FROM THE BOARD ROOM

A warm welcome to everyone at the Bob Lucas Stadium for today's FA Trophy tie against Sholing. We welcome their players, management, officials and supporters, and hope you all enjoy your afternoon with us.

This week, I wanted to write about our volunteers and what their involvement means to the club, beyond the work we see them doing.

The work on the turnstiles and toilets this week is a good example. There is always something that needs repairing, painting or updating in a stadium of this age. Those jobs take time and effort, and we are fortunate to have people willing to roll their sleeves up and get on with them. I am grateful to everyone who helps keep our ground running and makes it a better place to visit.

What I also see, though, is the friendship that comes from doing those things together. People come along because they love Weymouth FC. They start helping out, get to know one another, and over the years those connections become friendships that are about much more than football.

The passing of Phil Reynolds has made me reflect on that. Juliet has been volunteering at the club for many years, long before I became involved. Through her connection with Weymouth, friendships have been built over a long time, and those bonds extend well beyond the stadium gates.

FROM THE BOARD ROOM
Continued

You might first meet someone while painting at the ground, working behind a bar or helping with a fundraiser. You spend time together, share a laugh and gradually become part of each other's lives. When difficult times come, those are the people who are there for you. It all starts with the club, but the friendship reaches much further.

The twelve-hour darts-a-thon, which Neil Carter was part of, showed that connection in action. The event became a tribute to Phil's memory and raised money for Weldmar, whose palliative care supported him. People came together through their love of the club and used that bond to remember a friend and support the care that had meant so much.

For me, that is at the core of what football is about. Of course we care about what happens on the pitch. We want to win, and we all feel the disappointment when we don't. But being part of Weymouth also means being part of a community, with friendships that continue through all of it.

My thoughts are with Juliet and everyone who knew and loved Phil. To everyone who gives their time to this club, thank you—not just for the jobs you do, but for the friendship and support you give each other.

Thank you for coming today, and once again, welcome to our visitors from Sholing. Enjoy the game and get behind the Terras.

FROM THE DUGOUT

Good afternoon and welcome to the Bob Lucas Stadium for today's FA Trophy tie against Sholing.

A warm welcome to the Sholing players, staff, supporters and today's match officials.

We've enjoyed some positive results recently, and I'm pleased with the effort and commitment the lads have shown. We want to build on that form today and give ourselves the best possible chance of reaching the next round.

We know Sholing will be a tough test, so we'll need to work hard, stay disciplined and show the quality we know we have.

Enjoy the game.

Man of the Match Sponsor

In Loving Memory of Phil Reynolds

2 September 1964 – 16 October 2026

Weymouth Football Club is honoured to welcome Phil Reynold's family and friends as our match ball sponsor for today's game, in loving memory of a devoted supporter and valued friend of the club.

Phil was a passionate supporter of The Terras and, over many years, generously volunteered his time to help the club in a variety of roles.

His dedication, enthusiasm and love for Weymouth Football Club made him a special part of the Terras family, and he will be greatly missed by all who knew him.

On Saturday 24 October, Phil's wife, Juliet, will be remembering Phil and celebrating his love of The Terras, alongside friends and family in the sponsors' lounge.

Juliet would like to express her heartfelt thanks to all the friends and family who have offered their love and support during this difficult time. She would also like to extend her sincere gratitude to Weldmar Hospicecare for the wonderful care and compassion shown to Phil.

Today's Man of the Match sponsorship is a tribute to Phil's enduring connection with Weymouth Football Club and the club he loved so dearly.

Once a Terra, always a Terra.
Rest in peace, Phil. You will never be forgotten.

FROM THE Supporters' Association

Good afternoon and welcome to the Bob Lucas Stadium.

I'd like to extend a warm welcome to the players, officials and supporters of Sholing for this afternoons fixture. I hope those making the journey from Hampshire enjoy their visit and have a safe journey home afterwards.

A Saturday home game? It must be in a cup competition! Due to our success in the FA Trophy and Cup the last time we had a home Saturday league game was the 15th August.

Sholing come to the Bob Lucas Stadium after FA Cup success, beating SE Dons to secure their spot in the FA Cup First Round Proper.

The Terras still remain unbeaten in the league after some impressive victories on the road at Bristol and Barnstaple. Our support on the road has remained outstanding. We are so fortunate as a club to have such tremendous fans.

On Thursday, we host our Supporters Association AGM, and we encourage all members to attend. It's an opportunity to reflect on the work of the Association over the past year and discuss our plans going forward. We'll be around for a chat afterwards, so please come and say hello.

Looking ahead, we'll soon be launching our annual festival raffle. This is an important part of our fundraising efforts, so keep an eye out for further details over the coming weeks.

STATS AND FACTS

NUMBERS BEHIND THE GAME

vs Sholing

Whatever happens today the Terras will, I am sure, attempt to do something they have never done before... score against Sholing at home! Yes in three games at the Bob Lucas Stadium against this opponent we have failed to rustle the onion bag – twice in Southern league cup ties in 2011 & 2014 and again in our most recent encounter in the Southern league premier in March 2026.

We lost all three of those games but we have had more luck away against this weekend's visitors – FA cup wins in Hampshire in 2019 & 2024. We have also won a friendly over the border two years ago and drew 1-1 in Southampton this summer just gone.

Scoring at home has certainly not been a problem for the Terras this season to date as we have scored in every league and cup fixture here, averaging three goals a game.

However, Sholing have scored in five of their seven away games so far, a good return on their travels.

The Hampshire side have played just one round to get to this stage – drawing 0-0 away at Yate but progressing on penalties. Despite plying out trade just one division below the Terras have had to win THREE games to get to this "Round of 136" or "First round proper" – a 5-1 victory over Melksham before Hartpury and then Chippenham Town were both dispatched after a shootout with each tie finishing 2-2 after 90 minutes.

The Terras will fancy themselves to turn over the Boatmen, as, like Chippenham, they occupy the bottom reaches of the division we are aiming to return to.

One man aiming to stop Weymouth will be our former midfield maestro Jake McCarthy, who could well lineup in red & white this Saturday.

Can the Terras turn the tide against the Boatmen today to keep their unbeaten run afloat?

SHOLING
A BRIEF HISTORY

The Boatmen have a long, but fragmented history, running teams from the Woolston Works as early as 1884. In March 1887 they were finalists in the first Portsmouth Challenge Cup, beaten 1-0 by Portsmouth Association Club. The Club were only beaten twice in 16 games that year (goal tally 72-6) and won the last Hants & Dorset Challenge Cup before those Associations split.

Vosper Thornycroft 1887-88

Re-forming after World War 1 as Thornycrofts (Woolston), they were admitted into the Hampshire County League from 1919 to 1926. In 1920 Thornycrofts reached the FA Cup First Round proper (pictured below), meeting First Division giants Burnley at Fratton Park, and held them to a 0-0 draw in front of over 10,000 spectators, before losing 5-0 in the replay, three days later. Burnley were Football League runners-up that season before winning the Title the following year.

After World War 2, Thornycrofts Woolston re-formed in 1947 but could only keep going until 1952.

The Club were re-formed as VOSPER THORNYCROFT FC in 1960 and joined the Southampton Junior League.

After many successful years in the Southampton Leagues, where the club won 6 Championships overseen by Arthur Fox, Trevor Lewis & Bill Boyle, Vospers were promoted to the Hampshire League Division 3 in 1991. The following season they were promoted to Division 2. 1997/98 saw Vospers as Hampshire Intermediate Cup Winners.

In the 1999/00 season, Dave Diaper & Mick Brown were appointed as the management team.

In the 2001/02 season, Vospers won the Southampton Senior Cup at St Mary's Stadium.

In 2002/03, Vospers were re-named to VTFC (after the parent company) and were runners-up in the Southampton Senior Cup.

The 2003/4 season saw a double winning season for VTFC, as Hampshire Premier League Champions & Southampton Senior Cup Winners and gained promotion to the Wessex League for the first time.

In 2005/06, VTFC again won the Southampton Senior Cup.

In 2006/07 VTFC finished in third place and won the Southampton Senior Cup yet again. The Club's 4th victory in 6 years.

SHOLING
A BRIEF HISTORY

In 2007/08 they were runners-up in the Wessex Premier League and continued their dominance in the Southampton Senior Cup, winning it for the third consecutive year.

In the 2008/09 season, the club gained promotion to Step 4 for the first time by finishing as Wessex League Premier runners-up, while also winning the Wessex League Cup with a 2-1 victory over Hamworthy United. The club also reached the final of the Hampshire Senior Cup, but were defeated 1-0 by Fleet Town.

The 2009/10 season was our first season in the Southern League South & West Division, where we finished a creditable 4th, reaching the play-offs, but were defeated by Bridgewater Town in the Semi-Final. We reached the final of the Red Insure League Cup but lost on penalties to Cambridge City. The Southampton Senior Cup was won again at St Mary's, defeating Team Solent 2-0.

The club changed its name in July 2010 to SHOLING FC after the parent company, VT Group, were no longer in existance with the closure of the Woolston shipyard. We decided to reflect the name of the area of Southampton nearest the ground and adopted the Red & White stripes so associated with the City.

In the 2010/11 season, in our second season in the Southern League South & West, we finished 2nd, but agonisingly missed out on promotion in the playoff final, losing 1-0 to Frome.

In 2011/12, for the third season on the trot we reached the playoffs only to fall at the first hurdle to a 1-0 away defeat by Gosport.

2012/13 saw difficulty for the club, as we finished 7th in the Southern League South & West, but the club made the difficult decision to voluntarily drop out of the Southern League.

The 2013/14 season saw a strong return. Back in the Wessex League Premier Division, we weren't defeated until February. Despite having to play 20 games in 30 days due to a bad winter, Sholing won the title with 104 points and a goal difference of +105. We also won the Southampton Senior Cup at St Mary's.

Of course, the FA Vase win will be what most people will remember from this season. The greatest honour in the club's history. Back in October as we squeaked past Winchester City in the 1st round, no one was dreaming of Wembley, but as the rounds were ticked off, we started to get the feeling that our name was on the Cup. So on the 10th May 2014 at the home of football, Wembley Stadium, backed by over 3,000 fans, Marvin Mclean scored the only goal in the 71st minute and Byron Mason & Dave Diaper lifted the Vase.

In a whirlwind of activity that followed, the team paraded the FA Vase in front of 30,000 Southampton FC fans at St Mary's, were given an official reception by the Mayor of Southampton and appeared on both local TV stations.

In 2014/15 the season, we were granted promotion back into the Southern League South & West division, finishing in 17th. Ground grading issues saw Sholing relegated back to the Wessex League.

In 2015/16, Sholing finished runners-up in the Wessex Premier League.

The 2016/17 season saw more Sholing success, as the Boatmen achieved 2 Cup Wins in the space of 3 days at the end of the season. Firstly winning the Wessex

SHOLING
A BRIEF HISTORY

League Cup with a 2-1 win over Baffins Milton Rovers, then defeating Team Solent 3-1 at St Mary's Stadium to lift the Southampton Senior Cup for a record 8th time. Sholing finished 3rd in the Wessex Premier.

At the end of the season, it was announced that Budweiser had selected Sholing to receive a £100,000 grant towards improving facilties. The club appeared on European wide Budweiser TV adverts.

Finally, in 2018/19, Sholing were crowned Wessex League Champions with 8 games remaining in a season where Dave Diaper surpassed 1000 games in charge. The Boatmen finished with a record title-winning margin of 31 points and also the Wessex record for points per game (2.763). The club also won the Russell Cotes Cup for the first time. Dan Mason scored an incredible 64 goals in all competitions this season as the club gained promotion into the Southern League South Division One.

In the 2019/20 season, the Boatmen climbed from the bottom 3 to 10th place and were looking good for a possible late run for the play-offs, before the season was sadly halted by the Coronavirus outbreak. Sholing created club history by reaching the First round proper of the FA Trophy for the first time.

In 2020/21, after decades of trying, the club finally built a new changing room building. In what must be a first for the Boatmen, we lifted silverware in October, winning & retaining the Russell Cotes Cup, which was held over from the previous cancelled season. More history was made in the FA Cup when the club reached the 4th Qualifying Round for the first time where we were narrowly defeated by Torquay United. The season was curtailed and no further games were played.

The 2021/22 season saw the Boatmen starting the season well and staying in the top 6 until February, but finished 7th

We found ourselves promoted again in the 2022/23 season, as Sholing created history by gaining promotion to the Southern Premier South (Step 3) for the first time. After finishing the league campaign in 2nd place, the Boatmen firstly defeated Wimborne Town 2-1 in the playoff semi-final, before beating Hamworthy United 2-0 in the Final, in front of a club-record crowd of 1,300.

In the 2023/24 season, in our first-ever season in the Southern Premier South, we finished a creditable 15th after a rollercoaster season on and off the pitch. After 25 years in charge, Dave Diaper stepped down with Paul Doswell taking over. Despite some memorable big wins against local rivals, the Boatmen were sucked into a relegation scrap in the final month, but some big performances saw us safe. Since "Dos" and a new board of directors have arrived, a new 400 capacity stand was built and many improvements have been made to the clubhouse, hospitality & toilets, as well as a 100 space hardstanding car park.

2024/25 season saw the Boatmen finish 11th in the Southern League Premier South as off the pitch, the club secured funding to replace the pitch with a state of the art 3G surface. 2025/26 and an incredibly busy summer saw the green crumb 3G pitch, shockpad and drainage installed for a world class playing surface. On that pitch, Sholing registered our highest ever position in the non league pyramid, 6th place, narrowly missing out on the play offs. Planning permission was approved for a new club office building and community hub on the site of the old clubhouse and changing rooms.

The last home league match proved to be a tight affair with us taking the win by a solitary goal.

I thought we started the game well and created several chances, but to go in at half time with only with a slender lead, I thought we would go on to extend it in the second-half, but this didn't prove to be the case, with Westbury getting back into the game and at the end having a few chances to nick a point.

It goes to show how tricky this league can be.

Apart from a couple of dropped points in the away game at Hungerford, in which we had a player sent off, Dorchester have not dropped any points since they were beaten here on the opening day, although they and Swindon Supermarine have both required more than one injury time goal to keep that run going.

If you look at the league table you can see the three of us have opened a bit of a gap up between us and the rest of the division, but things can change quickly if you hit a bad spell, so I am assuming none of us will be resting on our laurels in the coming weeks and months.

Every point is going to be vital and I think it could get very close at the end, although I would like us to win it comfortably obviously!

We had a good win away at Barnstable last Saturday, followed by a very good 4-1 win at Bristol Manor Farm on the Tuesday.

The Manor Farm game in particular I was a little bit worried about because the pressure was on to win that game in hand over Dorchester and Swindon and also we were missing a few players and we went a goal down early in the match, but I thought the lads showed some great steel to get back into it and win the game comfortably.

It's that sort of mentality that we will need all the time going forward and at the moment we are showing it.

Today we are back in FA Trophy action and in a way I'd rather be playing another league game as we could be knocked off the top again, I know it really doesn't matter at this stage of the season, but it's nice to be able to get a lead in the table, but today is another chance to test against a higher division opponent and interestingly they dealt with SE Dons by the look of things fairly comfortably last week in the FA Cup, so although the Dons were a great side, I think it adds to my belief that we were well below par on the day as well.

So it's going to be a tough one today as Sholing have done very well in the FA Cup and I'm sure their league position will improve over the next weeks.

'till next time,

Up The Terras!

By Jon Couch

THIS week, we at NLP Towers caught up with two of our old contacts who continue to prove that life very much begins at 40 at this level of the game.

For years, Justin Bennett swept up Non-League defences in the south, banging in goals for the likes of Andover, Gosport Borough, Oxford City and Salisbury.

Now, at the age of 44, the legendary striker has reached another milestone by racking up 700 career goals – not bad considering he supposedly retired four years ago!

Bennett achieved the feat while turning out for Step 7 Shrewton United in an 8-2 Wiltshire Premier League win over Bradford Town reserves.

"I'll be honest, this season I've not felt as sharp as I used to be," Bennett admitted. "But I hit a bit of a purple patch. I got two in midweek and then I felt I had a good chance last Saturday."

Fans' favourite Bennett was a major part of Gosport Borough's famous run to the FA Trophy Final back in 2014.

He hung his shooting boots up back in 2022 after hitting 55 goals as Bemerton Heath Harlequins to the Wessex League Division One title. But the phone kept ringing.

"I was nearly 40, had just won the league with Bemmy so it was a good time – and I was happy, I wasn't looking to go back and play," said Bennett, who hit 200 goals on the nose for Andover earlier in his career.

"But I am a sucker when the phone rings and someone says, 'Can you come and help us out?' For whatever reason it's, 'Yeah, alright'. I've probably retired about three times!

"In my mind, if I am still getting out there and still having an impact on games and scoring then maybe I should keep going. My body tells me otherwise on a Sunday morning."

The same can also be said for former Telford, Tamworth and Altrincham striker Kyle Perry, who has crammed more into his 40 years than many people have in a lifetime.

Professional footballer, rock star and podcaster, among other career highlights - Perry is now having a crack at management – at Step 5 Coton Green.

Assisted by his brother Todd, he has taken over as manager and assistant of the Midland Football League club following Nic Oakley's departure to Lichfield City.

"I have always been here, there and everywhere," Perry told us. "Last season I got a call to go in as assistant manager at Romulus, which is Step 5.

"I really enjoyed working with the young lads. I just feel I needed to give back because I've got a lot to offer.

"My brother has been in Non-League from playing for Kidderminster when he was a kid all the way down to Step 7. It's a no brainer – let's go and do it together.

"I'm the manager, Todd's the assistant but it's definitely a family affair. We've signed Mason, Todd's son, who is 17 and has recently had England schoolboy trials.

"Management has been on my radar. It's tough when you're navigating getting older as a player. Especially when you're the type of player I was – or am."

And Justin and Kyle are not alone. A groundhopper's travels will see them cross paths with a vast number of wily campaigners still playing well into their fifth decade.

It's like an itch you've just got to scratch.
