FROM THE BOARD ROOM

Good evening everyone, and welcome to the Bob Lucas Stadium. A warm welcome to the players, officials and supporters of Exmouth Town for tonight's game.

Well, what a fantastic result on Saturday and what a cup run we are having this season!

Our 1–0 win against Hampton & Richmond Borough has taken us into the Third Round Proper of the FA Trophy, and we now know that we will be facing Uxbridge here at the Bob Lucas Stadium in December.

When you look back at our cup results this season, I think it is worth reminding ourselves just what we have achieved. We have beaten Chippenham Town, Sholing and Hampton & Richmond Borough in the FA Trophy, along with Bath City in the FA Cup and Poole Town in the Dorset Senior Cup. That's five teams from higher divisions that we have beaten in cup competitions this season.

That is some achievement, and full credit must go to Jamie, his management team and, of course, the players.

The draw against Uxbridge gives us another opportunity to test ourselves against opposition from a higher league. We have shown already this season that we are more than capable of competing at that level, and having the game at home is certainly something to look forward to.

FROM THE BOARD ROOM
Continued

As much as we are all enjoying the cup run, the few weeks before we face Uxbridge will give us more time to concentrate on the league, which has to be our priority. We all know what we want to achieve this season, and that is getting ourselves back up the leagues. Hopefully, we can use this period to get some important points on the board and build a good run of results before turning our attention back to the FA Trophy in December.

If anything, our cup performances should give everyone confidence. We have gone up against teams playing a league or two above us and come away with the results. We now need to take that into our league games and show that same level of performance week in, week out.

Tonight we welcome Exmouth Town, and although we had a very good 5–2 win down at their place earlier in the season, we certainly won't be taking anything for granted. We need to approach tonight with the same attitude and determination that has served us so well in the cups.

Finally, a big thank you to everyone who has been getting behind the team. The support has been fantastic, and it really does make a difference.

There is plenty to be positive about at the moment, but there is also plenty of work still to do. We have given ourselves a great opportunity to make this a successful season, and now we need to keep pushing on.

Enjoy the game, and come on you Terras!

FROM THE DUGOUT

Good evening and welcome to the Bob Lucas Stadium for tonight's league fixture against Exmouth Town.

A warm welcome to the Exmouth players, staff, supporters and tonight's match officials.

Saturday was a fantastic afternoon for everyone connected with the club. Beating Hampton & Richmond Borough 1–0 to reach the next round of the FA Trophy was a great achievement, and I was particularly pleased with the performance, commitment and clean sheet from the lads.

We now need to carry that confidence into tonight's game. Our league form has been excellent, and with games in hand on the teams around us, it's important we keep picking up points and making the most of those opportunities.

We know Exmouth will provide a tough challenge, but if we show the same hunger, work rate and togetherness as we did on Saturday, we give ourselves a great chance.

Thank you for your continued support. It means a great deal to us, and hopefully we can give you another three points to celebrate.

Enjoy the game.

Up the Terras!

FROM THE Supporters' Association

Good evening and welcome back to the Bob Lucas Stadium for tonight's Southern League Division One South fixture against Exmouth Town AFC.

We extend a warm welcome to the players, management, officials and supporters of Exmouth, and hope those making the journey from Devon have a safe trip home after tonight's match.

The Terras head into this evening's fixture sitting top of the league table, having just booked ourselves a slot in the FA Trophy Third Round Proper after beating Hampton & Richmond Borough 1-0. Beating a team two levels above should fill us with lots of confidence.

Tonight provides another opportunity to pick up valuable points in front of our home supporters.

There is plenty of football still to be played this season, but every point matters. Thank you for your continued support, and let's get behind the lads as we look to make another positive step in our league campaign.

It's the game we have all been waiting for – specifically the 229th "mouth derby" this Tuesday evening as we face the Devon-coast-based outfit Exmouth in the league! Yes the visitors are enjoying their 5th campaign at this level since promotion from the western league in 2022. And promotion looked to be in their sights again after a fine start when they lost one of their first five games when we first played them in this campaign back at the end of September. On that Wednesday evening they took the lead in the second minute but we replied just two minutes later and did not look back from there, finishing strongly to record a 5-2 victory.

This midweek affair will be the 9th time the Terras have faced "The Town" although only one was a competitive fixture before this season. But what a fixture that was as the hosts caused a massive cup upset to dump the Terras out of the FA cup in 1989, Gerry Gow's men falling to the team two rungs below them in the football pyramid.

The other six meetings were all friendlies over the years and all won by Weymouth apart from one draw in 1991. The most recent encounter was the summer of 2013 - a 4-0 victory for the Terras.

In terms of players who have featured for both sides over the years there are two who could appear in this game. Matt Wonnacott is the current Town keeper and he made just one appearance for the Terras on loan from Torquay United last season.

In the Weymouth squad our Tor Swann played a few games for the Devon club two seasons ago and scored against his former employers last time we met. For a slightly more tenuous player connection I can point to the Exmouth manager Kevin Hill who played for Dorchester from 2008 until 2010 and featured against the Terras at least once during that period.

A Brief History Exmouth Town AFC

Exmouth Town Football Club was formed in 1933, playing their home games on the Maer Cricket Field. They moved to their current home at Southern Road in 1964.

After many successful seasons in the Devon and Exeter League they joined the Western League in 1973. They were promoted to the Premier Division after finishing Runners-Up of Division One in1981-82 and won the Premier Division in 1983-84 and again in 1985-86. Other Western League honours include League Cup winners 1989-90, Premier Division Runners-Up (twice) and the Sportsman Trophy (twice).

Cup success includes winning the Devon St Lukes Bowl (three times), Devon Senior Cup, Devon Premier Cup (twice) and in 1984-85 they reached the Semi- Final of the FA Vase, narrowly losing to Fleetwood Town by the odd goal over the two games with over 5000 fans watching the two games.

During this period the Club installed floodlights and hosted many matches against Football League sides. On the 28 July 1987 they recorded their highest home attendance of 2,395 for a match against Liverpool.

The success of the Eighties was, unfortunately, not repeated during the nineties and the Club was relegated after the 1993-94 season. They gained promotion back to the Premier Division for the 2003-04 season but regrettably had to withdraw from the Western League during 2005.

On the 1st August 2006 the Club reformed as Exmouth Town (2006) AFC, playing in the Devon and Exeter League. At the end of the season they were promoted into Division One (East) of the newly formed South West Peninsula League, a step seven league in the national pyramid system. The Club won the East Division in the 2012-13 season losing only one league game. They also won the Devon Premier Cup and reached the semi-final of the SWP League Cup. Having achieved promotion to the Premier Division the side finished as runners-up in season 2013-14.

Having consolidated their position as a Premier Division side they finished eighth in season 2014/15 and twelfth in 2015/16. Season 2016/17 saw further improvement when they not only finished fifth in the League but also reached the final of the League cup, the final of the St Lukes Bowl and the last sixteen of the FA Vase.
In 2018/19 they finished runners-up in the League winning thirteen and drawing two of their games played in 2019 and were promoted to the Toolstation Western League Premier Division.

The 2019/20 season brought highlights in the FA Cup with victories over Southern League sides Barnstaple and Yate Town. When the season was brought to a premature end due to the coronavirus pandemic Town were well placed in fifth position having extended their unbeaten home record dating back to December 2018.

The 2020/21 season saw Town continue to establish themselves as one of the leading clubs in the Western League. Unfortunately Covid once again had a devastating effect with the League being curtailed with Town having played just eleven games winning eight and losing three. They were in third place when the season finished with the leaders, Plymouth Parkway, being promoted to the Southern League on the restructuring of the pyramid system.
The 2021/22 season saw Town enjoy another highly successful season under the Management Team of Kevin Hill and Andy Rawlings eventually finishing runners-up to Tavistock. The outcome of the League title was not decided until the last day of the season, with Town gaining promotion to the Southern League for the first time in their history.

David Rowe: A no-nonsense central defender looking to rack up 300 appearances for the club. Can be heard in all corners of the ground, tough tackling with an infamous left peg.

Another home game. We seem to have runs of a lot of them in a row.

It doesn't help when trying to think of things to write about!

First things first, another higher division team beaten.

I thought we looked like the National South team in the first half on Saturday.

The second half saw Hampton have more of the game, but I don't recall Gez having to make a serious save.

Our work rate was off the scale, as it has been all this season so far and it is paying off big time at the moment.

We saw the game out fairly comfortably, which against a National League South side is not to be sniffed at.

It was a blow when Calvin had to go off, but hopefully it was nothing too serious.

The tie with Yeovil will have to wait, I know many were hoping for that and as the draw went on with both of us still in the hat until quite late on, it did feel like a possibility.

On to tonight and the quest for league points.

'till next time,

Up The Terras!

AND then there were nine.

The FA Cup first round turned out to be fairly fruitful for Non-League clubs.

Yes, there were some heavy defeats from EFL clubs not wanting to get caught in the headlines.

But we also enjoyed some memorable upsets and a decent progression of Non-League clubs into the second round. Seven clubs booked their place in the draw on Saturday – Step 3 Guiseley, National League South duo Dover Athletic and Salisbury, as well as National League foursome Kidderminster Harriers, Carlisle, Barrow and AFC Fylde.

Wimborne Town joined them on Sunday thanks to their upset of League Two Crawley Town and, on Monday night, Plymouth Parkway became the third Step 3 to join the party after winning the all-Southern League Premier South clash.

It could have been more. How it could have been. Altrincham ran Notts County close in thickest of fog, eventually losing on penalties, Hornchurch were pegged back against Blackpool and only fell in extra time.

On Sunday, Stafford Rangers led Grimsby 2-0 and then 3-2 in extra-time before seeing their dream finished in a shoot-out. Cray Wanderers led ten-man Stockport County 2-0 but suffered a late turnaround before extra-time defeat. When the dust has settled they will no doubt all look back with pride.

The second round draw delivered too. Dover – who upset Wealdstone 2-0 – pulled the big one out with a home date against former FA Cup winners Leicester City.

Wimborne's reward for their famous victory is League One high-flyers Bradford City, who stuck seven past Marine last weekend.

NPL Premier Guiseley beat Sutton to reach round two – and will now face Notts County at home.

The third team of the Step 3 trio, Plymouth Parkway, take on Barnet in the south-west.

Salisbury – fresh from seeing off Sholing – host Blackpool and AFC Fylde will welcome Luton Town.

Carlisle United's impressive win over Salford City sees them make the trip to last season's National League winners York City.

And then there's Kidderminster Harriers, who stuck three past Doncaster Rovers in their first round win, making the trip to fellow National League side Barrow, managed by former manager Adam Murray, in the only all Non-League tie.

The games take place in early December. Certainly one will be remaining. But how many more can join them?
