FROM THE BOARD ROOM

Good afternoon and welcome to the Bob Lucas Stadium for today's FA Trophy fixture against Hampton & Richmond Borough. A warm welcome to their players, officials and supporters who have made the journey down to Dorset.

I want to start by reflecting on our midweek Dorset Senior Cup victory over Poole Town.

One of the real positives about where we are as a football club now, certainly compared with even twelve months ago, is the depth we have within the first-team squad and the opportunities that gives us.

We have players who need games, who need to be tested and who need to be playing at a competitive level to push themselves towards a regular first-team place. Tuesday night was a great example of that.

I thought they did fantastically well. It was a tough, hard-fought game, one that certainly got the emotions going, particularly towards the end. By the time we got through the penalty shootout, I think everyone had been through just about every emotion going!

We are, of course, the Dorset Senior Cup holders, having won the competition for the last two seasons, and naturally we would like to make that three. But for me, just as important as progressing in the competition is the opportunity it gives us to use the wider squad, get valuable minutes into players and see what they can do in proper competitive matches.

FROM THE BOARD ROOM
Continued

That is a significant difference from where we were last season, and another indication of the progress we are making as a club.

Turning to today's game, we welcome Hampton & Richmond Borough in what will undoubtedly be another tough test. These are the sort of fixtures we want to be involved in, testing ourselves against oppositions from a higher level and seeing how far we can go in the competition.

Cup football always brings something a little different, and hopefully we can give everyone another afternoon to enjoy here at the Bob Lucas Stadium.

As always, thank you for your continued support. It makes a real difference, both on and off the pitch.

Enjoy the game, and let's hope we're celebrating another positive result come the final whistle.

FROM THE DUGOUT

Good afternoon and welcome to the Bob Lucas Stadium for today's FA Trophy tie against Hampton & Richmond Borough.

A warm welcome to the Hampton & Richmond players, staff, supporters and today's match officials.

I'd also like to congratulate Richard Thomas on his recent appointment as Hampton & Richmond's new manager. I'm sure he'll be looking forward to getting started, and we wish him well in his new role, although hopefully not too much success this afternoon!

We've worked hard to put ourselves in a strong position this season, and today is another opportunity to build on that progress. The FA Trophy is a competition we want to do well in, and reaching the next round is something we're all determined to achieve.

We know it will be a tough test, but if we show the same commitment, togetherness and desire that have served us well, I'm confident we can give ourselves a great chance.

Thank you, as always, for your fantastic support. It means a great deal to me and the players.

Enjoy the game.

From the Terraces to the Commentary Box - A Special Matchday for Joshua!

Today's match against Hampton & Richmond Borough will be an extra special occasion for one young Weymouth supporter.

Joshua Hampson, aged 16, a student at Skills Ability Weymouth (a new College for young people with Special Needs and Disabilities) will be joining Ben to help with the matchday commentary – a fantastic opportunity for a young man who has been a lifelong supporter of Weymouth Football Club.
Joshua has followed the Terras for as long as he can remember and regularly attends matches. So, to have the opportunity to get involved behind the microphone and experience matchday from a completely different perspective is something really special.

Joshua joined Skills Ability Weymouth in October and has been developing his confidence, communication and a range of valuable workplace skills. Opportunities like this are a brilliant way for young people to put those skills into practice in the real world.

Joshua's mum, Katy, said:
"Thank you to AIR FM and Weymouth Football Club for this fantastic experience. Since joining Skills Ability Weymouth Joshua has grown in confidence and is learning a wide range of new skills."
Emma, Principal at Skills Ability Weymouth, will be alongside Joshua in the commentary box and said "Afternoons like these are so important for our young people, not only to raise aspirations, but to have an insight to real life work experience. "

Everyone at Skills Ability Weymouth is incredibly proud of Joshua. We hope he has a brilliant time in the commentary box – and who knows, perhaps this is the beginning of a broadcasting career!

FROM THE Supporters' Association

Good afternoon and welcome to the Bob Lucas Stadium for today's FA Trophy Second Round Proper tie against Hampton & Richmond Borough.

We extend a warm welcome to the players, management, officials and supporters of Hampton & Richmond, and hope everyone travelling from West London has an enjoyable visit to Weymouth.

Today's tie presents the Terras with a tough challenge, as we welcome the National League South opposition to the Bob Lucas Stadium. With the higher ranked sides entering the competition at this stage, it is an opportunity for us to test ourselves against opposition from two levels above.

The Terras booked their place in this round with an excellent 3-2 victory over Sholing, showing plenty of character to progress in what was a closely contested encounter. Having already enjoyed a positive run in the competition, we will be hoping to carry that momentum into today's fixture.

Hampton & Richmond will undoubtedly provide a difficult test, but cup football brings its own opportunities, and the players will be determined to make the most of home advantage and secure a place in the next round.

We have already had cup success this week after beating Poole Town on penalties at the Bob Lucas Stadium on Tuesday night.
With a place in the Third Round Proper at stake, there is plenty to play for this afternoon. Thank you, as always, for your continued support, and let's get behind the lads as we look to continue our FA Trophy journey.

STATS AND FACTS

NUMBERS BEHIND THE GAME vs Hampton & Richmond Borough

Played for both teams...A selection...

Al Hussaini, Zaid Amartey, Franny Anderson, Myles Boyce, Mark Charles, Julian Edwards, Diamond Hamblin, Leo Jenkins, Luke Louis, Jefferson Mullings, Sahmir Nade, Raphael Revan, Dom.

Former Beavers manager Mel Gwinnett was also a Terras regular in 1989-90 playing in goal.

Just the ten games in our history against The Beavers with all the fixtures played during five conference south seasons, the last being in 2024-25. The visitors may edge the honours even with six wins to our four but we have won three to two at the Bob Lucas.

Our last two encounters did not go our way however. A narrow defeat at home by a single goal under Mark Molesley in Sep '24 was followed up by a 0-2 reverse in London In Jan '25 under Warren Feeney. Our very first meeting back in 2009 was also a loss (0-3) but for a time we managed to dam up the Beavers in their search for points for a time recording four consecutive wins against the home county foes over a 13 year period.

There are a few notable player connections between the sides. Former H&R manager Mel Gwinnett played in goal for the Terras for two seasons from 1988-90.

More recently former Terra loanee Dominic Revan enjoyed two seasons at The Beaveree, having starred on loan from Aston Villa U23s. Others include former Weymouth signing Franny Amartey who was on loan for a month with today's visitors and Leo Hamblin also played for the London side in the past.

Today marks our first cup game against the Beavers with our opponents 24 places and two divisions higher in the football pyramid. Therefore most pundits would technically class this game as a "giant-killing" chance for the Terras.

We have never bridged a two division gap in the FA Trophy before but we have in the FA cup on at least three occasions. Most recently against Cheltenham Town in 1991 but most famously away at Cardiff City in 1982. We came oh so close in 2022 though taking AFC Wimbledon to a replay. A win today would be another record set for the club this season – the first time we have progressed through five rounds of this competition!

A Brief History Hampton & Richmond Borough FC

Hampton FC were formed in 1921 (changing their name to Hampton & Richmond Borough FC in 1999). The club are the only Senior Football Team in the London Borough of Richmond-upon-Thames, an area dominated by Rugby Clubs. Hampton's early years were spent in Junior Football competing in the Kingston & District and the South West Middlesex Leagues until 1959 (Hampton's main honours during that period were four Kingston & District League Championships between 1929 and 1933). Having secured a lease on Beveree, Hampton made the move into Senior Football, joining the Surrey Senior League.

The Beavers (no one can quite recall how or why the club acquired its nickname!) won the Surrey Senior League Championship in 1964 and were then invited to join the Spartan League (there was no progression though a pyramid in those days). Hampton won three Spartan League and Cup doubles during their stay in the Spartan League. In October 1967 Hampton made their best ever signing when they persuaded Alan Simpson OBE to take the role of Club President (Mr Simpson, in partnership with Ray Galton wrote comedy classics, Hancock Half Hour and Steptoe & Son). Alan Simpson OBE would remain Club President for 50 years until his death in 2017, his funeral was held on the Beveree pitch.

The Club's first floodlights were installed in 1967 and after a short stay in the Athenian League, the club joined the Isthmian League in 1973.

The Beavers played in various divisions, at one stage sinking down to Division 3 before a surge up the league saw them gain a place in the Premier Division in 1998. At the end of the 2002/03 season the Beavers were relegated but shortly after the signing of Alan Devonshire (ex-England & West Ham United) as Manager saw a resurgence in fortune which saw them gain the Isthmian League Championship in 2007. The Beavers would spend five seasons in the Football Conference South, twice narrowly missing out on promotion to the apex of Non-League, losing two play-off finals in 2008 and 2009.

The Beavers found themselves back in the Isthmian League for the start of the 2012/13 season, a season after Alan Devonshire had moved on. The following two seasons saw disappointing finishes of 13 and 12th, one month into season 2014/15 joint managers Paul Barry and Darren Powell resigned and ex-Kingstonian Manager, Alan Dowson, was appointed.

Under Alan Dowson the club won the Isthmian League Championship once again in 2015/16, seeing promotion to the National League South where the club have remained ever since. The club also won the Isthmian League Charity Shield in August 2016.

A Brief History cont...

Cups

The club have appeared in the FA Cup 1st Round Proper on four occasions (losing 2-1 at Barnet in 2000; losing 3-0 at home to Dagenham & Redbridge in 2007; losing 2-1 at home to Oldham Athletic in 2018 and then losing 2-3 at home to Oldham Athletic (again!) in 2020). In the FA Trophy the Beavers reached the last 16 in 2012. In County Cups the Beavers have won the Middlesex Senior Cup in 2006, 2008, 2012, 2014 & 2017. The club have also won the Middlesex Charity Cup in 1970, 1996, 1998 & 1999.

Ground

The club have over the years improved Beveree to a state where it now has a ground capacity of 3,500 (including 750 seats) without losing the 'country' and 'village' feel of the place and has a reputation as a welcoming and friendly club. The club has a large youth set up with over 35 sides competing from Under 7s through to Under 18s. The Club remain fully committed to the local community having been part of life in Hampton Village for over a century.

Player Bios
Hampton & Richmond Borough FC

2 ~ Paul Field
Defender Paul Field became Alan Julian's 12th signing ahead of the 2025/26 season. Field had actually spent some time with Hampton during the 2024/25 pre-season before joining Walton & Hersham where he was a regular first team starter, making 36 appearances as they narrowly lost in the playoffs at step three.Manager Alan Julian remarked, "what struck me was how he conducted himself as a person, he's very comfortable on the ball but I just felt he needed a full season of games to show and develop his talents. He had an exceptional season at Walton & Hersham and I think it's time for him to make the step up." Field will add strength to Hampton's back line, is composed on the ball and strong in 1v1 situations. Field happens to be best mates with Ronan Silva, another summer 2025 signing.

3 ~ Harrison Sodje
Left-sided defender / midfielder Harrison Sodje signed in August 2026. A South London native, he spent his youth at Chelsea, Charlton Athletic and Leyton Orient, making his senior debut for the latter in the EFL Cup against Plymouth Argyle on the 8th of August 2023.

4 ~ Will De Havilland
Centre-back Will De Havilland joined the Beavers in June 2026 following his departure from Maidenhead United. De Havilland served as Captain at York Road during the 2025/26 campaign and arrives at Hampton with a genuine local connection: his parents lived there when they were younger and met in Hampton! As a player, De Havilland is an organiser and leader who loves tackling, blocking, keeping clean sheets and grabbing the odd goal from set pieces. De Havilland began his career at Millwall and had spells at Sheffield Wednesday and Wycombe Wanderers in the Football League before joining Aldershot Town in the 2017/18 season. An initial loan then permanent transfer to Maidstone United followed the next season, with the centre-back making 97 appearances over the next two seasons from 2019/20 to 2020/21 for both the Stones and Dover Athletic. De Havilland joined Maidenhead United in the summer of 2021 and made 200 appearances in five seasons, netting ten goals.

5 ~ Luis Fernandez
Enfield-born Fernandez arrived at Beveree in May 2022, as one of Gary McCann's first signings ahead of the 2022/23 season, signing from Stevenage who he had joined as a 13-year-old. Fernandez made his first team debut for the Boro against Southend United in August 2019, when was still just 17 years old, earning plaudits from his manager for his performance. A first professional contract followed shortly after, along with a further seven outings for the first team that season.

Player Bios ...cont
Hampton & Richmond Borough FC

Whilst with Stevenage, Luis also enjoyed two loan spells in the National League - first with Oxford City in 2020/21, and then spending 2021/22 with King's Lynn Town. Still only 20, Fernandez has already racked up almost 25 appearances in the National League, and was part of the Oxford City side which reached the FA Trophy quarter final and the FA Cup second round. Away from football, the tall centre back is a keen fisher - just like all good Beavers. Fernandez was snapped up by Eastleigh for the 2024/25 season but, struggling to hold down a first team place, Fernandez dramatically returned to Beveree in mid-February 2026, announced by the club on 10th February that he had signed an 18-month contract.

7 ~ Angel Waruih

Central midfielder Angel Waruih signed on a permanent deal in September 2026, most recently Waruih was with Eastleigh in the National League where he made 75 appearances across two seasons. The Botswana-born youngster started his youth career at Plymouth Argyle aged just five and eventually made two EFL Trophy squads, making his senior debut for the club in a start against Newport County on the 31st August 2021. Following a successful trial, he transferred to Brentford's B Team in August 2022, signing a one-year deal and appearing six times during the Bees' run to the 2022/23 Premier League Cup victory. In June 2024 he earned the moved to Eastleigh and won the clubs Young Player of the Year award in his first season. Waruih is primarily a deep-lying midfielder who has the ability to push forward and play more of an #8 position.

8 ~ Wesley Fonguck

Central midfielder Wesley Fonguck had a brief stint for Hampton during the 2016/17 season and re-signed in June 2026. Fonguck is a playmaker who enjoys creating chances and making things happen on the pitch, contributing some goals and assists wherever he has played. After coming through the Crystal Palace academy, Fonguck had a brief stint for Croydon before joining Barnet as a second-year scholar in 2014, making his debut in an FA Trophy fixture against Concord Rangers in December of that year.After being sent on a couple of loan spells – including one at Hampton where Fonguck made his Beavers debut in January 2017, getting sent off on his debut against Bishop's Stortford – Fonguck established himself in the Barnet side, making 154 appearances for the Bees between 2014 and 2022.

9 ~ Reece Grego-Cox

Forward Reece Grego-Cox joined Queens Park Rangers at the age of 13 in 2010, after scoring nearly 60 goals in a season for Bedfont Eagles Under 14s. Greco-Cox signed his first

professional contract with QPR, the club he had supported as a youngster, in December 2014, and around this time represented Republic of Ireland at Under 17, Under 19 and then Under 21 level, eligible for Ireland through his grandparents. In May 2014 the Irish Post noted how his "pace and aggressive style of play" had proven successful on the international circuit. In recent seasons Greco-Cox has played in the National League Woking, being loaned out to Dagenham & Redbridge last season.

10 ~ Max Kretzschmar

Max Alexander Kretzschmar returned to Beveree in December 2025, having previously turned out for Hampton in Alan Dowson's last season as manager, back in 2017/18. Kretzschmar made his debut in July 2017, scoring the only goal of the game against Wealdstone in the final of the Middlesex Senior Cup (held over from the previous season). The local lad went on to appear 52 times in all competitions that season, scoring 23 goals.After a successful campaign during which the Beavers reached the National League South Playoff Final (losing to Braintree Town), he followed Alan Dowson to Woking. He later joined Wealdstone and made over 100 league appearances in four years for the Middlesex club, finishing as their joint top scorer in the 2023/24 season as well as being named one of the club's vice-captains for 2025/26. Kretzschmar may be considered a midfielder by some, being comfortable playing centrally on the pitch or in the #10 role.

11 ~ Maxwell Mullins

Versatile Maxwell Mullins signed for the Beavers in June 2026. The former Aldershot Town youngster spent half of last season at Eastbourne Borough (making three assists during Hampton's infamous 6-0 defeat at Priory Lane in November 2025). Mullins had made his first senior appearance for Aldershot Town in 2022, he also featured as a substitute in the Shots' FA Trophy win in May 2025. Although primarily a forward, Mullins has appeared in every outfield position with the exception of central midfield. Mullins is the son of former Crystal Palace, West Ham United and Portsmouth midfielder, Hayden Mullins.

12 ~ Tobi Sho-Silva

Centre-forward Tobi Sho-Silva signed in late July 2026 after impressing in trial matches against Chertsey Town and Queens Park Rangers Under 21s. Sho-Silva started his footballing journey close to his home at Charlton Athletic's academy, playing alongside the likes of Joe Gomez, going out on multiple loans to Welling United and also to Inverness Caledonian Thistle.Released by the Addicks in 2016, he signed for Bromley, making several National League appearances and scoring 11 goals. Sho-Silva spent several years in the National League, featuring for Dover Athletic, FC Halifax Town and Sutton United, earning promotion to League Two with the latter and later moving to Carlisle United in January 2022, being part of the squad which gained promotion to League One. More recently, Sho-Silva has been at

Maidenhead United and then Kidderminster Harriers, with a loan at Solihull Moors. Sho-Silva acts as a target man and has a big presence in the area.

14 ~ Zanda Siziba

A loan signing in February 2025, midfielder Siziba arrived at Beveree from York City on a temporary deal until the end of the 2024/25 season and returned to Hampton in August 2026. Originally from Hackney, the Zimbabwean winger spent his youth career at Dagenham & Redbridge, Tottenham Hotspur and Ipswich Town, where he made his professional debut against Gillingham in the EFL Trophy aged 17. In March 2023, Siziba moved to Yeovil Town, before switching to York in the summer. In his time with the Minstermen, he played 15 times in the National League, scoring three goals, and averaged one goal in three games across two loans with Blyth Spartans and Spennymoor Town in the National League North.

15 ~ Jasper Mather

Striker Jasper Mather signed for the Beavers in early June. Mather prides himself on his work rate and being positive on the ball, explaining "I don't like to pass the ball backwards unless it's absolutely necessary. I want to get the ball moving forwards and get the fans off their seats!", and has pedigree for scoring plenty of goals. Mather's introduction to non-league football began at Met Police. He progressed through the youth ranks, becoming the league's top goalscorer in his first year, and second top goalscorer in his second season. A move to Eastleigh then followed; however, his season was largely interrupted by the covid lockdowns. He returned to Met Police in July 2021, where he spent a further two years at the club, making over 60 appearances in all competitions. In June 2023, Mather made the move to Bognor Regis Town, becoming a fan favourite and scoring 16 goals during the 2023/24 season then netting 15 goals in all competitions during 2024/25.

16 ~ Mike Atkinson

Central defensive midfielder Atkinson has amassed a wealth of experience with Walton Casuals, Bracknell Town and - most recently - Basingstoke Town, in the Southern League, before signing at Beveree in summer 2024. He had a brief stint at Salisbury at the beginning of the 2025/26 season, returning to Beveree in early October 2025.

17 ~ Kiban Rai

Forward Kiban Rai signed in late July 2026 after a successful trial. Rai is from Brecon in Wales and joined the youth academy of Newport County at Under 15s level, eventually signing his first professional contract with them in June 2023, becoming the first player of Nepalese descent to appear in the English Football League or Premier League (Rai's father is a former British Army Gurkha). Rai scored his first professional goal in dramatic fashion, heading home against Premier League Brentford in the sixth minute of stoppage time at the

end of a League Cup tie to send it to penalties. Rai can operate as an attacking midfielder or forward and is known for his technical ability and creativity.

18 ~ Bright Siaw

Signed in October 2026 on a three-month loan from EFL League Two side Barnet, Siaw is a young winger with previous non-league experience at Step Five Burnham (2024/25) before he signed a professional contract for Barnet in April 2025. Brought into the Hampton side to inject pace and power into wide areas of the pitch, Siaw later experienced loans with Welling United (September 2025) and Southall (December 2025-January 2026). Siaw registered a goal and an assist in Barnet's 5-1 EFL Trophy victory over Arsenal Under 21s this season.

19 ~ Luca Barrington

An attacking midfielder who arrived in October 2026 on a permanent deal to the end of the season. Barrington started his footballing journey in his native north west England, signing for Manchester City as a six-year-old and securing his first professional contract with them in the summer of 2022, after contributing 10 goals to the Premier League Under 18s title win during the 2021/22 season. He later signed for Brighton & Hove Albion's academy, making a few first team matchday squads during the /24 season. Later Barrington had a loan spell with Grimsby Town of EFL League Two, making 43 appearances and seven goal contributions in all 2023 competitions. He also had a short stint at Boston United during the 2025/26 season. Barrington is an attack-minded player who dribbles well off both feet, likes to go around people and adds some creativity on the ball.

20 ~ Marco Underwood

Underwood signed in August 2026 on an initial one-month loan from Fulham. Underwood, who joined Fulham from Woking in January 2024 and has had previous experience at non-league level with Leatherhead in 2023/24 and Uxbridge in 2024/25.Since joining the West London club he has made 23 appearances for their Under 18s and Under 21s sides, keeping five clean sheets in the process. Underwood made his debut for Fulham's Under 21s side on 1st March 2024 as a late substitute for Alfie McNally during a 7-1 win over Reading Under 21s.

21 ~ Ashley Akpan

A full back who can also operate as a wing back – enjoying getting forward whenever he can – Ashley Antoni Akpan describes himself as energetic but composed. He was born in Warsaw, Poland, and is Polish by citizenship, speaking the language fluently and growing up there before moving to London at the age of nine. He joined Chelsea as a youngster, remaining at their academy for seven years until 2020 when he was released. Akpan had trials with Leeds United, Fulham and Sunderland around this time and played in a friendly with Walton & Hersham

Player Bios ...cont
Hampton & Richmond Borough FC

Under 18s. He returned to Poland, signing for Wisla Krakow in August 2021, he was at the club for less than a year though, returning to England and signing for Aldershot Town in the summer of 2022 and playing at right back for the Shots. Discussing the difference in football between the two countries, Akpan described the English game as being far more physical and the continental game as having more ball possession. Eligible to represent Poland, Nigeria and England internationally, Akpan has played for Poland at Under 15s level.

22 ~ Ben Jackson

Young defender Ben Jackson originally arrived on a one-month loan from Aldershot Town in early December 2025. The central defender was a successful trialist for the Shots this pre-season 2025 and joined the Hampshire side after five years in Brighton & Hove Albion's youth academy. He spent the 2024/25 season on loan in the Scottish Championship at Livingstone and Queen's Park. The club confirmed Ben Jackson's departure, at the end of his loan period, on 16th January 2025, having made four appearances. It wasn't long before Jackson returned though, his signing for the 2026/27 season was announced on 3rd June 2026.

24 ~ Rohan Ince

Defensive midfielder Rohan Ince was the third signing made by the club ahead of the 2025/26 season, Ince had most recently been at Woking in the National League, where he made over 100 appearances, scoring eight goals over four seasons, but struggled for match fitness. Ince started his career at Chelsea, before playing regularly for Brighton and Fulham in the Championship. Spells at Swindon, Bury and Cheltenham in the Football League followed. All that and a real impact in the division above means the 32-year-old arrived at Beveree with great pedigree.

Manager Alan Julian described the capture of Ince as "a huge signing for the club" and said "Rohan is... someone who leads by example and recognises what needs to be said and how to say it. Rohan has been there and done it, so will bring real experience to the side. He's strong, excellent on the ball and adds a real presence to the squad on and off the pitch." Ince remarked upon signing, "I've played against Alan Julian a couple of times as a player, and it was clear speaking to him that there's excitement and positivity around what this club can do, and I want to be part of that. The club is local to me, and it just felt right. The fans can expect me to be really hard-working and comfortable on the ball."

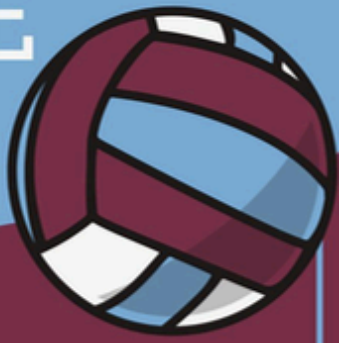

25 ~ Hayden Barrett

Capable of playing in the #10 role and slightly deeper in midfield, Barrett trialled during the pre-season of 2026, providing an assist against Hanworth Villa and scoring the winner against Dunston. Barrett will be making his first steps in senior football with the Beavers after progressing through the age groups at Watford's academy who he joined in 2019. After the ink dried Barrett told the club, "I'm really happy to sign for this club and I'm excited for this new chapter in my career. I am looking forward to playing in front of the fans every week and helping the team as much as I can!"

Woods Words

Richard Wood

It's a cup game again today following the Dorset Senior Cup on Tuesday night.

I know a lot of people don't really count those games but it is officially a first-team fixture.

Swindon's crash at home to Westbury on Monday night also means that barring an absolute goal avalanche I believe nobody can knock us off the top of the table today with our absence from playing a league fixture which is also very pleasing.

We have got quite a way in the FA Trophy so far and we will be looking to go further still I am sure, with the likes of Yeovil a possibility.

Today it will be another tough one, with a team two divisions higher than us in Hampton & Richmond, a level that we were playing at relatively recently so we know how difficult today's task will be.

We have already beaten a couple of teams from a higher level this season, so there's nothing to fear and we can go out on the pitch with no real pressure on us and no real expectations.

I think we can be pretty pleased with our FA Trophy run this season, even if it ends today.

The FA Cup run was also a fairly good one, although I do feel we disappointed on the day against SE Dons and although they were unbelievably good that day, I'm not sure they can do that all the time as their form has been a bit patchy since and they were easily dealt with by Sholing in the following round, a team we have beaten in the Trophy.

It just goes to show, especially in the cup games, it really is on the day on a lot of occasions.

Going back to Tuesday night in the Dorset Senior cup and it was a bit of a dull game until around the last 10 minutes, when it sprang into life with us giving away a penalty in the 87th minute and Harry Dillon saving brilliantly, only for the rebound to be put away, I really thought that was it and then deep into stoppage time we managed to show gritty determination once again and grab that equalizer.

Then it was another penalty shootout, this season we are becoming the Germany of penalty shootouts it seems! All of our penalties were very well taken, Harry Dillon got to a couple of theirs but there was too much power for him to manage to keep them out.

One thing that did amuse me was Wills run up for his penalty I thought he'd started in a different postcode and it was like the hundred meters before he actually reached the ball but what a penalty it was when he did strike it!

It was only the Dorset Senior Cup, but when you are playing Poole in front of a crowd of five hundred odd you really do want to win.

On to today, good luck lads let's see if we can go another round.

‘till next time,

Up The Terras!

AND then there were nine.

The FA Cup first round turned out to be fairly fruitful for Non-League clubs.

Yes, there were some heavy defeats from EFL clubs not wanting to get caught in the headlines.

But we also enjoyed some memorable upsets and a decent progression of Non-League clubs into the second round. Seven clubs booked their place in the draw on Saturday – Step 3 Guiseley, National League South duo Dover Athletic and Salisbury, as well as National League foursome Kidderminster Harriers, Carlisle, Barrow and AFC Fylde.

Wimborne Town joined them on Sunday thanks to their upset of League Two Crawley Town and, on Monday night, Plymouth Parkway became the third Step 3 to join the party after winning the all-Southern League Premier South clash.

It could have been more. How it could have been. Altrincham ran Notts County close in thickest of fog, eventually losing on penalties, Hornchurch were pegged back against Blackpool and only fell in extra time.

On Sunday, Stafford Rangers led Grimsby 2-0 and then 3-2 in extra-time before seeing their dream finished in a shoot-out. Cray Wanderers led ten-man Stockport County 2-0 but suffered a late turnaround before extra-time defeat. When the dust has settled they will no doubt all look back with pride.

The second round draw delivered too. Dover – who upset Wealdstone 2-0 – pulled the big one out with a home date against former FA Cup winners Leicester City.

Wimborne's reward for their famous victory is League One high-flyers Bradford City, who stuck seven past Marine last weekend.

NPL Premier Guiseley beat Sutton to reach round two – and will now face Notts County at home.

The third team of the Step 3 trio, Plymouth Parkway, take on Barnet in the south-west.

Salisbury – fresh from seeing off Sholing – host Blackpool and AFC Fylde will welcome Luton Town.

Carlisle United's impressive win over Salford City sees them make the trip to last season's National League winners York City.

And then there's Kidderminster Harriers, who stuck three past Doncaster Rovers in their first round win, making the trip to fellow National League side Barrow, managed by former manager Adam Murray, in the only all Non-League tie.

The games take place in early December. Certainly one will be remaining. But how many more can join them?
