate. The Swans seem to gobble up any opposition and not just from our league but others as well as demonstrated by their current FA Trophy Run where they are in the fifth round proper and face a potential date with the ultimate giant killers of them all Macclesfield. Anything short of a masterclass in all areas will see us get anything against our visitors this afternoon.

Last time out at home against Wimborne did give us hope that at least at home we can start to get the points we need to stay in the Southern Premier League South again. It will be without a doubt our toughest challenge today. These fans who came against Wimborne and against Dorchester away need to be here this afternoon to give us any chance whatsoever of pulling off a stunning upset.

Let us bring the noise and back Jamie and the boys this afternoon.

Come on you Terras!

Thomas
