FROM THE BOARD ROOM

Welcome back to the Bob Lucas Stadium for today's FA Cup tie against SE Dons. A warm welcome to their players, management, officials and supporters, and to today's match officials.

There is plenty to feel positive about at Weymouth, and I want to start by recognising how well Jamie, Jack and the whole management team are doing. When you look at where we were, even towards the end of last season, the turnaround has been amazing.

They have built a strong squad with a real drive and focus to make a difference. The positivity and belief are clear to see in the way the players approach games, support each other and keep pushing when things go against them. The credit for that firmly goes to Jamie, Jack and their team.

We may not be playing in the league that we, as supporters, believe Weymouth should be in, but we have to give this league the credit it deserves. Nothing has come easily. We have faced some tough opposition, both home and away, and have needed the depth of our squad and the determination of the players to find a way through.

As a supporter, it feels different watching this team now. In previous seasons, going a goal behind was quite a challenge, and you would worry about whether we could get back into the game. Now, even when we're behind or getting towards the end, you still expect goals to come. You believe we can find a way through, and the players keep giving us reasons to feel that way. It's a good feeling to have again.

Our unbeaten run continues, we remain involved in both cup competitions, and the last two matches have given us plenty to enjoy.

Last Saturday's win at Chippenham was a great result for the club. Having led for so much of the game, seeing them come back and take it to penalties made for a really tense finish. Getting through that shootout showed the nerve and character of the players, and I was particularly pleased for everyone who travelled to support the team. Your commitment deserves afternoons like that.

Wednesday's 5-2 win at Exmouth was another very strong performance. We responded to an early setback, and when Exmouth brought the game back to 2-2 in the second half, we pushed on and finished with three more goals.

FROM THE BOARD ROOM

Continued

It also showed the strength we have on the bench, with Tor Swann coming on and finding the back of the net again. He is looking increasingly confident in front of goal, and it is good to see. With league fixtures and two cup competitions keeping us busy, having players ready to come on and make a difference is going to be important. Everyone has a part to play.

There is progress off the pitch too. You may notice some scaffolding at the stadium today as we prepare for the installation of 96 solar panels. This is a first step towards making the stadium more self-sustaining and reducing the cost of running it.

Our electricity bills are a very heavy expense for the club. Over the next few years, we hope the panels will help bring those bills down and reduce our overheads, with the possibility of earning a little revenue from surplus electricity as well. It is a practical investment in the club's future and part of the direction we want to take: making better use of what we have and putting Weymouth on a stronger footing for the years ahead.

Today, our attention turns back to the FA Cup and an SE Dons side who have already beaten two teams from higher levels to get here. They will be full of confidence and up for the challenge, so we should expect another tough game.

SE Dons are a different kind of football club, with a strong following built through the way they share their football with supporters online. That brings something different to today's occasion, but on the pitch we will face a team who have earned their place in this round and will be determined to go further. We will need to be ready and give them the respect their results deserve.

Thank you, as always, to our volunteers, staff, sponsors and fellow board members for everything you do behind the scenes. A busy run of fixtures asks a lot of everyone, and your time and effort are appreciated.

Thank you too to our supporters, at home and away. Get behind Jamie, Jack and the players today, make yourselves heard, and let's hope for another memorable cup afternoon at the Bob Lucas Stadium.

Up the Terras!

A handwritten signature in red ink, appearing to read 'Ralph', is positioned below the text 'Up the Terras!'. The signature is stylized with a large, flowing 'R' and a cursive 'ph'.

FROM THE DUGOUT

Good afternoon and welcome to the Bob Lucas Stadium for today's Emirates FA Cup Third Qualifying Round tie against SE Dons.

A warm welcome to the SE Dons players, staff and supporters, as well as today's match officials.

There is always something special about the FA Cup, and we're delighted to have reached this stage. Our league form has also been very positive, with five wins and a draw from our opening six games, but we know we must maintain our standards today.

The players have worked hard, and we'll need the same hunger, discipline and togetherness if we are to continue our Emirates FA Cup journey, which we hope to do.

As always, your support makes a huge difference. Get behind the lads and help create another great atmosphere at the Bob Lucas Stadium.

Enjoy the game.

Up the Terras!

LOTTERY

FROM THE Supporters' Association

Good afternoon and welcome to the Bob Lucas Stadium.

I'd like to extend a warm welcome to the players, officials and supporters of SE Dons, and I hope you enjoy our hospitality this afternoon. To those who have made the journey down from the capital, I wish you a safe journey home after the game.

Another cup game! Following last week's success in the FA Trophy, where the Terras overcame Chippenham Town in an emphatic penalty shootout, Jamie Wells' side followed that up with an impressive 5-2 victory away at Exmouth Town. The Terras will therefore head into this weekend's fixture full of confidence.

This week, our attention turns to the historic FA Cup, as we welcome SE Dons to the Bob Lucas Stadium for the first time in our 136-year history.

SE Dons secured their place in the Third Qualifying Round with a dramatic 3-2 victory away at Chichester City. Two goals in the 90th minute turned the game on its head and saw the Dons progress to the next round in remarkable fashion.

The Dons currently ply their trade in the Southern Counties East Football League, having won promotion to the division last season. This is their debut season in the FA Cup, and they have already enjoyed an impressive run to reach this stage. They will provide another tricky test for the Terras, and the players will need your support from the first whistle.

The Supporters Association is hoping to announce a new event in the coming weeks. Keep an eye out for further details.

Please remember it's our AGM on 29th October, all members should've been contacted by now. We'd like to see as many members there as possible!

So, as always, get behind the lads from the first whistle and make yourselves heard. Let's get the Bob Lucas Stadium bouncing and help spur the Terras on to another cup victory!

BOOST THE BUDGET

CONTRIBUTING TOWARDS A BETTER WEYMOUTH

We're pleased to announce the return of our "Boost the Budget" campaign for the upcoming season!

Thanks to your backing last time, the campaign made a real impact — and we're excited to build on that momentum. Your support plays a vital role in helping us strengthen the squad and continue pushing forward both on and off the pitch.

This initiative is a fantastic way for fans to directly contribute to the club's ambitions, and we'd love for you to be part of it once again. Every contribution, big or small, makes a difference. More details can be found via the attached links.

Played for both teams

I cannot find any players that have featured for both clubs over the years. However, at least one current SE Dons player has played against the Terras earlier in their career – namely Femi Akinwande who turned out for Billericay at the Bob Lucas stadium in a Conference South game in 2020. He was also in the Hornchurch side that hosted the Terras in 2024, again in the Conference South

DUNCAN GARDNER

@TERRASTATMAN

NUMBERS BEHIND THE GAME SE DONS

It's not easy to know where to start with this preview as our opponents this weekend sometimes make more news off the pitch than on it! It is tempting to add a column to my spreadsheet relating to invitations to lead a kingdom but its probably a little niche! Anyway, they have let their football do the talking this season with this FA cup run that has already seen them dispatch four teams to reach this stage.

All the more impressive considering this is only their third season of Saturday football having been formed as a Sunday league team in 2014.

Despite their humble journey they certainly cannot be taken lightly in this tie. Yes, the Dons will be looking for another cupset having already dispatched Chichester City in the last round away from home – a team plying their trade two divisions above them in the footballing pyramid!

The Terras will be hoping to avoid this potential banana skin at the Bob Lucas stadium and will be fully aware of the threat posed by a team below them in the non league system.

After all, it was only last season

that Tadley Cavella made light of a two division gap to enact their own giant-killing in Berkshire!

Generally though the Terras have progressed far more often than not against lower league opposition over recent years with 16 wins to 3 since 2010, (the other two shocks were of course v Oxford City in 2020 and Petersfield in 2015). At home as you might expect we fare even better with just three losses in 24 under these criteria.

However, against all-comers in this the 3rd qualifying round of the competition our results have been mixed this century – 8 times we have progressed to the fourth (and final) qualifying round but on 6 occasions we have fallen at his hurdle – most recently against our last opponents in this competition – Bath City in 2023.

It is so far so good for the Terras in cup competitions this campaign though with a chance to notch our 5th major cup win of the season – a feat not achieved since 2016/17.

Whether it will be the old guard or the new kids on the block who progress to the next round it promises to be a unique atmosphere at the Bob Lucas stadium this weekend!

SE DONS A BRIEF HISTORY

From Sunday League to the FA Cup

Today's Emirates FA Cup Third Round Qualifying tie brings one of the most unusual stories in English non-league football to the Bob Lucas Stadium.

SE Dons may be making their first appearance in the FA Cup this season, but their name and their story were already familiar to a huge audience long before they entered the National League System.

The South East London club were formed in 2014 by John McHugh, his son Andrew McHugh – better known as Don Strapzy – and son-in-law Ryan Palmer. What began as a group of friends getting together to play Sunday League football in the Orpington and Bromley District Sunday League gradually developed into something much bigger.

There was certainly no grand plan to climb the football pyramid. Don Strapzy has recalled that, in the beginning, the ambition was essentially to make sure they could get eleven players together on a Sunday morning.

ANYTHING FOR THE DONS

A major part of the SE Dons story has been their ability to take supporters behind the scenes.

The club began regularly filming its football in 2017, producing videos which captured not just the matches but the personalities, dressing-room atmosphere and life surrounding grassroots football.

It proved enormously popular.

By 2020, the BBC was describing the Dons as a Sunday League side with a global following, with more than 175,000 YouTube subscribers at that stage. Today the Southern Counties East Football League credits the club with more than 240,000 YouTube subscribers, alongside an audience running into the millions across its various social-media platforms.

But behind the online success is also a deeply personal story.

Andrew McHugh's mother, Paula, had been an important part of the club from its earliest days, acting as kit lady and one of its first supporters. She passed away in 2018, shortly before the Dons won their first cup final.

Her memory subsequently became part of the identity of the club and its well-known motto:

"Anything for the Dons. Anything for Paula."

FROM SUNDAY MORNINGS TO THE PYRAMID

Success followed on the pitch as well.

During their Sunday League years the Dons won the Orpington and Bromley District Sunday Football League and collected a number of cup competitions, while also competing in the FA Sunday Cup.

The next major step came in 2024, when SE Dons linked up with Forest Hill Park and made the transition from Sunday football into the National League System.

Their first campaign brought three agonising near misses, including defeat in the First Division play-off final.

The following season, now competing under the SE Dons name, they went one better.

A second-place league finish was followed by a 4-2 victory over Rochester United in the First Division Play-Off Final, earning promotion to the Southern Counties East League Premier Division and Step 5 football for the first time.

That promotion also opened another door.

For the first time in their history, SE Dons could enter the FA Cup.

SE DONS.. A HISTORY CONTINUED

THE FA CUP ADVENTURE

Few clubs could have made a more emphatic entrance.

On 8 August 2026, SE Dons travelled to Lancing for the Extra Preliminary Round and announced themselves with a remarkable 6-0 victory.

Aaron Watson had the distinction of scoring the first FA Cup goal in SE Dons history and went on to complete a hat-trick. Walter Figueira, 17-year-old Liam Nelson and Alex Teniola completed the scoring.

Next came Punjab United in the Preliminary Round.

A 1-1 draw away from home meant a replay was required, and the Dons won the return 2-0, Reece Barrett opening the scoring before Joshua Bohui made sure of their progress.

Their reward was a First Round Qualifying meeting with Erith Town, opposition from a level above.

Again, SE Dons rose to the occasion.

Bohui struck after just three minutes and Dominic Morgan-Griffiths added another six minutes later as the Dons won 2-0 in front of a crowd of 910.

Then came perhaps the most extraordinary afternoon of the run so far.

In the 93rd minute, Ralfi Hand equalised.

Two minutes later, Alex Teniola scored again.

SE Dons had turned a 2-1 defeat into a 3-2 victory in the space of two extraordinary added-time minutes, in front of 653 spectators.

And so the remarkable journey continues here at the Bob Lucas Stadium.

From Sunday League football, to hundreds of thousands watching their story online, to the football pyramid and now a first-ever FA Cup campaign, SE Dons arrive in Dorset having already negotiated four ties and five matches:

Lancing 0-6 SE Dons
Punjab United 1-1 SE Dons
SE Dons 2-0 Punjab United
SE Dons 2-0 Erith Town
Chichester City 2-3 SE Dons

Tomorrow represents another piece of history for the visitors – their first appearance in the Third Round Qualifying of the Emirates FA Cup.

For the winners, the reward is a place in the Fourth Round Qualifying on 17 October, the final qualifying stage before the First Round Proper.

For a club whose original ambition in 2014 was simply to get eleven friends onto a Sunday morning, that is quite a journey.

THE CHICHESTER COMEBACK

Drawn away to Step 3 Chichester City in the Second Round Qualifying, the Dons faced opposition two levels above them.

Joshua Bohui put SE Dons ahead after 38 minutes, but Chichester equalised before half-time and then went 2-1 ahead shortly after the interval.

That remained the score as the match entered injury time.

Woods Words

Richard Wood

Its great to still be involved in the FA Cup this stage of the competition.

Having to come begin our journey in the preliminary round and to get a couple of tough away games in the last two rounds, its good to get a home draw against a lower league team.

As always with Weymouth though, there is a massive BUT... They are no ordinary lower league team, they have a big social media presence and it appears they have quality players, as has already been shown with them beating higher division opposition in the previous round.

Our continued involvement in the FA Trophy has meant that league matches have taken a back seat this month.

I know you always catch up with the games, but we had good momentum going and we don't want to fall behind some other teams simply because we have not played as many games as them, as always points on the board is a good thing, even at this early stage.

The financial rewards mainly from the FA Cup are of course very welcome.

Its a long old season as we know, so still a long way to go. A good 5-2 win at Exmouth put us back to the the top of the league at the time of writing, so that was most welcome.

'till next time,
Up The Terras!

To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

By Matt Badock
Editor, The Non-League Paper

FA CUP replays - specifically the lack of them - has been a huge talking point in recent years.

They've been gradually phased out of the proper rounds so that all results are decided on the day.

No more holding on for a draw and a second pay-day for Non-League clubs. It's extra-time and penalties now, all wrapped up before Strictly Come Dancing starts.

Replays, however, do live on in the qualifying rounds and they certainly delivered in the second round qualifying.

No fewer than half a dozen clubs from the National League South were humbled by lower league opposition in replays.

Maidstone United and Farnborough both succumbed to 2-0 home defeats to Step 3 Cray Wanderers and Uxbridge respectively, while Hemel Hempstead Town lost 2-1 away at Wingate & Finchley.

Hampton & Richmond Borough and high-flying Weston-super-Mare were both humbled by Step 4 opposition; the Beavers going down 3-1 at Crowborough Athletic and the Seagulls shot down on penalties by Tim Sills' Wimborne Town after a 1-1 draw.

Crowborough host Wimborne this weekend and boss Sean Muggeridge was excited about another big day.

"Sometimes it's harder because the expectations have gone up a bit,"

Muggeridge told The NLP. "Wimborne are a good side, I know they are. If they're even drawing with Weston-super-Mare they're going to be a very good side.

"We haven't become Man City overnight! We won that game on Tuesday night with pure determination - and absolutely brilliant goals.

"Let's embrace and enjoy this moment, however long it lasts. We're not going to win the FA Cup - so let's embrace and get some enjoyment out of it because this is what the game is all about.

"I'd said to the chairman it's going to be entertaining this year. There's going to be goals. I just can't tell him at which end!"

And in the biggest shock of the night, Step 5 Cirencester Town, 11th in the Hellenic League Premier, knocked out Farnham Town 2-1 on the road, thanks to Harlie Price's brace and last-minute winner.

Ciren travel to Truro City aiming to cause another upset and reach the fourth round qualifying where the Step 1 clubs enter the fray.

"We've had our highs and lows over the years," manager James Mortimer-Jones told The NLP. "The club took voluntary relegation three years back now and that was obviously a low for people who have stuck around.

"We started a team from scratch. We took a few drubbings. In my first FA Cup game we lost 7-0 to the local rivals. To have that flip round and go on a great run with the people who were there for those days makes it feel that bit more special."

Ease the burden of paying for new windows, doors or a conservatory by spreading the cost with one of our monthly instalment plans.

FIRE SPRINKLER DESIGN

It's really quite simple, fire sprinklers save lives.

**Sprinklers keep families and
properties safe.**

01305 765 763

email@sprinklersgroup.co.uk

- Sprinklers will protect your home 24/7 even when you're not there.
- Sprinklers are proven to be the quickest and most effective way to control or extinguish fires.
- When buildings are protected with correctly certified sprinkler systems, 99% of fires are controlled by the sprinkler.
- We offer fully certified sprinkler design, installation and servicing in accordance with BS 9251 and BS EN 12845.
