FROM THE BOARD ROOM

Good evening and welcome to the Bob Lucas Stadium for tonight's game against Willand Rovers. A warm welcome to their players, management, officials and supporters, and to our match officials.

Saturday against Tiverton was disappointing. We all want to win, especially at home, but we also need to keep things in perspective. Before Saturday we had won six games on the bounce, and one defeat doesn't undo the good work that has gone into that run.

We had played 21 competitive games before we even reached November. That is a tall order at this level. Players have jobs and families, and the travelling, training and recovery all have to fit around those commitments. When you are playing Saturday and Tuesday so regularly, there is very little time to recover or work on things between games.

That is something we need to recognise. We have high expectations, as we should, but I appreciate what the players and management are putting into this season. There is a lot of football still to be played, and we need to keep backing them through the disappointments as well as enjoying the wins.

The same goes for everyone behind the scenes. Another home game means another evening's work for our staff and volunteers. These games don't happen without them, and I want to thank everyone who gives their time to this club.

FROM THE BOARD ROOM
Continued

Tonight gives us a chance to get going again. Willand come here having beaten Hungerford on Saturday, so we know this will be another challenge. We need to be ready, and we all have a part to play in getting behind the team.

Away from the football, work continues on the purchase of the land behind the stadium. We are in the very final stages, and I look forward to being able to share a fuller announcement with you.

On behalf of the whole Board, I want to thank Lovell Homes for helping make this possible, Simon Etherington for his input and help, and Gareth Jones for his support.

This is an important step for the club. It gives us the opportunity to look forward and plan for facilities that can benefit our teams and the wider community. There will be plenty more to say about that, but first we need to get the purchase over the line.

Finally, thank you for continuing to turn up and support us. With games coming so frequently, I know it asks a lot of your time and your pocket. We don't take that for granted.

Let's get behind the boys tonight and hopefully enjoy a good evening together.

FROM THE DUGOUT

Good evening and welcome to the Bob Lucas Stadium for tonight's fixture against Willand Rovers.

A warm welcome to the Willand players, staff, supporters and tonight's match officials.

We've enjoyed a very positive spell in the league, putting together some excellent results and performances. Saturday's defeat to Tiverton was disappointing, but football is about how you respond, and tonight gives us the opportunity to get back to winning ways.

The players have shown great commitment and togetherness in recent weeks, and it's important we get back to the standards we know we're capable of. We want to keep building on the good work we've done and continue our push towards the top of the table.

Thank you, as always, for your fantastic support. Your backing means a great deal to everyone at the Club, and hopefully we can give you something to celebrate tonight.

Enjoy the game.

FROM THE Supporters' Association

Good evening and welcome to the Bob Lucas Stadium.

I'd like to extend a warm welcome to the players, officials and supporters of Willand Rovers for this evening's fixture. I hope those making the journey from Devon have a safe journey home afterwards.

Tonight we welcome Willand Rovers for our rearranged Southern League fixture. With the season continuing to gather pace, every point is important as we look to maintain our position towards the top end of the table.

The Terras come into tonight's game following a disappointing 2-1 defeat at home to Tiverton Town on Saturday. It brought an end to an excellent run of league results but finally paid the price for conceding first too often.

Willand arrive in Weymouth having picked up an important 1-0 home win against Hungerford Town on Saturday. They currently sit in the lower half of the table and will be looking to build on that result and make life difficult for the Terras this evening.

There is plenty still to play for this season, and your continued support can make a real difference. Thank you to everyone who has backed the team both home and away so far. Let's get behind the lads again tonight and hopefully send everyone home with three points.

Enjoy the game!

Adam

STATS AND FACTS

NUMBERS BEHIND THE GAME vs Willand Rovers

Played for both teams(selected)

CAFER, Matt DUFF, Craig
MAMMOLA, Ben ROGERS, George
ROGERS, Scott SKINNER, Jamie
SNEAP, Harley STAMP, Dean.

As this is our inaugural first team meeting against "Rovers" I have had to fill this preview with general Devon-based-stats. However it is ironic that this is our second home game in a row against teams from that county to the west following our Halloween outing v Tiverton. Especially as there is only 5 miles as the crow (or witch?!) flies between the respective grounds!

Following many years as a strong Western league side, our visitors gained promotion to this level in 2019 but due to covid their first two southern league seasons were never completed. Six subsequent campaigns have been played to a finish though but the "Devon all-whites" have often failed to make an impact, never finishing higher than 14th in that time.

Although we have never met before there are quite a number of players who have featured for both sides over the years although often these were fleeting spells for one of the teams at least. Most of the names featured in the early 2010's for Weymouth, including two of the locally famous Rogers family in George & Scott. (Martyn Rogers managed Weymouth for a time in that era). The most notable name for Terras fans is probably Craig Duff as he played the longest for the club – 88 appearances over two seasons from 2011. The most recent found is Harley Sneap who played just twice in claret & blue on loan from Plymouth Parkway in 2025. The strangest journey is probably that of goalkeeper Matt Cafer. A Weymouth lad, he eventually moved to Gibraltar where he gained two caps for their national team. He know plies his trade at a 7th tier club in Melbourne, Australia.

There is another tenuous link with the current Willand manager Ben Watson as although he has never played for the Terras he has played against them several times. And in fact for several different clubs! Firstly he featured for Exeter City in 2008 then later for Eastbourne, Dorchester and Truro! He can also boast at least three goals against us – one in a friendly for the magpies in 2013 and a brace in the league for Truro a few months later when our current goalkeeping coach Jason Matthews had to pick the ball out of the back of the net!

WILLAND ROVERS CLUB HISTORY

Rovers from humble origins to today! Football has been played in Willand for well over a century. Indeed match reports exist from as far back as 1907 when Willand Association Football Club was under the chairmanship of Dr Henry Tracey of the Gables.

The club then played their home games at the Pavilion Ground; this the field opposite the one and only public house in Willand, The Halfway House.

By 1939 the Football club was still going strong when the world entered another period of war; at this time the Club had become known as Willand Wanderers FC. During the years of the Second World War two members from the football club joined the committee of the Willand United Services Club; this was formed in 1942 to organise wartime events for the local community.

In 1953 the club moved to its current location in Silver Street, playing in the Tiverton District League. Progress was continued when the club moved into the Devon and Exeter League passing through the lower intermediate divisions, and eventually winning the Devon cup in 1967.

In 1971 the club had the foresight to purchase the the Silver Street ground from a and land owner local farmer; at that time there were no houses surrounding the ground just orchards and fields.

During the early seventies there was promotion to the senior leagues and eventually into the Premier Division of the Devon and Exeter League. We were then playing teams such as Tiverton, Elmore, Dawlish, Heavitree, Ottery St Mary and Crediton, who all went on to play in the Western League.

The 1972 season saw the first ever Willand Rovers programme produced with 40% of the sales going towards matchday draw. There was also a refreshment caravan at the ground for the first time.

Legend says that when the M5 Motorway was built in the 1970s the old village hall had to be taken down to make way for the new road and some of the timber from that building which was used in the building of our first grandstand at the ground. In fact, as the ground has been reshaped in more recent years some of this timber can still be seen in our Main Grandstand by virtue of it being re-used to form the front row of seats.

Despite having built a grandstand, in 1985 the Devon & Exeter League ruled that the facilities were not up to the required standard for a Premier Division team: the club was consequently demoted to the Senior Division whilst the Reserves went to play in the North Devon League.

In 1986, the clubhouse – part of the present building – and changing rooms were built. With these facilities in place the club was able to attract a wider range of quality players resulting in soon winning promotion back into the Premier Division.

In 1992 Rovers became founder members of the Devon County League and they had the honour of hosting the first ever County League league match. In attendance for that opening game was Mr Bert Millichip, then the Chairman of the Football Association.

Clive Jones then became the first team manager and our rise continued apace. The County League was won in 1998/99 and again in 2000/01.

This was followed by promotion to the Western League Division One and, after just three years, the club was promoted again into the Westen League Premier Division.

WILLAND ROVERS CLUB HISTORY CONT...

Clive Jones' very successful tenure came to an end in 2013 when Scott Rogers took the helm. He presided over the team for two campaigns with his swan-song guiding the team to victory in the Les Phillips Cup final in May 2015, with success against Barnstaple Town at Bridport.

The current manager, Russell Jee, is very well known and respected at the club, having been a player here for many years. He is ably assisted by David Steele, another long term servant with a very distinguished Rovers playing career behind him.

Russell and Dave have continued the success of their predecessors ultimately leading the team as they became the 2018/19 Champions of the Toolstation Western League to gain promotion to the Southern Football League: no one will forget the final league match of the season away at Bitton and the jubilant scenes that followed the final whistle!

During our recent history there have been a number of excellent runs in both the FA Vase and FA Cup.

The FA Cup highlight undoubtedly being in 2014, a run that took the team to the fourth qualifying round and a meeting here at Silver Street where very nearly 1,000 people, and the BBC Radio Devon outside broadcast team, were present to see Scott Rogers' side go out 3-1 to Gosport Borough. They in turn went out in the next round, beaten by Colchester United.

More recently in the FA Vase, in the 2018/19 season under Russell Jee, the Rovers reached the Quarter Final stage where they were narrowly beaten by Cray Valley Paper Mill, again in front of a crowd nearly 1000 strong.

Off the pitch the rise of the club has been every bit as extraordinary as the action on it!

Under Chairman Mike Mitchell Silver Street has seen plenty of ground improvements and developments in recent years: the clubhouse has been overhauled and expanded, purpose made new changing rooms installed, a new seated grandstand installed and covered terrace stands erected. These improvements have given the club a stadium to be truly proud of.

PAST PLAYERS

The club have had a number of fine players wearing the shirt of "The Rovers" – which incidentally started as white, later changed to orange and is now back to the original club colour of white – including four Wembley winners, Kevin Smith, Steve Hynds, Phil Everett and of course Scott Rogers, all of whom appeared there for Tiverton Town in the FA Vase. Phil is actually a double Vase winner, former Non League Footballer of the Year and has represented the FA against Jersey.

Another Wembley connection for the club is former Exeter City and Tiverton Town legend, Hedley Steele, who played in Tiverton Town's first, and losing, FA Vase final team; he was in the Willand side that won the County League in 1998-9. Hedley is without doubt a Mid Devon Footballing legend who can be regularly seen attending the home Rovers games where he is able to support his son David.

Other local notables to have graced "The Rovers" colours include Steve Rowlands, Martin Tregedeon, Mark Seatherton, who undoubtedly is one of the areas greatest ever goal scorers, Jason Reeves, Gavin Hudd, Nick Howe, Darren Cork, Steve Venner, Phil Staddon and long serving goalkeeper, Brian Cann.

WILLAND ROVERS CLUB HISTORY CONT...

AND AS FOR THE FUTURE

So Willand Rovers stand proudly ply their trade in the Southern Football League Division One South, the fourth tier of non-league football. This is the highest point the club has reached in the football pyramid in its short history.

The forthcoming years will bring a different set of challenges, not least the decision as to whether the Stan Robinson Stadium can be upgraded to meet the requirements of the next step up the football pyramid, promotion to the Premier Division of the famous and historic Southern League. This would see us playing at the same same level as some very big and famous non-league clubs such as Truro City, Salisbury City, Taunton Town, Dorchester Town and Tiverton Town to name just a few! Dizzy heights indeed, but we must have a goal and something to aim for ... so lets aim high!

Off the pitch the thriving clubhouse continues to help provide vital funding through social events, parties and being used by local organisations serving the community. We also wouldn't have achieved the success we have in recent years without the support and backing all our sponsors and the local business community. We say to you a BIG THANK YOU to you all.

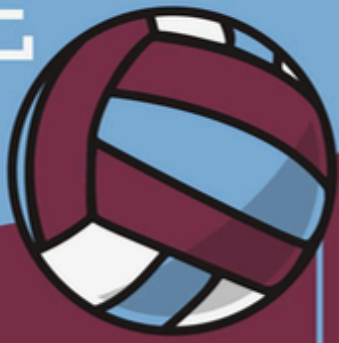

There is still a hunger within the club for even more success as "The Rovers" seek to maintain the impetus of the last few years. The story goes on, as the dream continues to unfold – WATCH THIS SPACE!

It was going to happen at some point and Saturday it happened.

To get to the day before November having only dropped a couple of league points up to that point was brilliant.

There have been a few questioning tactics, I just think even the very best sides have off days and your opponents come with a plan and get the breaks.

Who can honestly say they have not had an off day at work?

The key is to limit those days to the absolute minimum.

I also think we didn't get the decisions from the officials either, but that does not hide the fact that we were not at our best.

We brushed off our FA Cup defeat quite well and we must now do the same again.

One shock was Portland winning at Dorchester. I must admit I was not expecting that.

They were fully deserved winners as well form what I hear.

So that softened the disappointment slightly, knowing they slipped up as well and also gave them no opportunity to give us stick!

It shows (as if we needed telling), that the Blues are not to be underestimated and we need to be more than ready in our matches with them later in the season.

But every team will come up against will be trying their best to frustrate us and nick a point or even a win.

Lets hope we can start another run tonight.

'till next time,

Up The Terras!

SELECTING the TV picks for FA Cup matches always sparks lively debate.

Ultimately, you can't please all of the people all of the time, but every year it seems there are ties, invariably involving Non-League sides, who can consider themselves unfortunate to miss out.

That is indeed the case once again in this year's first round proper draw – there are so many good ties to choose from.

Let's be honest, TV companies – in this year's case TNT Sports, and to a lesser extent, the BBC - have to ensure that viewing figures reflect the vast amounts of money they spend on securing TV rights for the world's most famous cup competition.

But there are always some ties who will rightly feel aggrieved they've been overlooked.

Take Boreham Wood v Wigan Athletic for example. Luke Garrard's Wood are setting the National League alight so far this season, while League One strugglers Wigan lifting the trophy at Wembley as recently as 2013, under Roberto Martinez.

And there are many more too. Hornchurch must've thought they were in with a shout for their visit of Blackpool, similarly Kidderminster Harriers for their home tie with Doncaster Rovers or even Carlisle United against League Two leaders Salford City.

But AFC Rushden & Diamonds' story is surely deserving of a place in the spotlight when they travel to Burton Albion.

Elliot Sandy's men have beaten higher opposition three times and won six games to get to the first round for the first time in their history as a club – and fanbase – who have started again after their previous guise folded. It's what the FA Cup is all about.

Instead, we've got an all-League One clash between Peterborough United and Reading because Posh boss Robbie Savage will be up against his son Charlie.

This is nothing against the Savages. But the £50,000 broadcast fee would have been huge for Diamonds and helped to build even more of a legacy from this run. They might not make it this far again for a

number of seasons, whereas, Peterborough play Reading again in December!

That's not to say we don't have some mouth-watering match-ups to look forward to.

In perhaps the tie the round, Oxford City kick us off this Friday night with the visit of League One big guns Leicester City, who lifted the trophy with a 1-0 win over Chelsea at Wembley just five years ago!

Isthmian Premier side Cray Wanderers host current League One leaders Stockport County on Sunday, just before Step 4 Wimborne Town, of Southern League Division One South, take on League Two strugglers Crawley Town.

And the TV games on Saturday are no-brainers also. Stafford Rangers, fresh from their 5-0 thumping of Gateshead in the last round, welcome Grimsby Town, of League Two, in a tasty lunchtime serving, while Altrincham, with all their cup pedigree, take on Notts County in what promises to be a teatime humdinger.

But perhaps the most pleasing TV pick has been saved for Monday night when Plymouth Parkway and Berkhamsted meet in an all-Southern League Premier South clash.

It's not often that TV companies plump for live all-Non-League clashes at this stage of the competition but there's certainly no complaints our end!
