FROM THE BOARD ROOM

Tuesday night at the County Ground was a reminder of what this Football Club can mean to the local game. A crowd of 1,139 turned out for the Dorset Senior Cup Final against Dorchester Town, creating a fantastic atmosphere and showing the strength of support for football in the county. In a season that has presented its challenges, it was especially pleasing for everyone connected with the club to see the players lift the trophy and retain the Dorset Senior Cup.

We appreciate that the Dorset Senior Cup is not everyone's favourite competition. However, it remains an important opportunity for us to represent the club on a local stage and demonstrate the scale and ambition of what we are building here. Nights like Tuesday show just how much support there is for the club across Dorset, and it is something we are proud to represent.

With that support also comes responsibility. As a club we are always grateful for the backing our supporters give us, both home and away, but we are equally conscious that certain behaviours can sometimes give cause for concern. We work hard to monitor and manage supporter conduct wherever possible, and we will continue to address issues when they arise. Our aim is to create an environment where everyone feels welcome and proud to support the club.

A key part of that is growing our fanbase, particularly among younger supporters. We want the next generation to feel that this is their club and their place to watch football. But with that ambition comes a shared duty for all of us – players, staff, supporters and families alike – to set the right example and ensure the matchday experience remains positive for everyone involved.

Turning to this afternoon's match, we welcome Hungerford Town to Weymouth for what is another hugely important fixture. Every point matters at this stage of the season and there is no doubt about the significance of today's game. We have already shown what this group is capable of, most recently with the excellent 4-0 victory away at Tiverton Town, and the challenge now is to maintain that level of performance and determination.

We know the task ahead of us is clear: to keep fighting, keep believing, and do everything possible to retain our place in this league. Your support will once again play a huge role in that effort.

Thank you for being with us today and for the continued backing you give the team.

FROM THE SA ADE MACDONALD

Good Afternoon,

I'd like to welcome the supporters, players & officials of Hungerford Town here to Weymouth. I hope you enjoy our hospitality this afternoon and I wish you all a safe journey back to Berkshire after the game.

I was on holiday for the last home game and so Pete wrote this page. I know that he talked about his recent decision to step down from his role as SA Chairman and as our representative director on the club board. We're working on agreeing successor(s) for those roles and we'll update as soon as we have more news. Throughout his eight years in the SA hotseat Pete has fulfilled the role to the maximum. Our board has grown in number and in strength and we now provide more assistance to the club than ever before. At the same time, we have maintained the necessary degree of independence, so that we represent the best interests of supporters and of the club itself. Leading the SA and representing us in the boardroom isn't as simple as some might think it is. Pete has done a great job and whoever picks up the baton from him has some big shoes to fill!

Weymouth FC Hall of Fame.

Final plans are coming together for the dinner night at the club on Friday 20th March. On the night Pete Pavey, Ben Thompson, Lee Bradford & Jorge Diaz will have their place in the WFC history books recognised by their induction into the Hall of Fame. Guests will also enjoy a three-course menu provided by Loose Moose catering. There are a limited number of tickets still available, so if you'd like to go then please get them quickly. Cup Winners!

Congratulations to the boys for their victory in the Dorset Senior Cup final on Tuesday night. I know that we all have our opinions on the worthiness of the competition and that the league campaign is so much more crucial etc, etc. But, a trophy is a trophy and deserves a good mention, particularly

when you go and win it in your closest rival's backyard. I must admit, I didn't go. 'Late home from work', 'the road is closed tonight', 'it's going to rain', 'it's only the DSC', all the reasons that meant I didn't need to persuade myself too hard to give it a miss. Fortunately, over 1100 people did make the effort and so the lads picked up the cup in front of a decent crowd. Terras fans haven't had a lot to enjoy so far this season, so let's take a moment to savour a quote from The Echo on Wednesday.

Dorchester were left stunned though as Douglas doubled his side's lead from the resulting corner and left the hosts with too much to do with just over 10 minutes to play.

With that, and the rain continuing to pour down, Dorchester fans started making their way to the exit and Weymouth retained their crown for back-to-back titles and their 27th overall.

Back to the serious business of the league today. We're in the deep end now and nobody needs reminding of just how crucial the remaining games are going to be. We know that this team can beat any other team in the league on their day. We've seen them do it against the top sides. We also know that works the other way around as well, and that is why we are where we are. We go into today off the back of the win at Tiverton last week and with a freshly polished trophy upstairs in the cabinet. Our visitors today need these points just as much as we do. All of that sets the scene for a good game. Our home fans are the best in the league, so please bang the drum, sing the songs and give the boys the best support that we can.

FROM THE TERRACES

THOMAS TAYLOR

Good afternoon everyone and a warm welcome to the Bob Lucas Stadium for today's Southern Premier League South clash against our visitors, Hungerford Town. A special welcome as always to the Crusaders' supporters, staff, and players—may you enjoy your time by the seaside and have a safe trip back to Berkshire later on.

Last Saturday's win at Tiverton was much needed after two abject performances against Farnham and Uxbridge. With the Senior Cup in the bag for a second time we must now build on this momentum against the sides in and around us if we are to get ourselves clear of the bottom four and stay in this league.

Our opponents today know all about battling for every inch. Hungerford have rebuilt with purpose and resilience, and their recent form shows they're more than capable of taking points off anyone in this division. They're organised, physical, and carry a real threat on the break—so anything less than full concentration and commitment from the first whistle to the last simply won't be enough. They are fighting for their lives just like us so it will be a tough test this afternoon.

Those who travelled to support us recently, and those who have stuck with us through the ups and downs, know how vital today could be. A strong performance here would not only steady the ship but give us the momentum we need heading into a demanding run of fixtures.

So let's make this place bounce. Let's give Jamie and the lads every ounce of support we can muster. Let's make Hungerford feel the full force of the Bob Lucas.

Come on you Terras!

Thomas

STATS AND FACTS NUMBERS BEHIND THE GAME vs Hungerford Town

This weekend Terras boss Jamie Wells will be the seventh different manager to face Hungerford Town in the last seven meetings since 2016. Conversely the visiting manager Danny Robinson will have been present for the last five head to heads when the final whistle blows on Saturday afternoon. Under his stewardship he has enjoyed a thumping 5-2 win, two draws and just the one loss in the FA trophy in 2021.

Our most recent fixture was matchday no.13 back in October when perhaps both sides would have felt unlucky in a 0-0 Southern league draw. The Berkshire side had better fortune the previous time we faced each other in league action though – a 1-1 draw at Bulpit Lane was followed up later in the campaign with a stonking 5-2 win. That left the Terras deep in relegation trouble in 23rd place in the Conference South but Terras boss Bobby Wilkinson of course went on to pull off the “great escape”.

Wilkinson of course will be well known to both sets of fans having managed Hungerford for four successful seasons in the mid 2010's. Famed for knowing a loyal group of players that follow him as he moves to different clubs, Joel Rollinson & Scott Rees are just two of a handful who have featured for both clubs over the years.

Two unrelated players though (as far as I'm aware!) could well feature for Hungerford today though. Firstly Jeremiah Gyebi who played six times for the Terras earlier this season and, secondly, veteran Jordan Rose who had no less than four spells at the Bob Lucas. The 36 year old first appeared in claret & blue way back in the 2009/10 Conference South campaign but returned on three more occasions for short spells, culminating in the 2019/20 season. He weirdly has a record of featuring in two promotion seasons for the Terras and one relegation in those four stints!

This Saturday the Terras will be looking for a first win in four against the Crusaders in this crucial “six-pointer” battle!

HUNGERFORD TOWN ~ HISTORY

1886-2023

The Early Years – The first mention of forming a football club in Hungerford was in the parish magazine of November 1873 when those interested were invited to send in their names. But it was not until October 1886 that Hungerford Town Football Club was officially founded. The club has come a long way since with a vast number of volunteers, supporters and players contributing to its 134-year history. The club's original name was Hungerford Swifts. Matches were originally played on "the Downs" (now Hungerford Common) and then subsequently on the western edge of the town, an area known locally as "the Marsh", before the club moved to its present ground in Bulpit Lane shortly after WW1. Initially the club played only friendly matches but soon became a powerful force in local football and won its first recorded trophy in 1905 when winning the Newbury Graystone Cup. Hungerford won its first league title, the Newbury & District League, in 1912/13, before all competitive football ceased between 1914 and 1918. The club picked up where they left off and was immediately successful when the Newbury League restarted in 1919 and Hungerford were league champions in both 1920 and 1921. That era saw the emergence of Reverend Denning, known locally as 'the old man,' as a driving force and benefactor of the club and the team included surnames still familiar in the town to this day. It was in 1948 when another legend of the club, Ron Tarry, attended his first game. Ron went on to fill every position at Hungerford including 1st Team Manager, Chairman and eventually Club President. He sadly passed away in 2022 but will forever be remembered as 'Mr Hungerford Town'. Hungerford Town continued playing at intermediate level with mixed fortunes in the Newbury & District and the Swindon & District Leagues before senior status was finally achieved in 1958 when joining the ranks of the Hellenic League.

The 1970s & 1980s – After a period of team rebuilding in the 1960's Hungerford began the new decade in fine form and won the Hellenic League Div. 1 and League Cup double in the 1970/71 season. The 1970's were a "golden" decade for the club and we entered the F.A. Cup for the first time in 1973. The facilities were improved with the opening of a new clubhouse in 1974 and new changing rooms and floodlights added in 1975. The club reached three Berks & Bucks Senior Cup Finals in four years and although defeats by Chesham United, Slough Town and Wycombe Wanderers were disappointing it was a sign that the club was making significant progress on and off the field. In 1974 Don Revie brought his England side, featuring the likes of Kevin Keegan, Mick Channon, Trevor Brooking and Ray Clemence, to Bulpit Lane for a training session. The 1977/78

HUNGERFORD TOWN ~ HISTORY

season saw Hungerford finish 3rd in the Hellenic League, win the League Cup and produce a fairy tale run in the F.A. Vase, eventually losing out to Barton Rovers in a SF replay. These achievements enabled the club to gain election to the Isthmian League in 1978. Hungerford Town soon established themselves as a force in the higher level and just missed out on promotion by finishing third in 1979 and 1980 whilst creating club history in 1979 by reaching the 1st round proper of the FA Cup for the first, and so far, only time, losing 3-1 away to Slough Town. That same season they reached their second FA Vase SF but were again denied a place at Wembley when losing to Guisborough Town 5-3 on aggregate. 1980/81 brought more disappointment with yet another 3rd place finish in the league but there was some consolation when the club was invited to compete in the prestigious Anglo Italian Semi-Pro tournament, alongside Bobby Moore's Oxford City. 1982 finally brought success and a major trophy when Hungerford defeated Wycombe Wanderers 1-0 at Wokingham Town to win the Berks & Bucks Senior Cup. Promotion was again narrowly missed in 1984/85, but the club then entered a rather turbulent period when after 9 successful years as manager Jim Kelman left the club. 1988/89 saw a return to prominence under joint managers Gary Goodwin and David Dodds who guided the club to sixth place in the table and a third FA Vase Semi Final appearance. This time it was Sudbury Town who denied Hungerford its much-deserved trip to Wembley.

The 1990s & 2000s – The club finished in the top ten of the league table in 1991, 1992 and 1993 under Gary Goodwin and later ex-Manchester United player Wilf Tranter (RIP) before a dismal start to the 1992/93 season saw the departure of Tranter at Christmas. Former Hungerford goalkeeper Jimmy Greenwood briefly returned to the club as manager and achieved Division 2 safety before former players and brother-in-law Cabbie Smith and Norman Matthews combined to keep the club ticking over in the Isthmian League for the next two seasons. 1996/97 brought the club its highest finish for several seasons but the club entered a transition phase for much of the late 1990s and although former Swindon Town legend Don Rogers took over as manager the league form was disappointing, and Rogers resigned just after the start of the 1999/00 season. Gary Ackling took over as manager and sought to change the emphasis of the club by looking for local youth talent and produced a strong mid table finish in 2002. Unfortunately for the club, the deadline for ground improvements was not met at the end of the 2001/02 season, and a relegation to the newly restructured Isthmian Division 2 followed. For the long-term benefit of the club, the decision was taken to re-join the Hellenic League for the 2003/04 season and the process of rebuilding on and off the pitch began. Former player Tim North kept things ticking along nicely before Alan Clark was appointed manager in 2006. The league and cup form gradually improved and a push for promotion

HUNGERFORD TOWN ~ HISTORY

was mounted once again. The election of Nigel Warrick as Chairman in 2008 kick started a refurbishment program for the club's facilities and fresh impetus for the team. Despite a sticky start in the league the team went on a 22-match unbeaten run and won the Hellenic League title and promotion to the Southern League.

The 2010s – The decade began with a new man in charge, Bobby Wilkinson, and so began the club's most successful decade in its 125-year history. Undeterred by a play-off defeat in 2012, the team finished as runners-up to Poole Town in 2013 and this time there was to be no heartache in the play-offs as Hungerford beat Paulton Rovers and Merthyr Town to win promotion to the Southern League Premier Division. The surge continued and a run of ten wins on the bounce between March and April 2014 took the club to within a point of the play-offs and a magical run to the last 16 of the F.A. Trophy evoking memories of the wonderful F.A. Vase runs of the 70s and 80s. The 2014/15 season saw another strong challenge in the league and a place in the play-offs but this time the bid for promotion was ended by defeat to eventual promotion winners Truro City. The 2015/16 season began indifferently with an early F.A. Cup exit and some inconsistent league performances but a run to the 2nd Round of the F.A. Trophy, only bowing out to National League side Chester, augured well for the season. A strong second half of the campaign resulted in yet another crack at the play-offs. Things looked bleak in the semi-final when the team were two goals down at Hitchin Town on the hour but came back to win 3-2 and on a never-to-be forgotten rainy Bank Holiday Monday at Bulpit Lane another great comeback saw Hungerford beat Leamington FC 2-1 to achieve promotion to the Vanarama National League South. Hungerford's first season in the National League proved that the team could survive at this level despite "punching well above their weight" as a club. At one stage Hungerford were in the play-off places but eventually finished in 6th position and the team reached the final of the Berks & Bucks Senior Cup for the first time in 35 years, losing narrowly to National League South champions Maidenhead United. The 2017/18 season began with much optimism but in August long serving manager Bobby Wilkinson resigned along with his entire backroom staff. Senior players Jon Boardman and Ian Herring stepped up as joint managers and steadied the ship before the departure of Chairman Nigel Warrick, and necessary cuts in the club's playing budget, forced a re-structure and Herring being handed sole charge of the team. Two seasons of fighting relegation on and off the field ensued but despite the difficulties Herring and his players kept the club in the National League against the odds with successive final day results against East Thurrock United keeping them up. In March 2019, Patrick Chambers stepped forward to become the new Chairman and together with his wife Nicky, provided a welcome boost to the

HUNGERFORD TOWN ~ HISTORY

club. With the team struggling at the bottom of the league, and with an albeit slim but mathematical chance of staying up yet again, the Covid-19 worldwide pandemic struck and all football in the UK was suspended. In unprecedented circumstances Hungerford were handed a reprieve and lived to fight another day at their hard earned highest high level of football.

The 2020s – In the close season of 2020, with the pandemic causing worldwide chaos, Ian Herring departed as manager and the club moved swiftly to appoint former Thatcham Town Manager Danny Robinson. Robinson had won the Hellenic League title and F.A. Vase double in 2018/19, and Thatcham were leading Division one South of the Southern League when the season was curtailed. Despite the usual predictions of relegation from those outside the club, and there being no supporters allowed into games, the Crusaders quickly began to surprise many and were in a healthy 7th position in the table when the season was again ended by the pandemic. With recent ground improvements completed, including new changing rooms and the completion of a 400-seater stand in 2021, the team quickly took up where they had left off and were once again challenging for a play-off place before fading towards the end of last season and eventually finishing 12th in the table. Alas, Hungerford Town, with the smallest resources in the league, could not repeat the trick for a 7th successive season in the National League and they were relegated, for the first time in living memory, back to Southern League. Unperturbed, Danny Robinson assembled a new squad of players which finished in 8th position, missing out on the playoffs by only five points, and a similar squad of players repeated that trick last season, this time finishing in 7th place having had a strong second half of the season. Hopes are high however, that this ‘small but mighty’ club can once again defy the odds and continue its remarkable journey.

Danny Robinson

Danny recently took charge of his 1000th game as a manager. He made the switch to Hungerford Town in May 2020 after five very successful years with Thatcham Town with whom he won a glorious double of the FA Vase at Wembley and the Hellenic League in 2018. Having guided the Kingfishers to promotion to the Southern League Division 1 South, Danny was on the verge of another promotion with Thatcham before the season was curtailed by Covid-19 in 2020. Danny began his managerial career at Alresford Town before enjoying a spell at Winchester City. He joined Hungerford in 2020 and guided the team to a respectful 7th position in National League South table before the season was again cancelled. In 2021/22 Danny's team defied all predictions by finishing in a safe mid-table position but the team's luck finally run out in 2023 when Hungerford were relegated back to the Southern League. 2023/24 and 2024/25 were seasons of consolidation, only narrowly missing the play-offs, and Danny and his team are determined and eager to return the Crusaders back into the National League as soon as possible.

THE CRUSADERS- PLAYER PICS

Luke Cairney

Born in Blackburn, Lancashire Luke came through the Burnley F.C. academy before moving south. He joined the Crusaders in 2020 and played a pivotal part in keeping Hungerford in National League South before departing for spells at Poole Town and Winchester City respectively. Luke rejoined the Crusaders in the close season and is a very welcome addition to Danny Robinson's squad.

Tyler Blackford

The young full-back has stepped up this season from our U23 squad and rewarded with a promotion to the first team after making an impressive debut away at Havant and Waterlooville earlier in the season.

Ramarni Medford-Smith

This talented left-back joined the Crusaders in September 2023. His most recent clubs include appearances for Bracknell Town, Farnborough and Marlow. Ramarni began his career at Reading where he played for both the U18 and U21 sides with a spell at National League Torquay in between.

George Smith

This combative midfielder, with the ability to score important goals, joined the Crusaders in 2019 from local village side Kintbury Rangers. The last couple of seasons have been blighted by injury, but George recently made his 100th appearance for the club and this fans and favourite is back raring to go again.

Jordan Rose

Jordan started his career, aged 12, at Southampton before moving to France and playing youth football for Stade Malherbe Caen. On his return to England he undertook a two-year scholarship with Bournemouth before a professional career at Stockport County. He joined Hungerford Town from Winchester City in December 2024 and numbers Salisbury City, Weymouth, Bath City, Hereford United and Hayes and Yeading amongst his previous clubs.

Matt Berry-Hargreaves

A quick and technically gifted defender, MBH graduated from the Hungerford Town Academy having made his Crusaders' debut aged just 17 in the 2015/16 season. Matt then completed a two-year scholarship at Oxford Utd before being released in 2019 and coming 'home' to Hungerford to play at the heart of the defence. He has now made over 180 appearances for the club.

Josh Marcon

A creative midfielder who can pick up the ball and make things happen, Josh joined the Crusaders from Beaconsfield in February 2026.

THE CRUSADERS- PLAYER PICS

Fabio Lopes

Fabio joined the Crusaders for a 3rd time in October 2025 following a recent spell at Sholing and is closing in on 50 appearances for the club. He began his career with Sporting CP, a professional Portuguese club based in Lisbon, before moving to England and signing for Brackley Town before joining the Oxford United Academy.

Ewan Lynch

Ewan bolsters the Crusaders' options up-front after joining the club from Horndean in January 2026. The striker has also had a spell at Didcot Town.

Kyle Tooze

One of the most popular members of the squad, Kyle is a battle-hardened Southern League striker who counts Mangotsfield United, Yate Town, Paulton Rovers and Thatcham Town amongst his previous clubs. Re-joined the Crusaders from Thatcham in December 2024 for his second spell at the club.

Cam Squires

Formerly a member of our U23 squad who has stepped up into the first team this season. Cam brings a hard work ethic and tenacity to our midfield.

George Franklin

George joined Hungerford from Bracknell, and has also had a spell at Ascot United this season. The defender came through the ranks at Oxford United.

Henry Woodcock

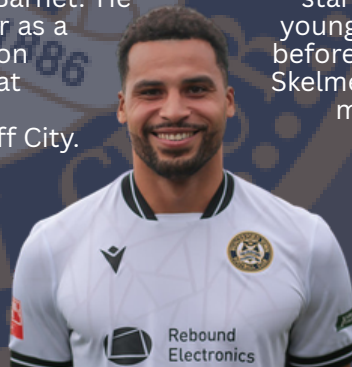

Danny Robinson was delighted to capture the signature of this experienced goalkeeper as back up to Luke Cairney this season. "Woody" has played "all over the place" in his words including spells at Kidlington and Fareham Town.

Andrio Brandao

Andrio joined Hungerford from Uxbridge in January 2026 after previously impressing manager Danny Robinson with his direct style and eye for goal whilst at the London club and on dual registration terms at Ascot United.

Tyrone Duffus

Tyrone joined Hungerford in the close season from fellow SLPS side Gloucester City. He was previously with Swindon Supermarine whom he joined in July 2021 having left National league side Barnet. He started his career as a youngster at Everton before a loan move to Skelmersdale and a Cardiff City.

THE CRUSADERS- PLAYER PICS

Louis McGrory

Louis began his career with Swindon before moving on to play for Forest Green Rovers. He re-joined Hungerford in the summer of 2024, his third spell at the club, and has now made over 150 appearances for the Crusaders. Louis has also had spells with Weston Super Mare, AFC Telford Utd and Gloucester City at National League level.

Rhys Tyler

Now in his second spell with Hungerford, Rhys is club captain and longest serving current player having made over 300 appearances as a Crusader. He has also played for Wealdstone and Chippenham Town in the National League and was formerly a professional in Germany where he played for Rot Weiss Oberhausen and Rot Weiss Erfurt.

Darnell-Joe Luke

The midfielder added to our midfield depth after signing from Sutton Common Rovers in February 2026.

Sam Francis

A powerful, box-to-box midfielder, Sam had impressed many clubs whilst at Westbury and Danny Robinson was delighted to sign him in January 2026.

Joe Shepherd

Joe is a very skilful box to box midfielder who was originally a product of the Cirencester Town Academy. He has a great engine, will run all day for the cause and is very popular with both teammates and fans alike. Joe became a Crusader in the summer of 2023, joining from Cirencester, and had a successful spell with Swindon Supermarine.

Eddie Brearey

The goalkeeper, who came through the academy at Oxford United, joined the club in February 2026 from Leamington after starting the season as their number one.

Charlie Austin

Charlie has finally 'come home' to play for his hometown club after a glittering career that has taken him to the heights of the Premier League and at one point a place in the senior England squad. Released from his contract by Reading as a youth, Austin played non-league football for Kintbury Rangers, Hungerford Town and Poole Town before signing for Swindon Town in 2009. He went on to score goals for Burnley and Queens Park Rangers in the Championship before making his debut in the Premier League during the 2014-15 season, scoring 18 goals for relegated QPR and receiving a call-up for the England national team. He returned to the Premier League in January 2016 when he signed for Southampton, scoring the winning goal against Manchester United on his debut. Charlie also played for West Bromwich Albion and had a brief spell with Brisbane Roar in Australia before returning to England for a second spell with Swindon and spells with AFC Totton and Basingstoke Town.

Jerry Gyebi

A tall, imposing and athletic centre-back, Gyebi joined the Crusaders from Potters Bar for a second spell at the club. Gyebi had previously played for Hungerford during our time in the National League South. A promotion winner at step three with Dover Athletic, Gyebi has also played for Dulwich Hamlet and Weymouth among his previous clubs.

Woods Words

Richard Wood

A disappointing home loss in our last match here meant that we absolutely had to get something away at Tiverton last Saturday and although it was a bit of a struggle initially by all accounts, we eventually got control and a comfortable looking 4-0 scoreline was achieved.

I would suggest the win was the bare minimum required.

The Dorset Senior Cup final in some ways is seen as a bit of a hindrance, with the risk of injury, but it's still nice to win it rather than lose it especially against the old rivals!

We do have them to face of course before the end of the season here in the league and I that's the one we both need to win, us especially, as things stand, so it was probably a good idea not to crow about the win too much!

I don't know if there will be any more new players coming in for the run in, quite a few players have been released in and around our division and quite a few clubs down at the bottom end of the table have made a switch of manager, no doubt hoping new manager bounce will see them retain their Southern Premier League status.

Time will tell of course on that, all we can do, as I said before, is try and approach every game to win it.

Today's opponents are also struggling down with us and they have had some financial problems, but the looking at results they do seem to be still competitive, so although we need a win today it will be by no means easy, as we can see Hungerford are still more than capable.

The games played by the bottom end teams are now nearly evened out and that gives us a little bit more of a clear idea of just where we are.

We have been fairly lucky with a lot of results going our way, one or two which haven't, but you are not going to have everything.

Let's hope we just do our bit and see what happens at the end of the season, that's all we can do, as long as the players give it their all every game I won't complain from this point. I am very disappointed that by the fact that we are fighting a relegation battle this season though, I didn't think it would be easy in this league as I said before, but I did not envisage us fighting for our lives to stay in this division.

That's it for now let's hope we can get the three points again today.

'till next time

⚽ Welcome to the Team, Morgan! 💜

We're really excited to introduce Morgan, one of the newest coaches at Weymouth in the Community!

Morgan also plays football for the Weymouth Women's Team and brings a huge amount of passion and energy to her coaching. She first began coaching at just 16

years old, inspired by a strong desire to support and develop young players both on and off the pitch.

Since then, Morgan has built experience across academies, schools, FA Wildcats and SEND settings, and most recently coached with Plymouth Argyle. Her sessions are all about energy, inclusivity and helping every player grow in confidence and ability.

We're incredibly proud to have Morgan join our team — and we're even more excited to announce that a new girls-only session will be launching very soon! 🏈

Stay tuned for more details... 💪

Weymouth FC Women

Last Sunday 8th March the ladies were in cup action at the Bob Lucas.

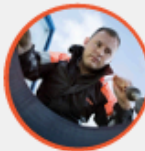

A highly competitive game against a strong Wimborne side saw the match end level at full time 1-1. It was then down to a penalty shootout to decide who progressed to the semi-final. Weymouth eventually lost 5-4 on penalties.

There is no match for the ladies this weekend. Next we travel to Swanage in a league match on 22nd March.

Congratulations to the men's side for the Dorset Senior Cup win on Tuesday night under the lights at Dorchester. The women's players and coaching staff were in attendance to cheer the lads on. #Terrasttogether.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

THE Class of 92 at Salford City, Ryan Reynolds and Rob McElhenney turbo-charging Wrexham and even Boyzone rocking up at Chorley, the Non-League game has long been appealing to celebrity investors.

And that shows no signs of slowing.

“The game is evolving and so are we,” said Dagenham & Redbridge chairman Anwar Uddin, who captained the club to the Football League back in 2007.

It came as the National League South club revealed YouTube star KSI was becoming a shareholder.

KSI boasts over 17 million subscribers and over four billion views on his main channel. He is also a main judge on ITV’s Britain’s Got Talent.

In a statement, the 32-year-old told of his dream to take Dagenham & Redbridge all the way to the Premier League.

“I’m so excited to start this journey,” the megastar said. “It’s gonna be a rollercoaster for sure but I hope to bring Dagenham and Redbridge back to the glory days. And once we reach that point, I want to go even further.

“Reaching the Premier League would be a dream. And I believe it is 100% doable. It will take a long time, so to the Daggers fans, please be patient.

“I want you to know that I am fully committed to making sure Dagenham and Redbridge is a team that everyone will know

worldwide, and will be an exciting team to watch and support.

“I’ve been watching games secretly at home for months on YouTube streams so it feels so good to finally show my support publicly.”

As it would happen, Daggers won their first game under KSI’s watchful gaze when they beat league leaders Dorking Wanderers 1-0.

Of course, opinions will vary on any celebrity involvement – as it did at Salford and Wrexham – but it’s fair to say the digital eyes of the world are on Non-League like never before. Technology has made the world a much smaller place and the game’s reach is greater than ever. Digital content is a huge factor in raising that awareness.

Last weekend, Witham Town enjoyed their biggest attendance in history – 1,205 – after YouTuber Ellis Platten encouraged his army of followers from his popular Away Days channel down to watch Town’s game against Gorleston in the Isthmian North.

“I think the English pyramid is the best in the world for many reasons,” Platten, who boasts 587,00 subscribers, said. “But one of the reasons is you can go anywhere in the country and within five minutes there will be a team which has a community to it. I don’t think there is anywhere else in the world that can rival that.”
