FROM THE BOARD ROOM

Good evening and welcome to the Bob Lucas Stadium. A warm welcome to everyone from Westbury United and tonight's match officials.

Saturday away at Worcester was a tough game. One thing we're finding in this league is just how much the grounds vary. Each away trip brings a different challenge, and we have to adapt and get on with it. We all want to see Weymouth doing well, but we know we have to work for every point.

It's good to be back at home tonight, with another chance to put in a good performance in front of our own supporters. Thank you to everyone who travelled to Worcester, and to all of you here this evening. Your support is appreciated.

As always, thanks to our volunteers, staff and sponsors. There's plenty that goes on behind the scenes to get a game on, and we couldn't do it without you.

Enjoy the game, get behind the lads, and let's hope we finish the evening with three points.

Up the Terras!

FROM THE DUGOUT

Good evening and welcome to the Bob Lucas Stadium for tonight's fixture against Westbury United.

A warm welcome to the Westbury players, staff, supporters and tonight's match officials.

Our league form has got off to a good start and we look to continue that tonight, and Saturday's 1-0 away victory against Worcester Raiders was an important result. Along with the clean sheet. Keeping clean sheets gives us a strong foundation to build on. While scoring goals will always be important to us, being difficult to break down, winning our individual battles and staying switched on for the full 90 minutes are essential if we want to keep picking up positive results.

Westbury are hard working and well organised, and we'll need to show the same commitment, togetherness and determination to get the result we want.

Thank you, as always, for your fantastic support. Get behind the lads and help create a great atmosphere under the lights.

Enjoy the game.

Up the Terras!

FROM THE Supporters' Association

Good evening and welcome to the Bob Lucas Stadium.

I'd like to extend a warm welcome to the players, officials and supporters of Westbury United for this evening's fixture. I hope those making the journey from Wiltshire enjoy their visit and have a safe journey home afterwards.

It's another Tuesday night under the lights, and hopefully we can put in a positive performance in front of our home supporters and pick up another important three points.

Our FA Cup journey came to an end recently, which was in a very disappointing manner, but there is still plenty of football to be played this season. Attention now turns firmly back to the league, where consistency and building momentum will be key as we look to get back to the top of the table.

Westbury arrive in good form after a positive start to their campaign. Recent victories over Swindon Supermarine and Bristol Manor Farm, alongside a hard-fought win against Exmouth Town, demonstrate that they are a side capable of causing problems, so we will need to be focused from the first whistle.

As ever, thank you to everyone who continues to support the Terras, both home and away. The support this season has been tremendous, and your backing makes a real difference to everyone connected with the club.

Please remember that our AGM is taking place on Thursday 29th October @ 19:30. This is limited to members only so if you'd like to attend and you're not already a member, please click [**here**](#) to join.

Enjoy the game, and up the Terras!

NUMBERS BEHIND THE GAME

vs Westbury United

After a trot to Worcester at the weekend the Terras lads will be champing at the bit to get back to the home stables against the White Horse men of Westbury United this Tuesday evening.

Despite a distance of less than 50 miles as the crow flies, these two have never met in a competitive game but that will be righted this week in what some might call "The White Horse derby" as both towns are overlooked by a chalk stallion.

However we did meet once in a friendly. That was under Warren Feeney in the summer of 2025 when an Andreas Robinson strike proved crucial in a 1-0 win for the Terras.

Although Westbury have spent most of their 106 year existence at county and Western league level, they have recently been on a leap up the pyramid, jumping the fence into the Southern league division one south in 2022/23. They are now firmly in the saddle in that division with four mid-table finishes since their clearance. Last season they finished 10th.

The visitors come into this fixture on the back of three consecutive wins, crossing the finish line with no photo finishes required against Swindon Supermarine, Exmouth and Bristol Manor Farm at the weekend.

Even with there being no competitive games between the dark greens and the Terras, there is at least some connection between the clubs with two Terras colts from the 1992/93 season who will be known to the Westbury faithful. Goalkeeper Steve Perrin played for the White Horse men before featuring in just one cup game for the Terras whereas forward Matt Bown played 44 times in claret, some years later going on to manage Westbury.

WESTBURY UNITED A BRIEF HISTORY

Westbury United Football Club was formed in 1920 following the amalgamation of two local sides, Westbury Old Comrades and Westbury Great Western Railway XI. The newly formed club entered the Wiltshire County League and, after a difficult opening decade, established itself as one of the strongest names in Wiltshire football during the 1930s.

That period became one of the most celebrated in the club's history. Westbury won the county's top senior league title in 1934/35, 1936/37, 1937/38 and 1938/39, while also enjoying major success in county cup competition. Among the leading players of the era were county captain Billy Pearce and prolific goalscorer Bill Butler, who is recorded as scoring more than 80 senior goals in a single season.

In 1934 the club purchased the four-acre site at Meadow Lane for £475 and moved to the ground that remains its home today. The first match at what was then known as the Jubilee Playing Field was played against Bristol City in front of a crowd of around 4,000.

Westbury's greatest FA Cup run came in 1937/38. After defeating Welsh side Llanelly 3-2 in the Fourth Qualifying Round, United reached the First Round Proper for the first and, to date, only time in the club's history. They were drawn at home to Walthamstow Avenue, eventually losing 3-1.

The club continued to enjoy considerable success in Wiltshire football after the Second World War, adding further league titles and winning the Wiltshire County FA Senior Cup on four occasions: 1931/32, 1932/33, 1947/48 and 1951/52.

Westbury joined the Western League in 1984 and were crowned Division One champions in 1991/92, earning promotion to the Premier Division. After later returning to Division One, United enjoyed another memorable title-winning campaign in 2017/18, finishing top with 95 points from 42 matches and scoring 97 league goals. Promotion was followed by a fifth-place finish in the Western League Premier Division in 2018/19.

A move to the Hellenic League Premier Division for the 2021/22 season brought another major step forward. Westbury finished runners-up with 84 points and earned promotion to the Southern League, taking the club to the highest level in its history. United have competed at Step 4 since the 2022/23 season and also lifted the Wiltshire Premier Shield in 2022/23.

Today, Westbury United continue to play at Meadow Lane, now known as Platinum Hyundai Park. Proudly representing the town beneath the famous Westbury White Horse, the club combines more than a century of history with a strong community identity and an ambition to keep progressing on and off the pitch.

Selected Honours

- Western League Division One Champions: 1991/92, 2017/18

PLAYING SQUAD

2026 / 2027

1

JOEL MANNING SPONSORED BY HARRY, LEWIS & IZZY LOVELL

Joel is in his 2nd season with the club, after a really impressive debut season. A commanding keeper who makes big saves and is just as comfortable with his feet as he is with his hands. Joel is a Bristol lad, but he's from the nice part, apparently! Top keeper and great bloke, and at only 22 years old, he's got a huge future in front of him. Old man John is also a legend. Previous clubs include Melksham, Tiverton, Cinderford and Roman Glass.

2

STEVE HULBERT SPONSORED BY LEAKY FINDERS

Club legend Steve recently played in his 300th game for the club and is in his 11th season at the club, in which time he has seen it all. 2 promotions and a historic cup win against Swindon, which he scored in. Versatile on the pitch, being able to play anywhere along the back line and slot into midfield like a young Didi Hamann. Steve is massively popular in the changing room, intelligent, articulate, passionate, cracking his own brand of humour and his own brand of dancing. On the pitch he has measured his notorious rants over the years, slipping into his senior role at the club with ease. A person and a player that everyone looks up to and admires. Previous clubs include Melksham, Bradford and Frome.

3

TYRESE CARTER SPONSORED BY THE ENGLISH ROSE

Ty came into the club towards the end of last season with his bestie Keane and has hit the ground running. He made an instant impact on the club and settled straight into Southern League football. A towering, quick and tough tackling centre half, Ty has put his martial arts career away to concentrate on his football. The happiest man at the club, always smiling and bringing his positive energy to the group.

4

KEANE ASHWOOD SPONSORED BY PHOEBE IVIN

Keane joined last season with his bestie Ty and the same as his other half, hit the ground running. A tenacious central midfielder player with a great range of passing and an intelligent football brain. Always willing to listen, learn and be the loudest player on the pitch. A quiet lad off the pitch, until he's had a beer! Keane is going travelling this season and will certainly be missed by everyone, especially Ty! Late every week, blames Ty for that. They're so cute.

5

AARON COCKERILL SPONSORED BY ROGERS POULTRY SERVICES

Azza is now in his 4th season with the club. He came to the club as a left back, but has developed into an outstanding centre half. A proper defender who will throw anything into anywhere to keep the ball out. Lefties are known for having a wand, but there is always an exception to the rule. Unbelievable bloke off the pitch, really popular amongst the lads and does an incredible job as vice captain. Azza misses quite a few games this season due to his marriage to Jess, a marriage in the middle of the football season, the game has well and truly gone. But, congratulations to them both! Somehow has ended up on the DJ duties in Hutch's absence. 2/10 on that front. Previous clubs include Shepton and Warminster.

PLAYING SQUAD

2026 / 2027

6

DAN RESTORICK SPONSORED BY JIM BULL BASS

What a bloke. Difficult knowing where to start with Rodders. Firstly, an unbelievable centre half. Dominant in the air, casual and comfortable on the deck. Another proper defender, who fancies himself in the attacking areas and on free kicks. Dan's 3rd season with the club, picking up an award at last season's presentation night. Off the pitch, Rodders is a mad man. On the pitch sometimes too, in all honesty. Always looking for the next joke, wearing something ridiculous or finding a joke inside that complex brain of his. He actually has a very respectable job, but when he's around football, he turns into a lunatic. And we all absolutely love him for it. He's quickly become a firm favourite with players, supporters and everyone behind the scenes. Has been known to share a bed with one of the gaffas on a night out. Previous clubs include Larkhall, Paulton and Bradford.

7

JACK WITCOMBE SPONSORED BY LEAKY FINDERS

Super Jack Witcombe is a player that we have been trying to sign for what feels like forever. We finally managed to get him into the club 2 seasons ago and he became a hit with everyone right away. An energetic winger / midfielder player who oozes quality. Runs more than the other lads every game and wants to play every minute, even with turning 30 this year. Jack has an eye for a goal and an eye for a tackle, I'm pretty sure he enjoys both just as much as the other. Another great bloke who is so important to the team on the pitch and the club as a whole. You may notice something different about Jack this season, I think he's done something to his hair. Previous clubs include Frome, Melksham, Bradford.

8

AARON WITCHELL SPONSORED BY SPONSOR AVAILABLE

The best looking man in non-league. In his 3rd season with us after joining from Melksham. He's been a revelation in our midfield with his high energy, endless running and willingness to do all the less glamorous parts of the game. Pops up with the occasional beautiful strike and will always give everything he's got for the team. Frustratingly, his personality matches his looks, he's a wonderful human being and loved by the boys, staff and supporters. Previous clubs include Calne, Bradford and Melksham.

9

LEIGHTON THOMAS SPONSORED BY MARK YOUNG BUILDING SERVICES

Leighton is a long-term target of ours who we finally managed to get into the club this season, not without a lot of hard work and plenty of barriers in our way, but we were determined to get him in. A lethal striker that we have been crying out for with power, pace and all types of finishes. Leighton will be huge for us this season, he's an incredibly humble man off the pitch and we are beyond excited to see what he will do this season. Previous clubs include Shaftesbury, Dorchester, Paulton and Bemerton.

10

BRAD SELWOOD SPONSORED BY GOODING ACCOUNTS

Banjo returned to the club last season as the classy central midfield player that we all knew and loved. With some injuries and unavailability in the striker department, Brad made it known that he grew up as a striker, up front he went and we haven't looked back since. He has been a revelation up there and has really grown into that role. Spaghetti legs somehow gets himself out of impossible situations and his quality on the ball is right up there with the best around. One of the Bristol lads, he has taken over the thickest Bristol accent from Jenks. Brad has support from his family there every week, his Mum is especially popular with the lads.

PLAYING SQUAD

2026 / 2027

11

BEN STARR SPONSORED BY DISTANCE INN

The magician. One of the best footballers ever to pull on the green of Westbury. A silky winger with tricks, vision, pace and incredible football IQ. A Westbury lad who is adored by everyone, Ben lives up to his Starr boy name. He's a managers dream and will play anywhere he is asked to play, often filling in at full back, centre midfield and has even offered to play centre back when we were short. This will be Ben's 4th season at the club, his first season he picked up an injury that kept him out for 6 months, his 2nd season he decided to go travelling, last season he was fantastic! We can't wait to watch the magician at work again this season. Previous clubs include Salisbury and Frome.

13

KIERAN PERRIN SPONSORED BY SPONSOR AVAILABLE

Pezza has been with the club for a couple of seasons and spent last season on loan at Oldland, which has done him the world of good, coming back into preseason with loads of improvement. The butt of most jokes and not lacking in self-confidence, Kieran has a heart of gold and sometimes a head full of cotton wool.

16

COLE FLEMING SPONSORED BY FRANK IVIN

Cole has joined us from Chippenham Town after impressing on loan from them last season. He is a player with immense quality, pace and technical ability. Cole spent 9 years in the Cardiff City academy and has represented Wales at youth level. Cole is an exciting wide player that is already a crowd favourite, we're all looking forward to seeing him this season. Previous clubs include Cardiff City, Chippenham Town and Hungerford.

18

JAKE ANDREWS SPONSORED BY LIFE & MOBILITY SOLUTIONS

Westbury lad Jake has finally signed for his hometown club. An ex-pro with Bristol City, where he spent 8 years. Jake has an unbelievable left foot and scored his first football league goal for Cheltenham Town against Swindon Town in 2018. Since then, he's had a brilliant non-league career, including winning promotion with Torquay in 2021. A huge signing for the club, Jake has shown incredible commitment to being part of Westbury this season and we can't wait to see what he does this season for us. Somewhat of a livewire off the pitch, enjoys a beer! Previous clubs include Bristol City, Chippenham Town, Cheltenham Town, Torquay United, Havant and Waterlooville, Gloucester City, Poole Town, Swindon Supermarine and Melksham Town.

19

JAMIE JORDAN SPONSORED BY MD HALL CARPENTRY CONTRACTORS

Another member of the 2018 Western League title winning side, along with Steve, Leon, Ricky and Ports, who are all at the club. JJ returned to the club half way through the 25/26 season and he stepped straight back into the classy and technical player that he was when he left to become Trowbridge manager in 2020. A wonderfully gifted footballer who loves the game. Along with Steve, you won't find many people with better knowledge of local football. JJ can play anywhere, usually at full back these days but is just as comfortable higher up the pitch or in midfield. JJ is one of the few Fathers at the club, with 2 kids, Olivia and Xander, and a wife, Tash at home. All legends. I'll name a few of his previous clubs, but he's played for every club from here to Bournemouth. Bradford, Trowbridge, Wincanton, Sturminster Newton and many others!

PLAYING SQUAD

2026 / 2027

21

ETHAN WITCHELL SPONSORED BY WHITE HORSE FURNITURE

Younger brother of Aaron. Ethan is in his 2nd season with us, joining us from Shepton Mallet. He did decide to do pre-season somewhere else, but we won't go into that. Like his brother, full of energy but with a lovely left foot and a love for a big tackle. Ethan came through the ranks at Chippenham's academy, where he has developed into a technically gifted left sided player. Ethan had an excellent 2nd half of last season after an injury, cementing his place in the side. Still only 21 years old with a huge future in front of him. Has an awful picture on his driving licence. Previous clubs include Bradford and Shepton.

22

BEVAN CROSS SPONSORED BY THE CLEAN UP GANG

Bev came back to the club last season and picked up where he left off, having a brilliant season. A flying winger, who has an eye for a goal, an assist and will run himself in the ground. Bev is another really popular member of the changing room and has come out of his shell over the last couple of years, even with his moody ways. Bev's Mum cooks the greatest curry known to man. Bev thinks that he is going to be a top model in years to come, so watch this space. Previous clubs, Chippenham, Yate.

23

RYAN BOLE SPONSORED BY ALERT SYSTEMS

Club captain Ryan is into his 7th season at the club, where he has grown from a boy to the man that he is today. A monster of a bloke that falls over like a giraffe if the wind catches him the wrong way. His left foot is a powerful weapon that has caused plenty of damage over the years. Bole's incredibly high personal standards that he transmits to the team saw him being appointed captain 2 seasons ago, a role that he has thrived in. Top bloke off the pitch, loves a TV catchphrase. Previous club Melksham. Thanks Phil.

24

JAKE HUTCHINGS SPONSORED BY SPONSOR AVAILABLE

Hutch is into his 6th season with the club and was Ricky and Lewis' first ever signing as managers. One of the silky defenders you're ever likely to see, unbelievable technique, ball striking and looks like he glides around the pitch. Hutch has had a couple of frustrating seasons due to injuries, we're all hoping we can get him back out on the pitch this season. One of the better changing room DJs at the club, there are a few bad ones. Did have a very successful YouTube channel. Previous clubs include Melksham and Odd Down.

Richard Wood

Let's start with our unfortunate FA Cup exit.

As I mentioned in my last notes, we drew a lower league team, but there was far more to it than met the eye.

The scoreline indicated we were well beaten on the day, but I think there are a couple of mitigating factors, we did start the game quite well and missed quite a few opportunities, had one of those gone in, it may have panned out a little bit differently, as it was, it didn't.

They took the two chances they had in the first half and we go in behind.

Of course, we are then chasing the game and they added a third early in the second half to kill off any hopes of a comeback.

We did get one back, but a comeback was never really on and when you are chasing the game, they added two more goals to the scoreline, which looked horrible at the end.

In saying that though, we may as well have drawn a National League South team, because looking at their players, that is the standard I think their team is at.

Yes, they may be in a lower league, but they are not a step 5 team by any stretch of the imagination, they could easily be playing quite a few divisions higher in my opinion.

They had a lot of big, strong players, very much like we used to see when National league teams played us a few years ago.

Of course, it meant we got the headlines having been knocked out by a lower league team etc.

Fair play to them, they came with a big boisterous support, but obviously they are being well backed by their owner.

They are flying like a rocket at the moment, but what happens when the fuel runs out would be my question?

I'm not meaning to sound bitter, but I would think I would far rather be building a long term sustainable way forward, it may take longer and we may still have painful moments on the way, when we come up across teams that are taking the short route to success.

We have seen that doesn't really work in most cases but who knows?

We reacted really well with a hard fought 1-0 win at Worcester Raiders at the weekend, another win tonight would be very handy, as Swindon Supermarine and Dorchester keep winning.

'till next time,

TADLEY Calleva and SE Dons are assured to fly the flag for Step 5 clubs in next weekend's FA Cup fourth qualifying round after another round of upsets.

Combined Counties League Premier South side Tadley came from behind to beat Step 3 Dartford 2-1, while SE Dons, a Sunday side just two years ago and playing in the FA Cup for the very first time, thrashed higher-ranked Weymouth 5-1 away.

Basingstoke-based Calleva have gone well beyond their previous best of the second qualifying round with Joe Lawler's men facing a historic trip to National League side Aldershot Town in a crunch Hampshire derby at the EBB Stadium.

SE Dons, meanwhile, are undoubtedly the story of the FA Cup so far this season.

Founded by rapper Don Strapzy and friends, the club based in Bexleyheath were playing in the Orpington and Bromley District League as recently as 2022 and made their senior football bow when merging with Forest Hill Park two years later.

There, under chairman Andy Ansah and manager Antonio Gonnella, they joined the Southern Counties East League Division One and won promotion to the Premier in their first full season.

This year's FA Cup marks a return to the limelight for former Brentford and Southend United striker Ansah, who became a household name in hit Sky One drama Dream Team in the late 1990s and later worked alongside former England captain Wayne Rooney in Wayne Rooney's Street Striker.

Next up for the Dons is a tricky trip to Southern League Premier South side Sholing, for whom Matt Le Tissier is an associate director.

The Boatmen, too, have equalled their best-ever FA Cup run and looking to reach the first round proper for the first side.

In all, there are also seven other clubs who have equalled their previous best by reaching the fourth qualifying round; AFC Rushden & Diamonds, Anstey Nomads, Bury, Chertsey Town, Cray Wanderers, Dorking Wanderers and Plymouth Parkway.

AFC Rushden and Plymouth Parkway both picked up victories over higher-ranked opposition, beating Braintree Town and Horsham respectively, while Salisbury FC too are celebrating a best-ever run after a handsome 5-0 win over Dulwich Hamlet – just 48 hours after returning from an impromptu visit to the Middle East, where they took on Kuwaiti Premier League big guns Al-Qadsia at the 22,000-seater Mohammad Al-Hamad Stadium.

At least one more side will make club history next weekend, should they come through their respective replays (played after this piece was written).

Another Step 5 side, Trafford, from the North West Counties League, travel to NPL West side Atherton Collieries on Tuesday night replay after a 2-2 draw in the initial tie.

Whichever side wins will be guaranteed to make club history when they make the tough trip to National League side AFC Fylde next weekend.

At the same time, Isthmian Premier side Wingate & Finchley can set a new record if they beat Bedford Town in their replay; their previous best was the third qualifying round.
