FROM THE BOARD ROOM

Good evening everyone, and welcome to the Bob Lucas Stadium for tonight's Dorset Senior Cup tie. A warm welcome to the players, staff, directors and supporters of Poole Town. It's always good to have a Dorset derby under the lights, and I hope we get a proper cup tie tonight.

We go into this one as holders after beating Dorchester 2–0 in last season's final. It was a good night for the club and for everyone who came along to support us. Having got our hands on the cup, we'd quite like to keep it a bit longer. Poole will have their own ideas about that, of course, and they come here off the back of a draw with their league leaders, Uxbridge, on Saturday. It's a tough first-round draw for both clubs.

There's been a lot of football in a short space of time. I know what it costs to keep coming through the turnstiles, particularly when the home games come close together, so thank you for making the effort to be here again tonight. The players hear you, and on a Tuesday night in a local derby, that backing makes a difference.

With Armistice Day tomorrow, we're pleased to welcome veterans to tonight's game as our guests. On behalf of the board and everyone at Weymouth Football Club, thank you for your service. I hope you enjoy your evening with us.

A word too for the volunteers and staff who get the ground ready and keep things running on a match night. A lot of you come straight from work to do it, and it's appreciated.

Enjoy the game, get behind the lads and let's see if we can get ourselves into the next round.

Up the Terras!

STATS AND FACTS vs Poole Town

Dorset Senior Cup

This week's opponents should not need much of an introduction to any Terras fan as we have played Poole more times than any other club bar one in our history. Yes its only that team near Sherborne we have played more often as I can count 235 Weymouth first team fixtures against The Dolphins in all competitions including friendlies. Every decade has seen tussles in what some call "El Juassico" and in almost every league and cup you can think of...apart from the Conference South or Conference National divisions.

Overall the Terras have the bragging rights with 130 wins to 68 but honours are even since 2019 with four wins apiece. As for just this competition - this will be our 37th meeting in the Dorset Senior cup (since way back in 1898) and again we have enjoyed more rub of the green with 21 wins to 11 for the visitors but it was Poole who took the honours and the silverware last time we faced each other in the county cup as they ran out 4-0 winners in 2023. Our most recent meeting in any competition was of course last season in the Southern league premier division. It was almost exactly 12 months ago when we travelled east but returned home with our tails firmly between our legs after a 0-6 drubbing but we turned the tables three months later at the Bob Lucas stadium with Brandon Goodship & Barney Stone the bagsmen in a 2-0 victory.

But of course Goodship jumped ship in the summer and moved to our East Dorset rivals but he is not the only ex-Terra there...not by a long chalk!

Billy Lowes, Jack Dickson,
Ezio Touray, Harvey Slade,
Charlie Davis, Antonio Diaz
& Corey Jordan could all feature!

(Adam Parkes in goal is also from Weymouth but he has never played for the adult team at least). Have I missed anyone?!

Not to be outdone we have at least 7 players in our squad - Fogden, Genesini, Hanger, Holmes, Hutchinson, Jackson & Neale who were former Dolphins!

How many of these players from each side will feature this Tuesday evening is anyone's guess with our neighbours stating they will be leaning on their U23s to fill the team sheet and the Terras perhaps filling some positions with their U18s squad.

One thing is for sure though - if fan's favourite Rhudy Ntounda starts it will be a memorable night for many!

The Beginning of Poole Town

In the beginning, Poole Town FC were founded on the 20th September 1890 with the merger of two local sides, Poole Rovers and Poole Hornets. Poole joined the Dorset league in 1896. The Dolphins turned professional in 1923 and joined the Western League for three years, and were able to restore some success to the club, winning the Dorset Senior Cup in 1926. In 1930 Poole became known as Poole Town after they reverted to amateur status. In 1933, they move to Poole Stadium. The stand was built at the ground in 1930 and then the actual stadium was built by volunteers who were fans of the football club. In 1994 Poole were forced out of Poole Stadium, their home for over 60 years and began ground sharing with Hamworthy United, and narrowly avoided relegation from the Southern League, finishing 20th out of 22 in 1994/95. Then the side had their worst ever season as they went through 1995/96 without a win, gaining just 1 point from a 0-0 result against Bashley, to avoid the worst ever playing record. The final record that season was: Played 42, Won 0, Drawn 1, Lost 41, Goals for: 17, Goals against: 188. The club dropped out of the Southern League, and were made to leave their Hamworthy Home at the same time.

After many ground troubles, in October 2000, Poole began playing at Tatnam Ground, the school field of Oakdale South Road Middle School where they still play today.

The Tatnam Ground

Poole Town have called Tatnam Ground their home for the last 24 years after moving there in October 2000. When they moved to the ground, it was in a dire state and needed revamping. The club subsequently built a barrier around the surface, dugouts, a small club shop, tea hut, licensed bar and an £80,000 stand which was needed for them to be promoted into the Wessex League First Division.

Tatnam was once again upgraded in 2013 as the dugouts moved to the other side of the ground, a new clubhouse was built, and 100 more seats including 50 in the small stand. The total upgrade cost over £200,000 and was completed in just over two months. This allows the club to be promoted to the National League South which they achieved at the end of the 2015–16 season.

After two years in the National League South, including a fantastic first campaign where the Dolphins finished 5th, but were unable to compete in the playoffs due to a ground grading issue. The following season, Poole were relegated on the final day of the season and returned back to the Southern League.

The 2023/24 season saw long-serving manager Tommy Killick be relieved from his duties and was replaced by Matt Tubbs. Poole managed to secure survival in that turbulent season under the management of Steve Tully who then departed the following campaign leading to Joe Lea and Pat Suraci becoming the managers of Poole Town and have taken the club to new heights since taking the job.

Woods Words

Richard Wood

Tonight we will probably see a few different players lining up for both sides. As this competition is not going to be at the very top of either of our clubs ambitions this season.

In every game, whoever takes to the field will be going 100% out to win and you want your club to win no matter what the competition.

It will be good for some of the lads that have not had that many minutes to get some game time under their belt. As we know as the season progresses, they will be needed. We have quite a few injuries at the moment and with possible suspensions and pitches getting in worse condition, our squad will be in full use no doubt.

Dorset football got a bit of a media boost with Wimborne's great FA cup victory on Sunday against Crawley Town. I was pleased for Tim Sills, someone I rate highly.

Back to ourselves, we saw another good win at home to Willand Rovers this time last week here at the Bob Lucas Stadium and we followed that up with another good performance and a five star showing at Slimbridge on Saturday, we couldn't take them lightly as they won 2-0 at Dorchester a couple of weeks ago, but, by the sound of things, we were back on it and put them to the sword.

It was good to see after our hiccup against Tiverton here in the league, but it just goes to show as on Saturday, Tivvy lost at home to Sporting Club Inkberrow, so every day is different.

It's FA trophy again on Saturday with us at home to Hampton & Richmond, who are struggling a bit in the National League South, although I notice their last couple of results have shown that maybe they are turning things round a bit.

A tough challenge, but the pressure is all on them.

It was pleasing to get a couple of the games in hand played and points in the bag and also it was an unexpected bonus to see Dorchester lose at Westbury as well. So things are going well at the moment, long may it continue, but there is a long way to go yet.

'till next time,

Up The Terras!

Editor, The Non-League Paper

HOW many Non-League clubs will beat EFL clubs in the FA Cup this weekend?

Whether it will rival the ten we had back in 2020-21 – in that empty stadium era post covid – remains to be seen but one thing is almost certain, there will be somebody.

It's the first round proper this weekend with so many stories to be written – starting with Oxford City hosting Leicester City on Friday night.

From Step 4 duo AFC Rushden & Diamonds and Stafford Rangers taking on Burton Albion and Grimsby Town, respectively, to Marine taking seven coach loads of fans to Bradford City, there can't be a more special weekend in the whole of the football calendar.

It's one of the most frantic Saturday shifts we have each season at NLP HQ. But it's always one of the most satisfying when the paper is put to bed and sent to the printers.

We love covering all the glory moments of the day – and the build-up.

But, of course, the financial side can't be overlooked. This is a time for clubs to cash in wherever they can. Those selected for TV will proudly bank £50,000 as a live fee on top of everything else.

It's why the live picks come with so much emotion for those who miss out.

But there is also the long-term legacy a good cup run can bring.

As Marine know only so well following their incredible run to the third round to take on Tottenham Hotspur back in that 2020-21 season.

"We generated £650,000 and we used that money to put in a new 3G pitch and to completely renovate all of our bars in the front of the stadium," CEO James Leary told The NLP. "The investment increased, the support grew and as a result of that we had a really successful period on the pitch where we got promoted twice and made the FA Trophy semi-final last year and three times out of the last six years, we've made the FA Cup first round.

"After the Tottenham game, we hit a perfect storm where a lot of people would turn away from Premier League

football with how much they were paying at Everton and Liverpool, it opened up a lot of people's eyes to what they had on their doorstep.

"As a result of that, our support went up from around 300 average attendance to now, which is around 1,400 average."

For Step 4 Diamonds, their fourth round qualifying victory over Morecambe has already made a tangible difference even before they take on the League One Brewers.

"It was our best day since forming, bar none," chairman Rob Usher told us. "We had 12 days to get the ground ready – it's the hardest thing I've ever done as chairman, so it was an unbelievable feeling when the final whistle went.

"We had probably 1,000 people at the Morecambe game who don't usually come to Hayden Road. If 10 per cent of those fans come more regularly, that is game-changing.

"Every pound that comes through our club has been earned by volunteers or spent at the club by supporters – we don't spend what we like."

The players and results will rightly take the headlines this weekend.

But beyond that the financial benefits will continue. Who knows how many shocks we will get – not to mention the all-Non-League ties – but let's hope there's plenty.
