# FROM THE BOARD ROOM

Good evening everyone and welcome back to the Bob Lucas Stadium for tonight's game against Shaftesbury. A warm welcome, as always, to their players, officials and supporters.

What a start it has been!

Four league games, four wins and 12 points is exactly the sort of beginning we could have hoped for, while we have also continued to make progress in both the FA Cup and FA Trophy.

Saturday's rearranged FA Trophy tie against Hartpury proved to be every bit the test we expected. Credit to Hartpury, who were a very, very good side and gave us an extremely difficult afternoon.

It was also a timely reminder of the standard of football at this level. We may have started the season extremely well, but we certainly cannot expect to simply turn up and have things our own way. There are some very good sides around us and every point, and every cup victory, is going to have to be earned.

On Saturday we had to dig in and stay in the game, and eventually it came down to penalties. When the pressure was really on, the players delivered and we got ourselves into the next round. Those are the sorts of moments that can be important as a season develops.

Tonight we welcome Shaftesbury, whose start to the season perhaps hasn't brought the results they would have wanted. That in itself makes tonight a dangerous fixture. They will arrive at the Bob Lucas Stadium with something to prove and determined to show that they are a better side than their early league results might suggest.

# FROM THE BOARD ROOM

## Continued

---

We certainly won't be judging them simply by the league table. If Saturday taught us anything, it is that you have to respect the opposition in front of you, do the work and earn the result. I'm sure Shaftesbury will be looking at tonight as an opportunity to make a statement, so we will need to be ready for another competitive game.

After tonight our attention turns back to the FA Cup and Saturday's trip to Swindon Supermarine.

It is fantastic to still be involved in the competition and I'm really looking forward to the trip. It will also see us come up against our former manager Bobby Wilkinson, who I'm pleased to still call a good friend. Bobby will obviously be determined to get one over on his old club, while we will be equally determined to make sure he doesn't!

The start we have made has undoubtedly given everyone around the club a lift, but there is a long way to go. Nobody should be getting carried away. We have given ourselves an excellent platform, but now the challenge is to keep building on it.

The support has been a huge part of that. The backing the players have received at the Bob Lucas Stadium and on the road has been excellent, and I know how much the players and management appreciate it.

So tonight, let's get behind the team again. Shaftesbury will come here with plenty to prove, and hopefully we can produce another performance and keep this excellent start going.

Thank you, as always, for your continued support.

Enjoy the game. Up the Terras!

# FROM THE DUGOUT

Good Evening and welcome to the Bob Lucas Stadium for today's fixture against Shaftesbury.

I'd like to welcome the Shaftesbury players, staff, supporters, and today's match officials.

We come into today's game in good form, and the players deserve a lot of credit for the consistency, hard work, and togetherness they've shown. However, good form only matters if we continue to build on it, and we know we have to maintain those standards every week.

Our target is clear — to keep progressing, keep picking up points, and put ourselves in the strongest position possible as the season develops. Every game is an opportunity to move closer to that goal.

We'll need the same hunger, intensity, and commitment again today, and hopefully we can give our supporters another performance to be proud of.

Your support makes a huge difference, so get behind the lads and let's make it another positive game here at the Bob Lucas Stadium.

*Wellsy*

# FROM THE Supporters' Association

Good evening and welcome back to the Bob Lucas Stadium.

I'd like to extend a warm welcome to the players, officials and supporters of Shaftesbury, and hope you enjoy your evening with us. For those who have made the short journey from North Dorset, I wish you a safe journey home after the game.

It has been another busy few weeks for the Terras, with the team continuing their excellent start to the season. Following our FA Trophy and league victories over Melksham Town, attention turned to the FA Cup and a trip to Bath City in the First Qualifying Round. It was always going to be a tough test, but the lads put in an unbelievable performance which has seen us progress to the second qualifying round. I would just like to say how impressed I was at our support at Bath with over 200 Weymouth fans in attendance. On Saturday we will travel to Swindon Supermarine for the second qualifying round, so I hope to see many of you there again!

Tonight's fixture sees us welcome Shaftesbury to the Bob Lucas Stadium for our fifth league game of the season. The Terras have made a perfect start to the league campaign, taking maximum points from our opening four games, and will be looking to continue that run this evening.

Shaftesbury will provide another test for Jamie Wells and the team. The Rockies have already shown what they are capable of this season, including a 7-2 victory over Bideford, so we certainly cannot afford to take anything for granted. With plenty of football still to be played this season, every league point is important.

It is great to see the Bob Lucas Stadium continuing to attract strong attendances, and hopefully we can get another good crowd behind the team tonight. Tuesday night fixtures can be difficult for supporters with work and other commitments, so thank you to everyone who has made the effort to come along and support the Terras.

With another important league game ahead, let's get behind the lads from the first whistle and make sure the players know exactly how much their support means.

Enjoy the game and, as always Up The Terras!

## STATS AND FACTS

# NUMBERS BEHIND THE GAME

## vs Shaftesbury

It's a Dorset derby Jim but not as we know it! Yes it's the turn of "The Rockies" to rock up to the Bob Lucas under the lights on Tuesday night in their inaugural league clash.

Most Weymouth fans will be forgiven for thinking "Shaftesbury who?" but that wouldn't have been the case in the early days of organised football in the county. Back in 1888 our visitors were formed, a full two years before our four famous founders had that little preamble on Weymouth beach to establish the Terras. Our rivals made good of that head start and were soon playing county level football when we were knocking about playing friendlies. However, when the Terras joined the league it was at the senior level when Shaftesbury stayed in the junior league.

As Weymouth moved up into regional football, The Rockies remained at county level until around 20 years ago when they moved up to the Wessex league. They then stepped up again to this Southern league division one and are enjoying their third season at this tier, recording a club record 5th place finish last term.

Our first team may not have played Shaftesbury in the league before but we have in other competitions and are yet to experience a "rockfall" registering 7 wins and 1 draw. The majority of these games were in the Dorset Senior Cup over the years – that one draw away at Shaftesbury in 1987. However, the Terras swept past the visitors in the replay scoring 7 times without repost. Our most recent encounter was a pre-season friendly under Bobby Wilkinson in 2023 – a tight affair that finished 3-2 to Weymouth, prolific journeyman Brett Pitman bagging a consolation brace on that day.

If the fans don't know much about the team in red and white stripes then some of the players in each dugout certainly will. Terras marksman Toby Holmes left no stone unturned for the Rockies last season rustling the onion bag 32 times - ably supported by another new face in Claret & Blue, Lewis Brown. For Shaftesbury there will be a host of familiar faces from Terras teams of yesteryear - Harry Baker, Jack Hoey, Cameron Murray & Alefe Santos could all feature for the away side.

**Will the Terras find themselves caught between a rock and a hard place today or can they reach the summit to claim another victory?**

# SHAFTESBURY FC 1888

## A BRIEF HISTORY

The original Shaftesbury FC were founded in 1888 after builders from Warwickshire requested a football match with the local men of Shaftesbury working on Motcombe House. This led to Shaftesbury Football Club being founded at the Ship Inn in the town.

Originally the club played at the original cricket field the other side of Coppice Street in the local Shaftesbury & District League. By the 1930's the club began playing games in the wider area of Dorset and added 'Town' to the clubs name. The club also moved to Barton Hill in 1935.

It is believed there was also once a ground at St James outside the town. An original history was written by former player Terry Warder on the 100th year centenary in 1988 and is a fascinating insight to the early years of the club.

Shaftesbury were founder members of the Dorset Combination League in 1957 and in 1974 moved to Cockrams with the ground situated next to the current one. Shaftesbury won the Dorset Combination League in 1988/89 and 1995/96. A new ground was opened in 2001 with a 220 seat stand constructed. The club joined the Wessex League Division 2 in 2004/05.

### **Shaftesbury FC 1888 - A new era**

Relegated in 2010/11 back to the Dorset Premier League after some lean years as Shaftesbury FC and known as Shaftesbury Town as well the club became Shaftesbury FC 1888 and in 2015/16 were promoted back to the Wessex League as Dorset Premier League champions.

Now known as Shaftesbury FC 1888 the FC was taken over by the Coffen family after financial collapse of the old club and the name of the club incorporated the year of the original foundation of the football club in the town with Steve Coffen as chairman.

Promotion to the Premier Division followed in 2016/17 and in 2021/22 the club won the Wessex League Cup and also got to the 2nd Qualifying Round of the FA Cup

playing Bath City from the National League South achieving a record attendance of 675.

The club now had a 3G surface installed and reached the 3rd round of the FA Vase in 2022/23 going out to Brixham AFC on penalties.

The 'Rockies' were promoted in the 2023/24 as play off winners winning the final 1-0 at AFC Stoneham to get promoted to the Pitching In Southern League Division 1 South for the first time ever and finished 17th adding a second consecutive Salisbury Hospital Cup win vs Shrewton United. Shaftesbury reached the final of the Pitching In Southern League Division 1 (South) play offs in 2025/26 facing Malvern Town.

Richard Wood

After a fast start to the season we seem to have hit a roadblock as regards to league matches played.

A magnificent win at Twerton Park against Bath from the league above was a very welcome result.

I know we are doing well and Bath were struggling a bit, but it's still a division up away from home and you wouldn't usually think we would go through, but by all accounts and having watched the highlights, we fully deserved to do so.

One thing that was mentioned by the Bath City radio commentators was the pace we have in the team and that we have pace in areas that they don't.

I think that has been a missing ingredient for us for the last few seasons, there is nothing you can do about pace sometimes and if you have it in more than one area you really are in business.

Saturday was more of a struggle in the FA Trophy against Hartpury here in what was meant to be an away fixture.

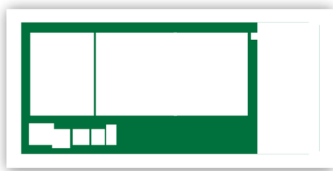

I know the trophy in the early rounds doesn't really get people's blood pumping and maybe that was one of the reasons for only 400 odd fans turning up to watch the game.

Of course the later you get in the competition and the smell of Wembley starts to coming to the fore, teams tend to start taking it a little bit more seriously, but it is still extra money at the end of the day and that has to be welcomed.

As for tonight, a Dorset derby under the lights is always good and hopefully we can put some more league points on the board before Saturdays FA Cup trip to Swindon Supermarine, which will be interesting for a few reasons.

'till next time, Up The Terras,

By Jon Couch

IT'S fair to say the summer 2026 Non-League transfer window will be remembered for years to come. Groundbreaking in fact.

Record deals being negotiated left, right and centre with Abdul Abdulmalik's £1.5m transfer from Boreham Wood to Swedish top-flight outfit Djurgardens IF topping the lot and finally surpassing the £1m paid by Leicester City for a certain Jamie Vardy in 2012. Whatever happened to him?

But the success stories don't stop there. In this week's NLP, we plotted the rise of three more former Non-Leaguers who completed huge moves into the Premier League in this summer transfer window. Iliman Ndiaye, now a Senegal international, sealed his £65m move from Everton to Manchester City on the same evening Sorba Thomas landed his Premier League dream when Hull City bought him from Stoke City.

Ndiaye, 26, and Thomas, 27, are the two biggest success stories to emerge from Wood's PASE Academy set-up.

Under the guidance of Wood boss Luke Garrard and academy head coach Cameron Mawer, the pair starred in the club's Elite youth team, collecting national titles and back-to-back-to-back league triumphs.

And it wasn't long before they were breaking into Garrard's first team. Ndiaye was quickly picked up by Sheffield United where – after a loan spell with Hyde United – he started to make the name

that has seen him go onto Marseille, Everton and now Champions League-chasing City.

Thomas was more of a regular, playing 77 times and becoming a huge part of a promotion push before Huddersfield Town swooped.

"We've got a really exciting crop at Bedford Town and I always tell the players, 'Yes, it is about what you do on the pitch consistently, but things aren't always going to go smoothly for you,'" Mawer, who heads up Bedford's academy alongside his role St Neots Town boss told us.

"It's the ones who can take that rejection and get through it. If you're not in a pro club at 16, 17, there's a lot of outside distractions that can take you off the path.

"It's the ones who stay focused, keep going and keep building every day. Sorbs and Iliman had it.

"I have probably coached thousands and thousands of kids. What separates those two is that mentality to keep going.

"Nothing could take them off the pathway – girls, alcohol, nights out, friends, making money. They had no interest in that, they just had interest in being the best player on the pitch and getting to where they want to get to."

And more was yet to come.

Also on transfer deadline day, 25-year-old winger Femi Azeez completed a move to Brighton & Hove Albion after

lighting it up in the Championship for Millwall.

It completes a remarkable rise from the Southern League East Division to the Premier League in eight years.

Having been in Watford's academy, Azeez left and joined Northwood's youth system where he was handed a first-team debut aged 16 by Gordon Boateng.

It was in Wealdstone's youth side where then Stones' boss Bobby Wilkinson first caught a glimpse of the talented youngster.

And it wasn't long before he was starting against Uxbridge in the Middlesex Senior Cup before making his league debut at home to Eastbourne Borough in December 2018.

"I watched him in the youth team, I think on a Sunday afternoon, at Wealdstone on the pitches out the back," Wilkinson, the current Swindon Supermarine boss told us. "I spotted him in ten seconds! I brought him in with me and put him in the men's side. I just had an unbelievable feeling about this boy.

"There was just something about him. In this day and age, scouts don't look long term.

"I didn't think straightaway he was going to develop right then. But what I did do was bring him straight into men's football, put him on the bench and let him play in front of good crowds.

"I made sure if we were winning – or we couldn't win the game – we'd give him 20 minutes.

"We guided him all the way through that year and did it with a purpose for where he is now.

"There's lots of people who have been part of his journey. But they won't take away that year he spent with us."

At the same time, we ran the inspirational tale of Manasse Kianga, who rose from Step 5 Rossington Main all the way to the Champions League with Slovan Bratislava!

The 24-year-old made 115 appearances for Main across five years at Oxford Street, scoring 51 goals, but now he finds himself lining up in front of crowds in excess of 20,000 after helping the Slovak champions reach the league phase of the Champions League.

'Manny', as he is more affectionately known, moved to England with his family in 2017 at the age of 15 and found his home in DN11 when he joined Rossington in 2019, establishing himself as a firm fan favourite from the off.

His spell at Rossington was punctuated by brief spells across the Non-League circuit, including with Sheffield FC, until difficulties obtaining a permanent work-permit forced a move back to South Africa.

But his chapter in football in Europe was not closed, signing for Slovak third-tier side Lokomotíva Košice the following year and after four goals in 11 appearances, earning Kianga a move to the top tier with Slovan in 2026 under former Barcelona and Manchester City star Yaya Touré.

Ndiaye, Thomas, Azeez and Kianga are all examples of the opportunities that can become available for Non-League players across the pyramid with the right application and dedication.

It also serves to prove once again that the English Pyramid is the envy of the world.
