FROM THE BOARD ROOM

It's a real shame that, instead of focusing purely on the excellent progress being made on the pitch, I feel the need to address an issue off it.

The team's recent form has been outstanding — nine points from three league games, all with clean sheets — and that level of consistency is a huge credit to the management and the players as a whole. The recognition they are receiving is fully deserved.

However, there remains an ongoing concern regarding the behaviour of a small minority of supporters. Let me be clear — this does not reflect the vast majority of our fanbase, who represent the club in the right way, week in, week out.

Where we can, particularly at home, we find it easier to manage and address these situations directly. Away from home, however, it becomes a very different challenge. As a result, we are now looking more closely at how we use our own information and intelligence in the lead-up to fixtures, so we can better anticipate and manage any potential issues.

We will continue to work closely with fellow clubs, the police, and all relevant authorities to ensure that standards are upheld and that the environment around our matches remains safe and respectful for everyone.

Our focus remains on building something positive both on and off the pitch, and we ask for your continued support in helping us do that the right way.

Let's get behind the team today as we face a strong challenge against Sholing.

This will be a good test and may well show the significant progress we've made since our visit to them earlier in the season.

FROM THE DUG OUT

Good afternoon and welcome to the Bob Lucas Stadium for today's fixture against Sholing FC.

We know we're up against a well-drilled side, and we'll need to be fully focused to continue what we've been building.

The players deserve a lot of credit for the run we're on. Their attitude, commitment, and belief have been outstanding, and it's been reflected in our performances and results. There's a real togetherness in the group at the moment, but the message has been clear this week, nothing changes. We stay grounded, we keep working, and we keep pushing for more.

Winning runs are built on consistency, and today is another test of that. We need to approach the game with the same intensity, discipline, and hunger that's got us to this point.

Your support continues to play a huge part. We'll need that again this afternoon.

Let's keep it going.

INTRODUCING OUR MATCH SPONSOR

In Memory of John Avant

Unfortunately in mid December John Avant passed away from a short illness, aged 81. John was a lifelong Weymouth fan and was introduced to the Terras by his Dad when he was a boy. He vividly recalls making his way to the Rec on a Wednesday, they couldn't always make Saturdays due to work commitments at the family butchers.

He loved the atmosphere, the Bovril and swirling cigar smoke. It became a ritual that eventually he passed on to his sons Matthew and Keith, who in turn passed on to his grandchildren Austin and Tess.

He was a proud supporter and followed Weymouth home and away.

This match sponsorship is a chance for his friends and family to remember him watching the team he loved.

Rest in Peace John Avant

FROM THE SA ADE MACDONALD

Good Afternoon,

I'd like to welcome the supporters, players & officials of Sholing FC here to Weymouth. I hope you enjoy our hospitality this afternoon and I wish you all a safe journey back along the south coast after the game.

Weymouth FC Hall of Fame.

The annual WFC Hall of Fame dinner evening was held at the club last Friday and once again this year a very enjoyable time was had by everyone who attended. We were delighted to have this year's inductees Jorge Diaz, Lee Bradford, Ben Thomson and Pete Pavey's sons, Neil & Matt with us for the evening. I had the privilege of sitting next to Thomo for dinner and had he entertained our table with his thoughts and tales of his time at WFC. The updated Hall of Fame scroll is now in place in the bar. As you can see in the photo, the old place scrubs up ok when we need it to. Arranging things such as this takes lot of work from our small team and so it's always nice when we're rewarded with a successful event.

On the pitch the lads have had some great results lately, winning the last four games including the Dorset Senior Cup Final. The league wins have seen us climb to the dizzy heights of 16th place and the teams around us are slowly catching up on their games in hand.

There is of course the cliché of 'no easy games in this league' but today really is another very tough one. Sholing are going very well and are in strong contention for a place in the play-off's, so they will be just as hungry for the points as we are. I say this every week and so, as always, us lot on the other side of the pitch wall have our part to play today with our usual level of home support. So, shout, sing, bang your drums and cheer the boys on. Let's hope for some more vital points in the bag by 5.00pm!

Up The Terras,

FROM THE TERRACES THOMAS TAYLOR

Good afternoon, everyone a warm welcome to the supporters, players, and officials of our visitors Sholing. We hope you enjoy your afternoon (without winning) and have a safe journey back to Hampshire later on this afternoon.

I will omit what happened off the pitch on Saturday at Yate Town as I want to solely focus on the pitch. Gaining those three points and making it three on the spin very much keeps us in the driving seat to keep our status in our own hands. The second half on Saturday was one of the strangest second half I have witnessed but that apart the win was what mattered.

Our visitors today still have the play offs very much in sight despite the loss on Tuesday night to the league leaders (beating Walton & Hersham is not for everyone it seems). One place outside the play offs with a game in hand they will be looking to take advantage of that this afternoon. The fixture earlier in the season should have been a comfortable win after the hosts went down to ten men but a shocking second half meant in true Weymouth style of recent times we struggle when it comes to beating teams with less players on the pitch.

However, the recent form should give us all optimism to get the points needed to secure our SPLS status for this season. Personally, I think that 8-10 points will do the job then hopefully build again and head forward for next season.

Let us get behind Jamie and the boys this afternoon to edge closer to the line.

C'MON YOU TERRAS

Thomas

NON-LEAGUE DAY

28TH MARCH 2026

by Pete Nash

Non league day has been running for 16 years now and is scheduled during a Premier League international break. Supporters are encouraged to get out and support their local volunteer run non league club.

Prostate Cancer UK has teamed up with non league day to promote awareness of Prostate Cancer.

It is the most commonly diagnosed cancer in the UK.

64,000 men are diagnosed each year.

More than 12,000 men die from prostate cancer each year.

There are 540,000 men living with or after prostate cancer.

I was diagnosed in August 2023, having had my PSA monitored for some years due to ongoing symptoms. It's a shock I can tell you! Surprise doesn't really cover it! Takes some time to sink in and understand what it all means. It's like your world is shattered into a million little pieces. Do you have a future any more? What does that future look like? So much goes through your mind, it's really difficult at times to keep all the pieces in one place so you can at least try and put some of it back together again.

This is where Prostate Cancer UK come in. They provided me with information and vital support in those early days after diagnosis to help see a way forward. As we are all unique, and no two cancers are the same,

NON-LEAGUE DAY 28TH MARCH 2026

by Pete Nash

we all tread a different path, but it's Prostate Cancer UK who can help guide you in the right direction. My personal circumstances eventually lead me to chose active surveillance. My cancer is T2, meaning it is contained within the prostate. I've had a TURP to ease my symptoms and it has really helped and actually improved my overall quality of life. I'm well looked after and have nothing but praise for the NHS team whose care I am in.

I am grateful to Prostate Cancer UK for all the support they give to men like me and for championing testing and treatments for this terrible disease. I am running my first marathon in 13 years to raise funds in support of all they do for us. I've managed to reach 18 miles on my long training runs, so I'm pretty confident, that whatever might go wrong, I should be able to hobble, limp, crawl and drag myself around to the finish! I'm nothing if not stubborn!

I will be at the game on 28th March, so please some and find me by the club shop. If you want to talk about my experience, your experience, or that of a loved one, then come and see me. If you would like to support my fundraising, that would be great as well, but I would rather chat and get the message out there, that is my main mission. Yes, every penny helps with research and support for people like myself, but knowledge and understanding are equally important, because when detected early, this disease is beatable.

STATS AND FACTS NUMBERS BEHIND THE GAME VS Sholing

This weekend marks the seventh meeting between these two sides and the Terras will be hoping luck will be on their side as they aim to sink The Boatmen and beat them at the Bob Lucas stadium for the first time ever.

Yes our home fixtures against the Southampton-based-outfit have not been great to say the least – a pair of losses when we failed to score in either in fact. However both these games were only in the now defunct Southern league cup back in the early 2010's so not major competitions.

We have had better luck in more recent years when we played our forthcoming visitors three times in Hampshire under Mark Molesley's stewardship.

In his first spell, we thwarted Sholing 3-0 in the FA cup qualifying rounds in 2019 although this was very much the expectation as our opponents were plying their trade two divisions below us in the football pyramid at that time.

Molesley repeated the feat twice in his second spell in 2024/25. A pre-season friendly win by two goals to zip was followed up by another FA cup victory by four goals to one – on this occasion Sholing just one rung below us in the football pyramid.

Fast forward to this season though and our luck departed us when we faced Sholing in league action for the very first time back on matchday no.3 in August as despite enjoying a 2-1 half-time lead and a man advantage, the Hampshire side came back with two goals in the last eight minutes to take all the points that day.

SHOLING ~ HISTORY

The Boatmen, nicknamed after the club's history of shipbuilding, have a long, but fragmented history, running teams from the Woolston Works as early as 1878.

In March 1887 they were finalists in the first Portsmouth Challenge Cup, beaten 1-0 by Portsmouth Association Club. The Club were only beaten twice in 16 games that year (goal tally 72-6) and won the last Hants & Dorset Challenge Cup before those Associations split.

Woolston Works won the first ever Hampshire Senior Cup Final in 1888, beating Winchester 2-0. There was some controversy that year concerning Woolston's professional attitude, which was referred to as 'Kesson's Boots'. Andover were beaten in an earlier round by Woolston, in which a Glasgow - based player called J. Kesson played a prominent part.

Andover protested that Kesson should be disqualified on the grounds of residency - although he had played for Woolston Works earlier that season, he had since moved back to Glasgow. Woolston's appeal rested on the fact that Kesson had left a number of clothing items at his lodgings in Woolston, and this should be interpreted as his intention to return. The Hampshire FA upheld the appeal and allowed Kesson to play.

Re-forming after World War 1 as Thornycrofts (Woolston), they were admitted into the Hampshire County League from 1919 to 1926. In 1920 Thornycrofts reached the FA Cup First Round proper (pictured below), meeting First Division giants Burnley at Fratton Park, and held them to a 0-0 draw in front of over 10,000 spectators, before losing 5-0 in the replay, three days later. Burnley were Football League runners-up that season before winning the Title the following year.

After World War 2, Thornycrofts Woolston re-formed in 1947 but were only able to keep going until 1952.

The Club were re-formed as VOSPER THORNYCROFT FC in 1960 and joined the Southampton Junior League.

After many successful years in the Southampton Leagues, where the club won 6 Championships overseen by Arthur Fox, Trevor Lewis & Bill Boyle, Vospers were promoted to the Hampshire League Division 3 in 1991. The following season they were promoted to Division 2. 1997/98 saw Vospers as Hampshire Intermediate Cup Winners.

1999/00 Dave Diaper is appointed manager

2001/02 Vospers win the Southampton Senior Cup at St Mary's Stadium.

2002/03 Vospers re-named as VTFC (after the parent company), and were Runners-up in the Southampton Senior Cup.

2003/4 A double winning season as Hampshire Premier League Champions & Southampton Senior Cup Winners and promotion to the Wessex League for the first time.

SHOLING ~ HISTORY

2005/06 VT again win the Southampton Senior Cup

2006/07 VT finished in third place and won the Southampton Senior Cup yet again. The Club's 4th victory in 6 years.

2007/08 Runners-up in the Wessex Premier League and continued our dominance in the Southampton Senior Cup, winning it for the third consecutive year.

2008/09 Club gained promotion to Step 4 for the first time by finishing as Wessex League Premier runners up. Also won the Wessex League Cup with a 2-1 victory over Hamworthy United. Club reached the final of the Hampshire Senior Cup, but were defeated 1-0 by Fleet Town.

2009/10 In our first season in the Southern League South & West Division we finished a creditable 4th, reaching the play-offs, but were defeated by Bridgewater Town in the Semi Final. We reached the final of the Red Insure League Cup, but lost on penalties to Cambridge City. The Southampton Senior Cup was won again at St Mary's, defeating Team Solent 2-0.

Club changed name in July 2010 to SHOLING FC after the parent company, VT Group, were no longer in existence with the closure of the Woolston shipyard. We decided to reflect the name of the area of Southampton nearest the ground and adopted the Red & White stripes so associated with the City.

2010/11 In our second season in the Southern League South & West, we finished 2nd, but agonisingly missed out on promotion in the play off final, losing 1-0 to Frome.

2011/12 For the third season on the trot we reached the playoffs only to fall at the first hurdle to a 1-0 away defeat by Gosport.

2012/13 We finished 7th in the Southern League South & West, but the club made the difficult decision to voluntarily drop out of the Southern League.

2013/14 Back in the Wessex League Premier Division we weren't defeated until February. Despite having to play 20 games in 30 days due to a bad winter, Sholing won the title with 104 points and a goal difference of +105. We also won the Southampton Senior Cup at St Mary's.

The FA Vase win will be what most people will remember from this season. Back in October as we squeaked past Winchester City in the 1st round, no one was dreaming of Wembley, but as the rounds were ticked off, we started to get the feeling that our name was on the Cup. So, on the 10th May 2014 at Wembley Stadium, backed by over 3,000 fans, Marv Mclean scored the only goal in the 71st minute and Byron Mason & Dave Diaper lifted the Vase. In a whirlwind of activity that followed, the team paraded the FA Vase in front of 30,000 Southampton FC fans at St Mary's, were given an official reception by the Mayor of Southampton and appeared on both local TV stations.

SHOLING ~ HISTORY

2014/15 We were granted promotion back into the Southern League South & West division, finishing in 17th. Ground grading issues saw Sholing relegated back to the Wessex League.

2015/16 Sholing finished runners up in the Wessex Premier League.

2016/17 Boatmen achieved 2 Cup Wins in the space of 3 days at the end of the season. Firstly winning the Wessex League Cup with a 2-1 win over Baffins Milton Rovers, then defeating Team Solent 3-1 at St Mary's Stadium to lift the Southampton Senior Cup for a record 8th time.

2017/18 Sholing finished 3rd in the Wessex Premier for the 2nd consecutive season, scoring 100 goals in the process. 2018/19 Sholing were crowned Wessex League Champions with 8 games remaining. The Boatmen finished with a record title winning margin of 31 points and also the Wessex record for points per game (2.763). The club also won the Russell Cotes Cup for the first time.

2019/20 Boatmen climbed from the bottom 3 to 10th place and were looking good for a possible late run for the play-offs, before the season was sadly halted by the Coronavirus outbreak. Sholing created club history by reaching the First round proper of the FA Trophy for the first time.

2020/21 After decades of trying, the club finally built a new changing room building. History was made in the FA Cup when the club reached the 4th Qualifying Round for the first time where we were narrowly defeated by Torquay United.

2021/22 Boatmen started the season well and stayed in the top 6 until February, but finished 7th

2022/23 Sholing gained promotion to the Southern Premier South for the first time. After finishing the league campaign in 2nd place, the Boatmen firstly defeated Wimborne Town 2-1 in the play off semi final, before beating Hamworthy United 2-0 in the Final.

2023/24 After 25 years in charge, Dave Diaper stepped down with Paul Doswell taking over. Since "Dos" and a new board of directors have arrived, a new 400 capacity stand was built and many improvements have been made, including a large fan zone and 100 space hardstanding car park.

2024/25 Boatmen finished 11th, in part due to Michael Folivi scoring 21 goals in 23 games in the 2nd half of the season. In the close season, a world class 3G pitch was installed in record time and officially opened by Levi Colwill in front of 1,888 spectators as Sholing beat Chelsea U19's, 2-0.

Woods Words

Richard Wood

After a poor run of results we have now beaten three teams in a row, four if you include the Dorset Senior Cup final, all against teams around us at the foot of the table.

They say they are six pointers and you have to say we have done well to manage to get full points from those matches.

It has certainly helped with us in our battle to avoid the drop, the goal difference has improved as well.

Results in midweek in the main went ok for us too.

The work is still not done though and we know we have to keep picking up the points from now until the end of the season to make sure we retain our position in the league.

As we have seen before a good run can also be followed by a poor one and if that happens we could be dragged back into the mire again very easily.

It's funny, when winning games it seems to take longer to get up the table but you only have to lose one and you suddenly can drop a long way so we have to be mindful of that.

Today sees a different test against a team at the higher end of the table and although we lost here to one of those teams at the top of the table in Farnham, we did well against Poole town and Walton & Hersham, so it shows it can be done if we are on it on the day.

Even if it goes against us today, we have to brush it off and look to the next match as that's what's going to be required if we are to stay in this division.

As I said before a few of the clubs around us have changed managers and brought players in to try and give him that little bit of a boost in the remaining matches.

I am sure we may bring in a couple of players for the run in, but our tactic of keeping a core set of players seems to be working at the moment.

For the last five years or so we have seen a constant conveyor belt of players come and go during the season, mainly because in that time the summer recruitment has been very poor and we have had to rebuild during the season in almost each of those seasons, never ideal.

If you look at the teams who do well consistently, they have a set of core players in their squad who have played together for a number of seasons and that seems to be the best way to go.

Yes of course you are always looking to add to the squad if it will improve what you've got, but trialling players during the season is never going to work and it hasn't done to be fair.

I think it is all about just making sure we stay up this season and then hopefully next season if we manage to do that we can look to press on and actually try and put a team together who will be winning games on a more consistent basis, as that's what all football fans are looking for isn't it?

Going back to the Dorset Senior Cup final, I know it's very low on our priority of things at the moment, but if you get to the final and you are playing your rivals you want to win don't you?

You would rather win than lose although, if you lose it's not the end of the world, but we know we still have the Magpies to play here at Easter which could be a massive game, so again we have to be ready for that challenge.

Things are coming to the crunch.

'till next time,

Up The Terras!

THE **NON-LEAGUE** PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

WHETHER it's your first Non-League Day or your 15th, welcome to another fantastic occasion in the football calendar.

As so often said, this brilliantly simple idea from James Doe has had an impact on this level of the game he surely couldn't have predicted.

Back in 2010, inspired by watching his local side Harrow Borough play QPR, James had the foresight to come up with an event - on an international weekend - to encourage football fans to watch their local club.

Since then there's been countless weird and wonderful ideas put on by clubs to help bring people through the gates. It will be the same today.

From the likes of Farnham Town offering free entry to anyone who arrives before 2pm to FC United staging a friendly with Pinxton and the Essex Senior League running a Coast to City Groundhog with staggered kick-offs - with the Isuzu FA Vase trophy in tow for pictures - there is so much going on across the country.

In recent years, Non-League Day has also spread across Europe with the involvement of Athletic Bilbao and interest in Germany and France.

Italian giants Juventus are even getting involved with Maidenhead United and Barnton, while Palermo are teaming up with Corinthian-Casuals.

We all have our own reasons for watching Non-League football. For many it's the connection to the action we feel at games, the affordability, the knowledge your money over the turnstile or tea bar really matters - and the fact, more often than not, you'll see an enjoyable and entertaining match.

How many people reading this programme first stepped foot in a ground outside of the Football League on Non-League Day? You can be sure its impact will last well beyond the final whistle today. Enjoy your game.
