FROM THE BOARD ROOM

As we welcome Chertsey Town to the Bob Lucas Stadium this Saturday, there is no hiding the situation, we are in a dogfight. With two games left, both games are vital. Today more than ever, we must come out of the dressing room ready for that fight – focused, disciplined, and ready to make the most from every opportunity in the game.

Games like these can define us. Our players know what is required, and they have shown throughout the season that they are capable of rising to this challenge. We have the opportunity to finish strongly, to reflect the standards we have set ourselves, and to carry that momentum forward.

I would also like to take this opportunity, as we approach the end of the season, to express our sincere and heartfelt thanks to the volunteers who give so much for this football club. Quite simply, we could not function without you. Whether you are working behind the scenes, on matchdays, or supporting in countless unseen ways, your contribution makes a significant and lasting difference. Your commitment, passion, and generosity of time embody everything that is special about this club, and we are deeply grateful.

To our supporters, thank you for your continued backing through what has been a challenging and tough season. Your presence, your voice, and your support is what drives this team forward more than you know, so please for the next 90 minutes become the 12th man.

We are, and we will only ever be Weymouth.

FROM THE DUG OUT

Good afternoon and welcome to the Bob Lucas Stadium for our final home game of the season against Chertsey Town FC.

We know we're facing a tough side, and we'll need to be fully focused to get the result we're after.

Today is a big one for us. We know what's at stake, and the objective is clear, to secure our place in this league. The players have shown real character and determination in recent weeks, and now it's about delivering when it matters most.

I want to thank our supporters for sticking with us throughout the season and since I took over, your backing has been vital, and we'll need that same energy again this afternoon.

Get behind the lads and help drive us over the line.

Let's finish strong at home.

Up the Terras.

INTRODUCING OUR MATCHBALL SPONSOR

David Archer

After a few health setbacks, I am now glad to get to retirement age. I have over the years sponsored the Club in all three ways and so am pleased to be able to continue to sponsor and help Weymouth FC in this small way. I know how the club means so much to so many people and it is great to see.

I have the "legendary" Keith Miller and his son Matthew Miller as guests in the Lounge today.

Keith is a great friend to everyone who knows him and I know he helps with the Monday Club as a volunteer, and I will be presenting the match ball to him after the game as it will mean so much to him.

POWERED BY ENTAIN

FROM THE SA ADE MACDONALD

I'd like to welcome the supporters, players & officials of Chertsey Town here to Weymouth. I hope you enjoy our hospitality this afternoon and I wish you all a safe journey back to Surrey after the game.

Well, it's the final home match of the season and, at the risk of starting this page as Mr Miserable, it's been another long & painful season that has tested the spirit of even the most devoted Terra's fans. The last home match, against Dorchester, summed up the season in 90 minutes for me. I walked into the ground nicely optimistic, looking forward to an entertaining game and coming away content. I left the ground disappointed in what I'd seen and feeling that we'd just watched a definitive opportunity pass us by. I say definitive because I feel that the draw against Dorchester was 2 points lost rather than 1 point gained, particularly if Taunton win their game in hand. I know the season is over 42 games (I'll come back to that in a minute) but I can't help thinking that, at this stage of the season, those 2 points were a great chance for our position to be a lot healthier than it is now, going into the last 2 games.

How we've found ourselves in this position is a big subject, but not necessarily a complicated one. On the pitch it's fair to say that the managerial appointments over the past few seasons haven't worked out (hold on Jamie, I'm coming back to you). In that area we desperately need stability. Off the pitch, we had a very choppy first half of the season in the boardroom, with surprises and changes coming thick & fast for a while. The board we have are all good guys, but they are paddling their boat uphill week after week. I'm not suggesting for a second that any of the current Directors shouldn't remain, but the club must look to be stronger, more resilient and needs some strategic planning towards the future. There will be thoughts & possibilities that can lead to options & opportunities, but that's a programme filler for another day, so let's leave it there for now.

Right, after a doom & gloom start to this page, let me put some positivity in the air. I've touched on the need for managerial stability and in my opinion, I think we might have gone and found that, right under our own nose. Jamie Wells stepped up from his coaching position to take the Manager's role in December, his first game in charge being that win over Dorchester in the Christmas fixture at their place. I've been compiling some stats for this season that I think make for some encouraging reading. See what you make of this.

FROM THE SA ADE MACDONALD

Season before Jamie	P	W	D	L	Points	Points per game
	23	4	6	13	18	0.78

If the form above had continued, we would have finished the season with 33 points and be relegated already.

Jamie's record to date	P	W	D	L	Points	Points per game
	17	8	2	7	26	1.52

On Jamie's form over the whole season we would finish on 64 points, probably just outside the play-off places.

Throughout this season I've heard and read lots of comments & opinion that the players and the team aren't necessarily the problem. I think these stats go a long way to support those thoughts. I also think it's fair to say that if we find ourselves relegated this season then we don't lay the blame at the Manager's feet. The harm was done before he stepped up into the role. There you go Jamie, I said I was coming back to you. (Still wish we'd beaten Dorch though!)

It's been a busy season within the SA board as well. You'll have seen in recent weeks that our Chairman, Pete Nash, has taken the decision to step away from his SA role to become a WFC director solely in his own right. We're working right now to appoint a successor(s) into the role of our representative director on the club board and our chairman's position. Look out for more on that very soon. During this season we've also seen our long serving Secretary, Colin Huckle and Treasurer, Dave Parsons, retire from their positions. They've been succeeded by me as Secretary and Rob Nash as our new Treasurer. With any changes in personnel comes a few changes in the way things work, and we've been updating some of our systems and processes. It's a lot of work and is the stuff that goes on in the background that most people aren't aware of. In our 'front of house' we have ongoing work to update & improve the online club shop, the claret & blue lottery and the pitch squares fundraiser. Our Reward Scheme is also growing and we're planning to improve our social media coverage too. We'll continue working on all these things through the close season.

FROM THE SA ADE MACDONALD

So, on to the football again then. Obviously, we desperately need a win today and those valuable 3 points. We also need other results to go our way over the remaining games, but all we can do towards that is cross our fingers, our toes and anything else that can be crossed. For the final time this season we need the home fans to be at their very best and give the lads huge support. Remember those stats above, if we'd had Jamie and these lads from match #1 this paragraph would be worded very differently!

On behalf of everybody on the SA board I'd like to thank you for your support this season. As I said at the top of the page, it's been a tough one. But the diehard Terras fans are resilient & loyal, and we'll all be back here next season reading & writing the matchday programme, regardless of the league we're in. Until then, take good care of yourselves and have a great summer!

Up The Terras,

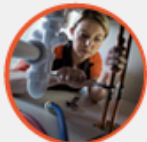

Ade

STATS AND FACTS NUMBERS BEHIND THE GAME VS Chertsey Town

As The Doors famously warbled “This is the end my beautiful friend”. What this is the end of remains to be seen, but it is the end of our home league games this season, and one we desperately need to win in our latest relegation battle. Our recent record in the ultimate home game of the campaign has not been great - four losses and just the one victory in our previous five here but we can take solace from the fact the sole three point haul was when we needed it the most – a 2-0 victory over Slough as part of the “Great escape” in 2023.

One last push at home is required from the boys in claret and blue to avoid the end of our elaborate plans, the end of everything that stands. Can you picture what will be? So limitless and free, desperately in need of some stranger’s hand as we have ears glued to transistor radios listening out for other scores.

But first and foremost we need to concentrate on winning against Chertsey – something we did not manage in our only other encounter against this Surrey side back in December.

On that day we could only field an injury-ravaged squad – exacerbated when young keeper Ben Clark was taken to hospital of the morning of the game. Despite not being truly fit to play himself, versatile Calvin Brooks donned the gloves, the best option available as the outfield player has at least some experience between the sticks over the years. He could not help to stem the tide of Chertsey goals though as a Bradley Wilson brace helped his team to a 4-0 victory.

In terms of players that have featured for both the Terras & the Curfews I can find just two. Lee Charles began his senior career at Chertsey back in the mid 90’s before being snapped up by QPR. However he never truly broke into the hoops first team squad and dropped back into non-league, eventually turning up at Weymouth in 2004/05 for a half season spell. Scott Rees is a more recent name having played at the Bob Lucas in 2022-24. He has also played for this weekend’s visitors at a similar time.

Back to this weekend and as Jim Morrison sang – the blue bus is calling us – driver where are you taking us? Hopefully to three points today and again at Berkhamsted!

CHERTSEY TOWN HISTORY

Organised football was evident in Chertsey well into the Victorian era, but county affiliation did not take place immediately. The official founding of the club took place in 1890 when matches were played in the West Surrey League. The first success came in 1897 when the Surrey Junior Cup was secured. A one year gap took place before football resumed in the same competition which eventually became the East and West Surrey League. A further halt in football took place during the Great War but soon after, in 1919, the club joined the Surrey Intermediate League where it stayed, uneventfully, until 1939 and a further break. An invitation to become founder members of the Surrey Senior League was not taken up in 1923 but membership was later assumed, on attaining senior status in 1946.

The club has played at various locations within the parish (Willow Walk, Free Prae Road, Staines Lane and Chilsey Green) before settling down at the present home in 1926. The suffix 'Town' was added to its title some 24 years later. The ground was donated by Sir Edward Stern as a football ground to the 'premier club in the parish'. Next door, a similar trust provides facilities for Chertsey Cricket Club. The main stand was constructed in the mid fifties; the original clubhouse added in 1960 and the first covered enclosure was built some three years later. Cover behind each goal was added in 1994 and 2010 respectively.

Chertsey became members of the Surrey Senior League in 1946, but success was scant until 1960 when winning the league championship. This was repeated twice in the next three years. The League Cup was also won on three

occasions. The club could not progress to the preferred Corinthian League so, in 1963 it controversially turned professional to enter the Metropolitan League. It gave an entertaining three but, the cost was too much. A drop to the Greater London League for one season occurred before a further shift to the Spartan League was made in 1967.

Indifferent results then dogged the club for almost two decades. This situation was briefly relieved in 1974/75 when the club were league and league cup runners up to an up an coming Farnborough Town. Meanwhile, the fabric of the club was being built up behind the scenes and despite lack of prominence on the park, movement was made via the London Spartan (1975/76) and Athenian leagues through to the Isthmian family with a place in Division Two South in 1984. Instant relegation to the Combined Counties League was suffered but a rejuvenated side won promotion back to Isthmian ranks within the year whilst winning the League Cup on the way.

The club was rewarded with good league positions but further promotion denied at first. The worst season after returning to the Isthmians came when the two Division Twos were split in 1991 and a place in the new Division Three had to suffice. This position was quickly rectified with a runner's up slot the next season. The club also reached the quarter finals of the F.A. Vase, emulating a similar performance in 1987/88. One year later, 102 points and a runner's up promotion place to Division One was nailed. The League Cup was also secured together with the Carlsberg Trophy in the same campaign along with the

CHERTSEY TOWN HISTORY

CONT...

League Charity Shield and the Isthmian 'Team of the Season' trophy.

Only one campaign was required in Division One before further promotion, to the Premier Division. The first season at that level was one of consolidation but the second was more difficult. A late rally was experienced, but was insufficient to avoid the drop to Division One. Two subsequent Division One campaigns were comfortable but the third proved too difficult after a very poor first half of the season.

Relatively respectable positions were attained for the next two seasons and then a return to Division One, taking a place in the revised south section in the Isthmian re-organisation. The side was not able to compete at this level and relegation to Division Two was suffered in 2003. With the dissolution of the division, the club was allocated to Combined Counties League in 2006. Promotionally hopeful situations were created regularly over the five terms in that competition.

Finishing as runners up in 2011 was enough to secure promotion to Division One Central of the Southern League. Unspectacular, but safe performances were achieved for two seasons. However, relegation was suffered in 2014, and with it a return to the Combined Counties League where four modest seasons prevailed.

A massive change occurred in the 2018/19 season that resulted in the league championship being secured with 13 points to spare. This led to promotion back to the Isthmian ranks and a place in the South Central Division. However, more memorable, was winning the FA Vase after turning over the score in the final to beat Cray Valley PM 3-1. The combination of these two feats made the 2018/19 the most successful season ever for the club. Covid affected the next two campaigns, but then a runners up spot was attained at the end of the 2021/22 season but the side lost out in the final of the play offs.

Mark Harper was appointed manager in 2023 and masterminded a side to win the Isthmian League South Central title championship side for the club to enter the Premier South Division of the Southern League in 2024. The current manager is Toby Little who took over in October 2025 after serving three years as a player, then this term as a coach under Josh Gallagher. The chairman's role is held Mark Turner. He ably assisted by Steve McPherson in that role.

The club also has a comprehensive junior section of boys at all ages. Chertsey Town's nickname, the 'Curfews' is derived from a locally famous bell that hangs in nearby St. Peters Church. The bell has rung out the evening curfew, now ceremoniously, for over five hundred years.

Woods Words

Richard Wood

Here we are, the final home match of a truly dreadful season.

We may know a little better just where we are as a club at the final whistle this afternoon, but even a win may not be enough.

What a mess!

Blame can, and I am sure will, be apportioned in the post mortem of the season, even if we do pull off another “great escape”.

We have been either relegated or almost relegated every season for the past five or six years, and that is very wearing even on the most loyal fan.

Player recruitment in the summer proved to be terrible and we have never really recovered from that.

Jamie’s and Jason’s record since taking the reigns has been pretty good, if their results had been over the whole season we would have been fine.

If the worst happens, what put paid to us was the beginning and middle part of the season. This also included an FA Cup loss in front of the BBC cameras that many people saw coming a mile off.

Is a “normal” season too much to ask for?

Lets get today over with first, then see if a miraculous escape is still possible after that.

In closing, whatever happens, I will still be here next season, be it in my voluntary role recording the matches, or as a fan on the terraces.

One way or another, see you next season.

Up The Terras!

Weymouth FC Women

On Sunday 12th April the ladies welcomed Bournemouth Electric to the Bob Lucas Stadium and came out 4-2 winners. Yet another great performance from our women's team.

This Sunday we are home again against Poole Borough in the League.

Date for your diaries. Next Tuesday 21st April (Kick off 19:45) we are in action in the plate cup final against another local women's team Ridgeway, being played here at the Bob Lucas. Please come long and bring your friends and family to what will be an amazing evening of football.

One final thought for the last programme of the season. This has been a challenging season for both our men's and women's teams. So let's all come together and show our support.

I just want to put on recorded how amazingly proud I am of our women's team this season. A rocky start and many changes and hurdles to overcome. We have seen the women come together and work hard with true team spirit. We look forward to finishing our season on a high and take the building blocks into the next campaign.

On behalf of the women's team we are all behind the Terras today.

Together we are stronger!

Enjoy today's game and hope to see many of you soon.

#TerrasTogether

Nat, Alfie, Johnny, Paul, and all of our players and staff.

And with many leagues at Steps 5 and 6 blowing the final whistle on another spell-binding season as early as this afternoon, champions are being crowned left, right and centre.

So, ahead of the midweek action, here's a quick rundown of who's already joined the Non-League Roll of Honour for 25/26.

While the nation are left praying they get to witness a historic National League title decider between Rochdale and York City on April 25, the battle for play-off places and to avoid relegation are as good as done.

Sadly, life at Step 1 is all over for Truro City, Braintree Town, Morecambe and Brackley Town, while the final play-off spot is Southend United's to lose at the expense of FC Halifax Town.

Perennially, National League North and South are ultra-tight affairs and it's no different this year with promotion places still very much up for grabs in both.

In the North, AFC Fylde and South Shields are slugging it out for the title with no fewer than TWELVE teams still dreaming of success. For relegated Leamington and Peterborough Sports, it's Step 3 for next season.

The South is equally as competitive with Worthing having leapfrogged a stuttering Dorking Wanderers to take charge with 11 teams harbouring promotion aspirations.

Eastbourne Borough, Enfield Town and Chippenham Town are relegated, with Bath City needing a miracle in order to avoid joining them.

The top of NPL Premier is just as exciting with Hebburn Town, Hednesford Town and FC United of Manchester all vying for title honours with Gainsborough Trinity, Stockton Town and Lancaster City all vying to join Warrington Rylands in the play-offs. In fact it's so tight, no team is officially relegated at the time of writing.

Folkestone Invicta have been crowned champions of isthmian Premier with Aveley and Billericay Town guaranteed a play-off spot. It's the end of the line, though, for Canvey Island and Potters Bar Town – their first relegation since 1979!

Southern League Premier Central also has new champions, in Harborough Town, while just three points separates five teams for two play-off spots, to join Spalding United and Real Bedford, seeking a FOURTH successive promotion. It's farewell, though, to AFC Sudbury, Royston Town and Barwell.

Walton & Hersham impressive waltzed to the Southern League Premier South title – their fourth promotion in six years, from Step 6 to Step 2 – with Gloucester City and Farnham Town, seeking a third straight promotion, guaranteed a play-off spot. Tiverton Town and Hungerford Town slip through the trapdoor.

In the Northern Premier League at Step 4, Redcar Athletic were impressive winners of the East division, racking up over 100 points in the process, Bury FC are seemingly closing in on NPL West success, and Anstey Nomads and Carlton Town are neck-and-neck in a thrilling finale to the Midlands division.

In the Isthmian League, Three Bridges clinched the South East title on Saturday to reach their highest ever level, joining South Central champions Leatherhead on the winners' rostrum. Maldon & Tiptree and Felixstowe & Walton United are producing a thrilling finale to the North.

In the Southern League, Leighton Town wrapped up Division One Central on Saturday, joining Division One South champions Frome Town in Step 3 next term.

Confirmed champions at Steps 5/6 are as follows:

Combined Counties League: Premier South – Cobham FC. **Division One** – Penn & Tylers Green

Eastern Counties League Premier – Mulbarton Wanderers

Hellenic League Premier – Slimbridge. **Division One** – FC Stratford

Midland Football League Premier – Hanley Town. **Division One** – Knowle

North West Counties League First Division North – Nelson. **First Division South** – Runcorn Town

Northern Counties East League Premier – Liversedge. **Division One** – Dearne & District

Northern League Division One – Guisborough Town

Southern Combination Division One – Godalming Town

Southern Counties East League Premier – Whitstable Town

Spartan South Midlands League Division One – Everett Rovers

United Counties League Premier North – Boston Town. **Premier South** – Nuneaton Town. **Division One** – Retford

Wessex League Premier – AFC Stoneham

Western League Division One – Devizes Town

Come 5pm this afternoon, more champion clubs will be added to this illustrious list with champagne on ice at various locations up and down the country.

It's the time of year for partying on the terraces, celebrating league or cup glory after a memorable campaign.

Make sure you have a glass on us
