FROM THE BOARD ROOM

A warm welcome to everyone at the Bob Lucas Stadium for today's game against Tiverton Town. We welcome their players, management, officials and supporters, along with today's match officials, and hope you enjoy your afternoon with us.

Today, I want to share an important step towards the long-term future of Weymouth Football Club.

At the time of writing, we are in the very final stages of completing the purchase of the land surrounding the stadium. By the time you read these notes, that process may have been completed. After around twenty years, we are close to bringing back into the club's ownership the land we have always regarded as part of our home.

I do not want to revisit the politics of the past. My focus is on what this opportunity can mean for our future.

I want to say a massive thank you to Lovell Homes, who have played such an important part in helping us reach this point. Their willingness to work with us towards purchasing the land back, and their understanding of what it can mean for the club, the community and future generations, deserves real recognition.

Securing the land gives us the chance to think beyond the immediate demands of running a football club and consider what we want our home to offer in the years ahead.

FROM THE BOARD ROOM
Continued

When the stadium opened in 1987, the land behind it provided a training pitch. Football has changed considerably since then, particularly with the growth of women's and girls' football, and our ambitions for the site need to reflect that.

One of our main priorities is to explore bringing a full-size pitch back to that space. It could help us bring more of our teams together here and strengthen the connection between our youth players and senior football.

There is something special about the thought of young players growing up around the Bob Lucas Stadium, feeling that this is their home too.

The wider ambition is to develop our home into a community sporting venue, with more people using and enjoying it throughout the week. There will be much to work through, and this will take time.

We will share a fuller statement once the purchase is complete, setting out more of that vision and the opportunities we hope to pursue.

For now, we are close to an important milestone, and I wanted supporters to understand why it matters.

Thank you for your continued support. Enjoy today's game and get behind the team.

FROM THE DUGOUT

Good afternoon and welcome to the Bob Lucas Stadium for today's fixture against Tiverton Town.

It's been a positive period for us, and the FA Trophy win against Sholing was a great result in tough conditions. Our league form has also been encouraging, and we want to keep that momentum going and continue after another win on Tuesday night against Shaftesbury.

With teams around us dropping points again, it's important that we continue to pick up points and keep the pressure on them. We can only control our own performances, and picking up three points today is vital to maximise them dropping points.

The lads have worked hard, and we'll need that same commitment, togetherness and desire today. Thank you, as always, for your fantastic support. It means a great deal to us, and we'll do everything we can to continue this good start to the campaign.

Enjoy the game.

FROM THE Supporters' Association

Good afternoon and welcome to the Bob Lucas Stadium.

I'd like to extend a warm welcome to the players, officials and supporters of Tiverton Town for this afternoon's fixture. I hope those making the journey enjoy their visit and have a safe journey home afterwards.

It's been a busy period for the Terras, with FA Trophy and League action keeping everyone occupied. The recent victory against Sholing, who compete in a league above us, was fantastic. Results like these provide plenty of encouragement as the season progresses. We followed that up with an impressive 3-1 victory in North Dorset against Shaftsbury to maintain our winning run.

The FA Trophy Second Round Proper draw has seen Hampton & Richmond Borough visit the Bob Lucas Stadium on 14th November. The Beavers currently sit in the relegation zone of the National League South so it will be a good test for the in form Terras.

There's little time to rest, either, as we welcome Willand Rovers to the Bob Lucas Stadium on Tuesday evening for our rearranged fixture. It's another important game for the Terras, and we hope as many supporters as possible can get behind the team across what is a busy run of matches.

Our Supporters Association AGM took place on Thursday evening, and it was great to see those who attended. Thank you to everyone who took the time to come along and show their continued support for the Association. We look forward to building on the work we've done over the past year and continuing to support the club going forward.

As ever, thank you to everyone who continues to support the club, both home and away. The backing the team receives makes a real difference, and it's great to see that support continue throughout the season.
Enjoy this afternoon's game, and let's hope the Terras can make it another successful day at the Bob Lucas Stadium.

In a start to the season full of good runs for the Terras, there is another one we want to extend today as we look to make it 6 wins in a row against this Devon side.

For manager Jamie Wells this fixture completes the opening round of games against fellow relegated sides from last season, following the opening day victory over Dorchester and the goalless draw at Hungerford.

But this will be the first time we have faced “The Yellows” in this division as all encounters to date have been in the Southern league Premier apart from four cup ties and a couple of friendlies over the years since our first meeting in 1990.

Last season we scored 4 goals in both league games against Tivvy with only one onion-bag rustler for our opponents to record two Terras wins.

Before that campaign our most recent tussles were in the Southern league in the 2018/19 campaign when a brace of 2-1 victories supplied 6 points that ultimately helped to secure the league title.

We have generally had the rub of the green against the yellows although we haven’t always had it our own way in tussles our visitors from over the border, especially our first competitive encounter when we were knocked out of the FC cup in 1997/98 under Neil Webb’s brief spell as Terras boss.

Over the years several players have featured for both sides but at least one, Ed Palmer could feature in the Tiverton side. He played for the Terras 56 times over three short spells from 2010 to 2015.

TIVERTON TOWN A BRIEF HISTORY

Founded in 1913, Tiverton Town Football Club has been at the heart of the local community for more than a century. Originally formed as Tiverton Athletic following the demise of the town's rugby club, football returned after both World Wars to lay the foundations of the club we know today. After becoming Tiverton Town in 1946 and moving to Ladysmead, the club enjoyed local success before joining the Western League in the early 1970s.

The appointment of John Owen in the 1980s sparked a remarkable rise, continued by legendary manager Martyn Rogers, as the Yellows established themselves as one of non-league football's most successful clubs. Tiverton won back-to-back FA Vase titles at Wembley in 1998 and 1999, lifted two Western League championships, reached the First Round of the FA Cup on three occasions, and earned promotion to the Southern League Premier Division, where the club established itself among the region's leading non-league sides.

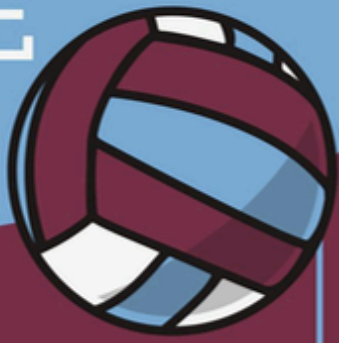

Following promotion back to the Southern League Premier Division in 2017, Tiverton became genuine title contenders before successive seasons were curtailed by the COVID-19 pandemic. The 2021/22 campaign saw Martyn Rogers return to guide the club away from relegation danger and secure a respectable mid-table finish.

The following seasons brought further transition. 2022/23 and 2023/24 saw the club consolidate its position while continuing to develop a competitive squad. Midway through the 2024/25 season, experienced midfielder Asa Hall stepped in as interim player/manager, replacing former Taunton Town boss Rob Dray. Masterminding a great escape with a thrilling final day 3-2 win, losing only once in the final 10 games. Ahead of 2025/26, Hall was appointed First Team Player/Manager, beginning an exciting new chapter with a renewed emphasis on attracting talented local players and building for the future. His first full season saw a young squad battle bravely but ultimately finished in relegation, but a strong summer of recruitment, combined with keeping a host of the promising squad of the prior year, has led to renewed optimism amongst fans and the newly formed board alike.

Woods Words

Richard Wood

The match last Saturday, if you only saw the score line, looked a lot closer than it looked.

I felt we were the better team throughout, but we were a missed penalty away from drawing, which had that happened, would have been ridiculous.

As it was, our ex player Jake McCarthy missed from the spot to take it to penalties, he naturally found the net against us earlier in the match, which is frustrating, as we didn't see any of the form he is showing for Sholing during his last spell with us.

This has been quite a common occurrence for a few players in recent years, so it is very pleasing that our management team is getting the whole squad giving everything for the cause. Long may it continue!

The game against Sholing was played in horrendous conditions, with strong winds and heavy rain welcoming the players onto the pitch.

I have to say all the players on the pitch did so well to still put on an entertaining match, despite the conditions.

Moving on to Tuesday night, I was away in Blackpool, so only caught the latest score just before the end of the first half and it was great to read that we recorded our first double the season against our fellow Dorset side.

Despite Dorchester bringing in yet another forward by bringing back Olaf, which I always thought was on the cards, they had an injury time goal go against them this time at todays visitors Tiverton, so we know we will be in for another tough game with them this afternoon.

'till next time,

Up The Terras!

SELECTING the TV picks for FA Cup matches always sparks lively debate.

Ultimately, you can't please all of the people all of the time, but every year it seems there are ties, invariably involving Non-League sides, who can consider themselves unfortunate to miss out.

That is indeed the case once again in this year's first round proper draw – there are so many good ties to choose from.

Let's be honest, TV companies – in this year's case TNT Sports, and to a lesser extent, the BBC - have to ensure that viewing figures reflect the vast amounts of money they spend on securing TV rights for the world's most famous cup competition.

But there are always some ties who will rightly feel aggrieved they've been overlooked.

Take Boreham Wood v Wigan Athletic for example. Luke Garrard's Wood are setting the National League alight so far this season, while League One strugglers Wigan lifting the trophy at Wembley as recently as 2013, under Roberto Martinez.

And there are many more too. Hornchurch must've thought they were in with a shout for their visit of Blackpool, similarly Kidderminster Harriers for their home tie with Doncaster Rovers or even Carlisle United against League Two leaders Salford City.

But AFC Rushden & Diamonds' story is surely deserving of a place in the spotlight when they travel to Burton Albion.

Elliot Sandy's men have beaten higher opposition three times and won six games to get to the first round for the first time in their history as a club – and fanbase – who have started again after their previous guise folded. It's what the FA Cup is all about.

Instead, we've got an all-League One clash between Peterborough United and Reading because Posh boss Robbie Savage will be up against his son Charlie.

This is nothing against the Savages. But the £50,000 broadcast fee would have been huge for Diamonds and helped to build even more of a legacy from this run. They might not make it this far again for a

number of seasons, whereas, Peterborough play Reading again in December!

That's not to say we don't have some mouth-watering match-ups to look forward to.

In perhaps the tie the round, Oxford City kick us off this Friday night with the visit of League One big guns Leicester City, who lifted the trophy with a 1-0 win over Chelsea at Wembley just five years ago!

Isthmian Premier side Cray Wanderers host current League One leaders Stockport County on Sunday, just before Step 4 Wimborne Town, of Southern League Division One South, take on League Two strugglers Crawley Town.

And the TV games on Saturday are no-brainers also. Stafford Rangers, fresh from their 5-0 thumping of Gateshead in the last round, welcome Grimsby Town, of League Two, in a tasty lunchtime serving, while Altrincham, with all their cup pedigree, take on Notts County in what promises to be a teatime humdinger.

But perhaps the most pleasing TV pick has been saved for Monday night when Plymouth Parkway and Berkhamsted meet in an all-Southern League Premier South clash.

It's not often that TV companies plump for live all-Non-League clashes at this stage of the competition but there's certainly no complaints our end!
